Floor Plans

Three single-axle models with three distinct floor plans. Some of the most lightweight travel trailers Airstream manufactures, Bambi is ready to tow by many mid-sized trucks and SUVs. Dinettes are perfect for couples or families to gather for a meal, and then convert easily to more sleeping space at night. Note the rear corner galley in the 20FB, and the wide U-shaped dinette in the 22FB midship.

Informed by more than 90 years of quality craftsmanship and expert design, Airstream travel trailers are hand-made in Jackson Center, Ohio. Only the best materials are used – from seamless, waterproof composite flooring, to the hardware and finishes we use to build our cabinetry, to the rivets and aluminum that form the shell.
