

AIRSTREAM® Trade Wind®

2027 TRAVEL TRAILERS

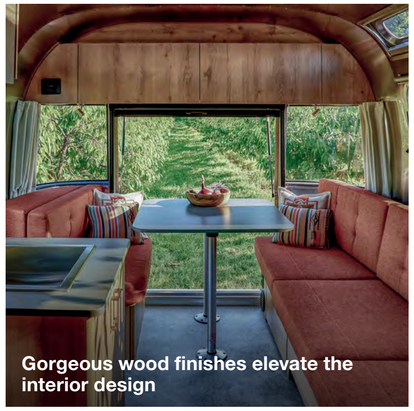
About Trade Wind®

Go farther and stay longer with the Airstream Trade Wind™ Travel Trailer. Featuring increased battery and solar capability, three inches of additional ground clearance, water-conservation features, and more, Trade Wind untethers you from traditional campsites and lets you explore deeper into the natural world. Trade Wind is a vision for the future of camping, with freedom to choose where your adventure leads – whether on or off the grid.

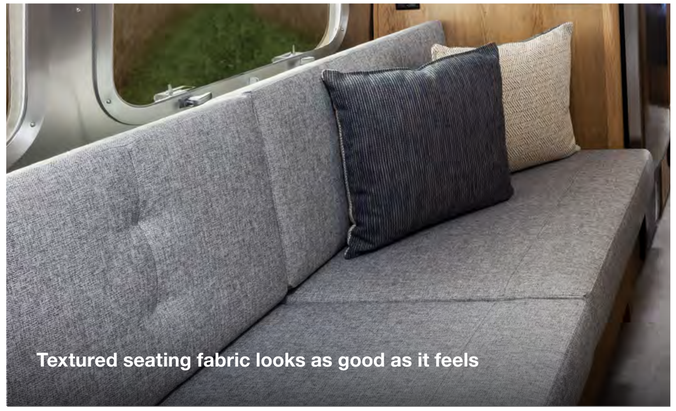
The Freedom of Power Comes Standard

- Up to 18.5 kWh of deep cycle lithium batteries provide **ample power wherever you go** – enough to run the air conditioner when you're far from shore power.
- Fully inverted with up to 6,000 W capacity, enabling device charging, high-power appliances, and **long-term boondocking without traditional hookups**.
- **Off-grid capable design** features a 3-inch lift kit for added clearance and rugged tires for tackling rough terrain.
- Keep batteries topped off with up to **600 W of rooftop solar panels**.

Explore more features Trade Wind has to offer



Gorgeous wood finishes elevate the interior design



Textured seating fabric looks as good as it feels

Optional Rear Hatch lets you load gear and enjoy al fresco dining

Fieldstone

Oak laminate on the walls balanced with the cool Fieldstone gray cushions creates an inviting interior accented by soft orange and indigo blue in the soft goods.

Terracotta

Bold clay tones in the seating fabrics are contrasted against the cool concrete pattern in the flooring, soft textures in the accent pillows, and indigo blue bedding fabric.

Floor Plan
Options

Queen or twin beds are available on all floor plans.

23FB

Base Weight: 5,575 lbs
Exterior Length: 23' 11"

25FB

Base Weight: 6,225 lbs
Exterior Length: 26' 2"

27FB

Base Weight: 7,025 lbs
Exterior Length: 28' 2"

Available in our most efficient floorplans, Trade Wind's 23FB, 25FB and 27FB configuration offers space to lounge, a primary bedroom, bathroom with shower and a versatile dinette that converts to additional sleep space.

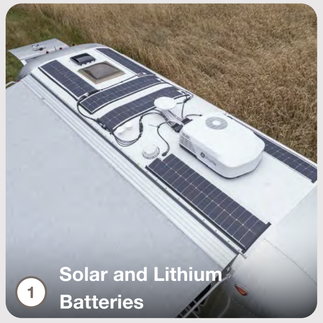
Trade Wind
Features

Under the surface, Trade Wind is a revolutionary new Airstream travel trailer with more power than ever before. But from the outside, Trade Wind features Airstream's iconic riveted aluminum style – plus all the features that help make your travel dreams come true. Rock guard protection, three additional inches of ground clearance, and rear-view cameras help protect your investment while you navigate your adventure, and air conditioning ensures you have a comfortable stay. The optional Rear Hatch lets you load bikes, fishing poles – even a kayak or two – and provides incredible views (and ample breezes) while eating at the dinette.

Explore more features the Trade Wind has to offer

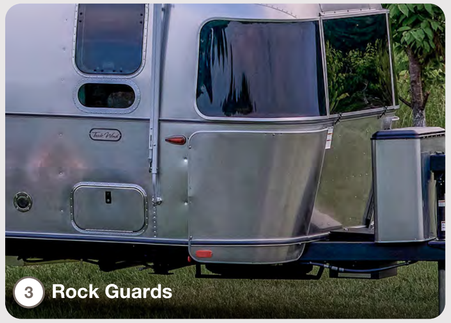


1 Solar and Lithium Batteries

Harvest the abundant and free power of the sun for off-grid adventures

2 Inverted Air Conditioner

Stay cool with an A/C powered by the onboard batteries

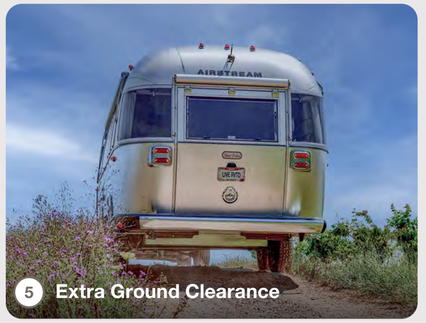


3 Rock Guards

Stainless steel rock guards and solar window protection deflect road debris

4 Rear-View Monitoring

Backing into your campsite is easy with visual and audio assistance through a wireless monitor in your tow vehicle



5 Extra Ground Clearance

A 3-inch lift kit makes it easier to navigate beyond the pavement

6 Optional Rear Hatch

Load gear and enjoy al fresco dining with the pull-down screen

More **Information**

Sixty-five years after Airstream launched the first fully self-contained travel trailer, Trade Wind redefines the concept for modern adventurers. Crafted for an untethered experience, Trade Wind lets you skip traditional campsites and hookups while enjoying the comforts of home in remote, tranquil locations.

- Up to 18.5 kWh of Lithium batteries, 600 W of rooftop solar panels, and 5000 W of inverter capability powers your off-grid travel while letting you bring along the comforts of home.
- Three inches of additional ground clearance and rugged Goodyear® Wrangeler Workhorse® tires let you explore beyond the pavement.

How It’s Made

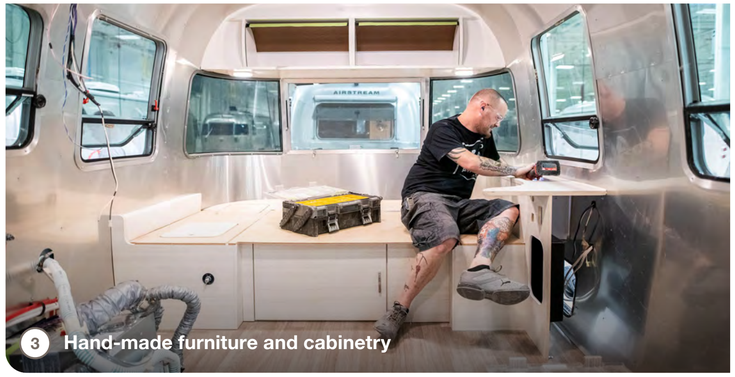
Informed by more than 90 years of quality craftsmanship and expert design, Airstream travel trailers are hand-made in Jackson Center, Ohio. Only the best materials are used – from seamless, waterproof composite flooring, to the hardware and finishes we use to build our cabinetry, to the rivets and aluminum that form the shell. In building our world-famous travel trailers, we rarely do things the easy way. That’s why an Airstream travel trailer can last a lifetime – or more – and be passed down from generation to generation for years of enjoyment.

Schedule a factory tour

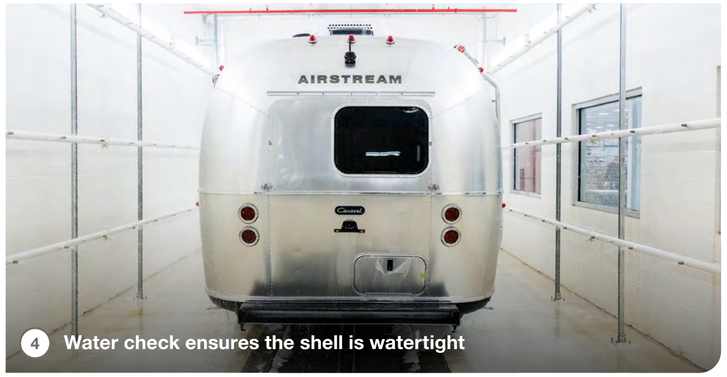
Find your local dealer

1 Seamless composite flooring

2 Riveted aluminum shell built with time-honored techniques



3 Hand-made furniture and cabinetry



4 Water check ensures the shell is watertight

5 Multi-point quality inspection before heading to customers
