- Large rear trunk
- Primera® fabric on sofa and dinette
- LED interior lights
- Available front cap upgrade
- Stylish vinyl ceiling
- Optional heated holding tanks

On the Cover: **31K** Bronze Mist Deluxe Graphics with Available Front Cap

31K Infinity with Honey Cherry Cabinetry

Join the Motorhome Family

The Spirit® welcomes you to motorhome living with six floorplans ranging from 24 to 33 feet, and an array of optional feature packages that make it easy to find a coach to call home. Sleeping flexibility is paramount in a family-friendly Class C, and the Spirit delivers with an overhead bunk, multifunctional furniture, and even a walkaround queen bed in some floorplans. In addition to standard features such as LED lighting and a large storage trunk, three available feature packages give you a wide range of options to upgrade both the comfort and style of your coach. It's time to heed the call of the Spirit, built to the legendary standards of Winnebago®.

MotorHome READERS' CHOICE AWARDS 2016 GOLD AWARD WINNER

2016 MotorHome READERS' CHOICE WINNER Class C

31K Infinity with Honey Cherry Cabinetry

Few coaches provide the flexibility to select your features and styles like the Spirit. Start by picking from six floorplans, which range from 24 to 33 feet that include a traditional dinette (25B, 31D, 31G), U-shaped dinette (22R, 26A, 31K), and a sofa/bed (NA 22R, 26A) with soft Primera fabric that has a leather-like feel and performance. Add the available Premium Package (NA 22R, 25B) for a host of upgrades such as MCD solar/blackout roller shades, window treatment upgrades, and a larger HDTV (31K).

Pleated Night Shades

Cab Seats Swiveled with Booster Seats

31K U-Shaped Dinette

31K Available Front Overhead Bed

31K Available TrueComfort+ Sofa

31K U-Shaped Dinette as Bed

31K Available TrueComfort+ Sofa as Bed

31K Galley

31K Pantry

31K Full-Extension Drawers

Your feature flexibility continues in the galley with a variety of appliance options. The base package includes a microwave oven, 3-burner range top, and a 2-door refrigerator/freezer. Available upgrades include a microwave/convection oven (26A, 31D, 31K, 31G), 3-burner range with oven, and a large, 4-door refrigerator/freezer with icemaker (31K). The Premium Package adds style to the galley with available Corian® countertop and an undermount stainless steel sink (Premium Package requires Convenience Package).

31K 3-Burner Range

31K Bedroom

31K Wardrobe

31K Shirt Closet

31K Bathroom

Space-conscious travelers will appreciate the corner bed in the 22R and 25B. The larger floorplans make way for a private bedroom with a queen bed while each floorplan has the option to add an HDTV. Bunk beds in the 31G are perfect for kids or camping buddies and can be enhanced with an additional HDTV.

31K Vanity

31K Shower

31K HDTV

Dash

Looking to add a little kick to your next trip? Add the Radio/Rearview Monitor System (included with the Convenience Package). It not only makes backing up safer, but incorporates a 6.2" touchscreen for the DVD player and stereo. It even connects to your phone or tablet and includes a handheld remote. SiriusXM® satellite radio is also available. Swivel cab seats are available in the 26A, 31D and 31K that turn the cab into an extension of the lounge.

Front Wraparound Curtain

Manual Mirror with Pivoting Arm

Take more with you in the large rear trunk storage compartment that is built into every floorplan. Outdoor living gets a big boost in the 31G when you add the exterior tailgate package. It includes an HDTV, DVD player, stereo, wash station, and a refrigerator. The patio awning can be upgraded to a powered model with LED lighting that keeps the party going into the night.

31K Available Powered Patio Awning with LED Lighting

Running Board

Exterior Service Center

31K Entrance Screen

Available Stainless Steel Wheel Liners

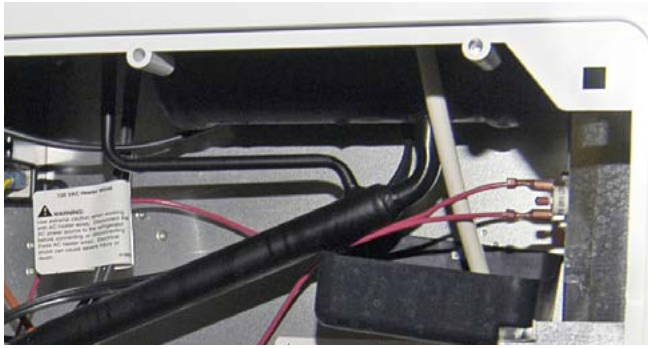
TESTING

Before rolling out of our factories, every coach undergoes an extensive 113-point inspection. Each coach also passes a high-pressure water test that simulates rain at a rate of 50-inches per hour to check for leaks. During the design process, our computer simulations, physical testing center, and rigorous test track ensure each model is built to last.

DETAILS

At Winnebago, we treat the features you can't see with the same care as the ones you can. Look in the access panels of some of our competitors' coaches and you'll see loose insulation and wires haphazardly strewn about. Winnebago maintains a clean fit and finish throughout so your coach will last for the long haul.



BUILT IN-HOUSE

We process and finish key aluminum parts. We rotocast our own plastic components. In fact, we manufacture most of our own parts so they are designed to fit the space, rather than fitting the space to an awkward off-the-shelf component size.

SUPER STRUCTURE®

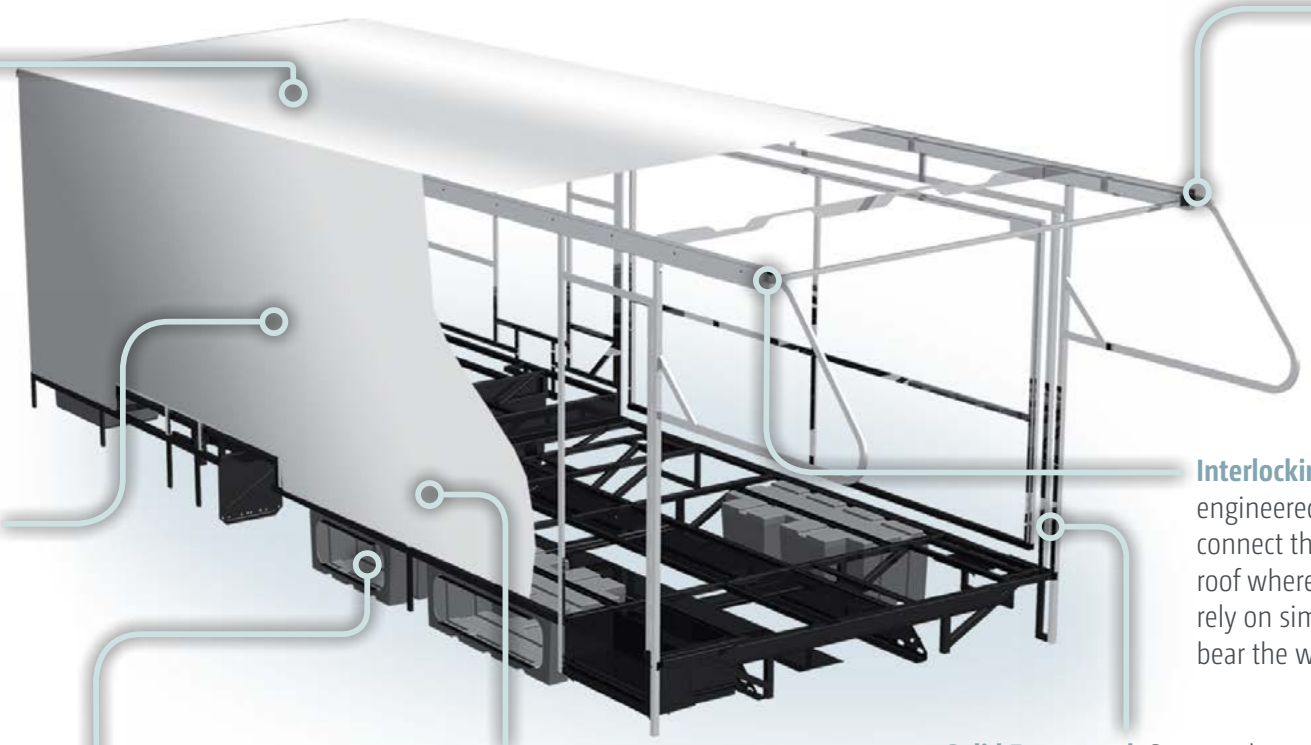
BUILT TO LAST

Visit **BetterBuiltRVs.com** to gain real insight into what goes into a Winnebago motorhome.

TAKE A TOUR

We're proud of our processes, state-of-the-art facilities, and the people who make Winnebago number one. We invite you to visit our complex in Forest City, Iowa, for a firsthand look at the dedication and technology behind every motorhome we build.

Call **(641) 585-6936** or **(800) 643-4892** or visit us online at **WinnebagoInd.com/company/visit** for more information.



Fiberglass Roof
The one-piece fiberglass roof is backed by a 10-year limited parts-and-labor roof skin warranty.

Laser-Cut Tubing
Precision laser cutters create precise joints in structural steel that are stronger and require less welding.

Thermo-Panel® Sidewalls
By layering fiberglass and high-density block foam insulation with welded aluminum support structures, we create some of the industry's strongest, most durable, and lightweight sidewalls.

Interlocking Joints Specially engineered interlocking joints connect the floor, sidewalls, and roof where competitors often rely on simple screws to bear the weight.

E-Coating An electrodeposition coating helps protect critical steel components.

Embedded Steel Metal substructures embedded into the sidewall provide solid attachment points to keep cabinets and appliances mounted securely in place.

Solid Framework Structural extruded aluminum creates an extremely strong and solid frame.

SUPER STRUCTURE®
BUILT TO LAST

Every coach—from our smallest Class C to our largest diesel-pusher model—is built to Winnebago's® legendary SuperStructure® construction design. It's a process developed and refined over more than 50 years of building some of the strongest, most durable coaches in the industry.

36-month/36,000-mile limited warranty on structure[8]

10-year limited parts-and-labor warranty on roof skin[8]

FOOTNOTES

1. The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please check with your dealer for further information.
2. Floorplans feature a wide-body design - over 96." In making your purchase decision, you should be aware that some states restrict access on some or all state roads to 96" in body width. Before making your purchase decision, you should confirm the road usage laws in the states of interest to you.
3. The load capacity of your motorhome is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motorhome.
4. Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.
5. Capacities shown are tank manufacturer's listed water capacity (W.C.). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.
6. Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR, and GCWR as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.
7. See separate chassis warranty.
8. See your dealer for complete warranty information.

NA Not Available

Not all items available in combination. See dealer for details.

Winnebago's® continuing program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice. Published content reflects the most current product information at time of printing. Please consult your dealer for individual vehicle features and specifications.
