THE *PLEASURE-WAY* LEGACY

For more than four decades, Pleasure-Way Industries has remained committed to building motorhomes with lasting quality and attention to detail. As a family-owned Canadian manufacturer, we've chosen to focus on craftsmanship over volume from the very beginning.

Each motorhome is built individually, allowing our team to stay closely connected to the process and the final result. That consistency has helped us earn the confidence of owners across North America.

We're thankful for the trust our owners place in us. It's what drives us to keep improving, while staying true to the values that got us here in the first place.

Ford

TRANSIT 350 CHASSIS

LUXURY COMES STANDARD

Every Pleasure-Way is thoughtfully equipped with premium materials, trusted brands, and comfort-focused features, at no extra cost. It's our commitment to making every journey extraordinary from the start.

PREMIUM MATERIALS & FINISHES

CORIAN® SOLID SURFACES

Beautiful, durable, and easy to maintain. Corian® solid surfaces bring a clean, residential look that stands up to daily use.

PREMIUM MOEN FIXTURES

Moen faucets & shower fixtures bring familiar residential function with clean styling, smooth operation, and the confidence of Moen's limited lifetime warranty.

ULTRALEATHER® UPHOLSTRY

Premium comfort and everyday practicality. Its soft, luxurious feel is paired with exceptional durability and an easy-to-clean surface, making it well suited for the road.

AIRFRYER CONVEC. MICROWAVE

Adding versatility to the RV kitchen by combining multiple cooking functions in one appliance. Bake, roast, crisp, reheat, or air fry without taking up extra counter space.

NEW

WATER PUMP CONTROLLER

The IRVWPC helps deliver smoother, more consistent water pressure throughout the RV. By intelligently regulating pump operation based on demand.

NEW

MODEL: ONTOUR 2.2

COMFORT & CONVENIENCE

TRUMA® AQUAGO COMFORT PLUS WATER HEATER

The 60k BTU stepless burner, re-circulating waterline, and mixing vessel deliver hot water on demand, at even temperatures.

TRUMA® VARIOHEAT FURNACE

Three automatic output levels, intelligent fan control, near-silent operation, high airflow, and 3-stage burner system combine to heat your coach quickly & efficiently.

TRUMA® AVENTA ECO A/C

The Truma Aventa Eco air conditioner provides efficient cooling for the coach while maintaining a clean, low-profile design.

**Ontour 2.0 contains a 11,000 BTU Dometic A/C*

TOUCHSCREEN CONTROL PANELS

Designed to simplify daily use, the touchscreen control panels let you monitor and adjust key coach systems from a clean, central interface. Battery information, tank levels, lighting, climate, water pump, and generator controls are all brought together for easier operation.

NEW HEATED TANKS

Heated holding tanks help protect your water systems when temperatures drop. By adding warmth directly to the tanks, they help reduce the risk of freezing. Allowing you to extend your camping season drastically.

ENGINEERED FOR OFF-GRID ADVENTURES

POWER MADE STANDARD

ECO-ION 460AH LITHIUM BATTERIES

Pleasure-Way was the first RV manufacturer to make lithium batteries standard, and that commitment continues with our 460Ah Eco-Ion lithium battery system. Included in every motorhome, this high-capacity single battery setup helps support the systems you use throughout the day

ONAN® QG 2800i 2.8 KW GENERATOR

A strong power system is about more than one component. The onboard generator works alongside the lithium batteries to give you added support when shore power is not available. It helps keep the coach more usable in a wider range of travel situations, from extended stops to remote campsites.

GO POWER! SOLAR PANEL PACKAGE

The Go Power! solar package is designed to quietly support your coach in the background. The solar panels helps replenish the lithium batteries during daylight hours, supporting the systems you use throughout the day while reducing your reliance on campground hookups.

XANTREX™ 3000 WATT INVERTER/CHARGER

Working with the Eco-Ion lithium batteries, the Xantrex™ 3000-watt inverter/charger helps deliver household-style AC power inside the coach and recharges the battery system when plugged into shore power.

10” MULTIPLEX TOUCHSCREEN CONTROL PANELS

Managing onboard power is easier when the information is simple to access. The multiplex touchscreen system allows you to monitor battery levels, check system status, control the generator, and manage key coach functions from a clean, centralized interface.

Private **Wetbath**

INTRODUCING THE

ONTOUR 2.2 AWD

The Ontour 2.2 is designed for travellers who need a little more room to settle in. Its spacious wet bath includes a dedicated vanity and medicine cabinet, while the nearby hanging closet provides convenient storage for clothing and everyday essentials. Paired with a comfortable rear lounge, generous bed size, and practical galley, the floorplan feels open, organized, and well suited for longer stretches on the road.

Generous Galley & Ultraleather® Sofa

Luxurious **Vanity**

Ample **Storage Options**

Private **Wetbath**

INTRODUCING THE

ONTOUR 2.2 RB AWD NEW

The Ontour 2.2 RB is designed with storage in mind, giving you the room to bring along more of what matters. Its raised flex-bed can be configured to accommodate multiple sleeping styles, while the rear section folds up to create additional room for taller gear. A mid-coach dinette, private wet bath, and well-equipped galley complete a floorplan that is equally suited for weekend escapes, outdoor adventures, and everyday travel.

JOIN THE COMMUNITY

Amethel Sewell
Page 21 & 22

A lot of useful travel knowledge is picked up in campgrounds, at fuel stops, and during conversations with someone parked a few sites over. Within the Pleasure-Way community, those conversations often continue long after everyone heads home.

Rallies give owners a chance to meet face-to-face, compare notes, tour different floorplans, and share stories from the road. Some arrive already knowing a few familiar faces, while others attend for the first time and quickly find themselves part of the group. The conversations tend to be practical, covering favourite destinations, campground finds, maintenance tips, and the small details that make travelling easier.

Facebook groups keep the conversation going between events. Owners regularly share travel photos, storage ideas, campground recommendations, troubleshooting advice, and answers based on firsthand experience. It is often the quickest way to find someone who has dealt with the same question before.

Our Pathfinders and owner-submitted stories on our blog add another perspective, offering a look at the places people visit and the different ways they use their motorhomes. Together, these shared experiences make it easier for owners to learn from one another and stay connected, wherever the road happens to lead.

Pleasure-Way Owners' Clubs

At Pleasure-Way Industries Ltd., we believe that meeting new friends and sharing adventures is an important part of the Pleasure-Way experience. We are fortunate to have a wonderful group of people who have formed our Pleasure-Way owners' clubs. These clubs are based on the east and west coasts of the United States and western Canada.

The Pleasure-Way owners' clubs are operated and run by owners, such as yourself, who enjoy the RV lifestyle and share the same passion for Pleasure-Way that we do. Enjoying the outdoors, adventures and making new friends along the way is guaranteed while experiencing life in a Pleasure-Way and the owners' clubs rallies are a great place to get things going!

Join a Club!

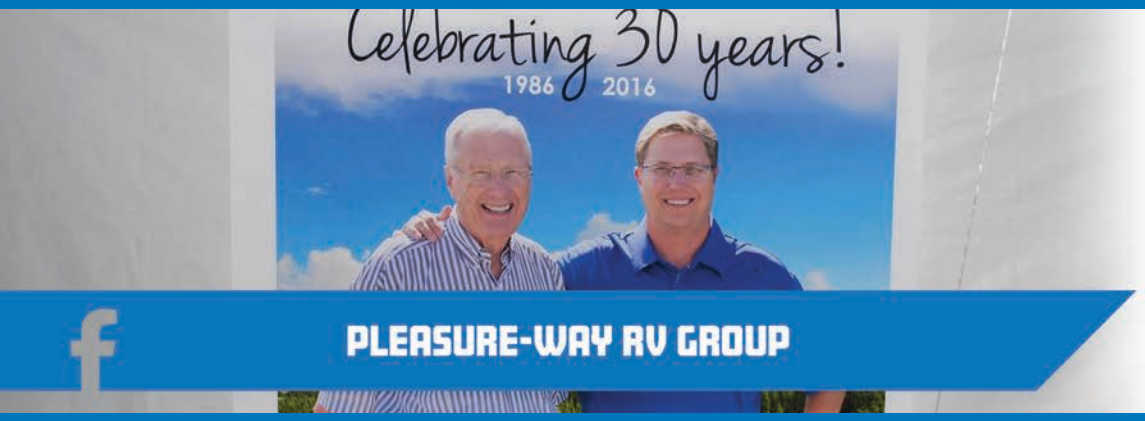
"You'll be reminded that van life is about so much more than the van. It's about the people, the stories, and the unexpected magic that happens when dreamers and wanderers gather in one place." - Anethel Sewell



PLEASURE-WAY RV GROUP

PLEASURE-WAY OWNERS AND WANNABEES

PLEASURE-WAY CLASS B CAMPER VANS

5-YEAR FREEDOM WARRANTY

All new Pleasure-Way motorhomes are backed by our 5-Year Freedom Warranty. Pleasure-Way Industries Ltd. warranties the specified new Pleasure-Way Motorhome free from defects in material and craftsmanship, on portions manufactured by Pleasure-Way Industries Ltd. under normal use and service.

Coverage: 5 years or 60,000 miles / 100,000 kms

PLEASURE-WAY PERSONAL ASSISTANT

We understand that it takes time to get completely familiarized with your new motorhome and all of its features. For this reason, you will be designated your very own Pleasure-Way Personal Assistant for the first 90 days of ownership!

Your P.A. is a specialized and knowledgeable member of the Pleasure-Way team who works right here in our manufacturing facility. Upon receiving the warranty registration of your new motorhome, your P.A. will provide you with their contact information. You will now have access to your Pleasure-Way P.A. six days a week, via a dedicated, toll-free phone number or email.

Your Pleasure-Way P.A. will be there to assist you in all matters pertaining to the operation of your Pleasure-Way motorhome. After your 90 day period expires, you will have all the confidence and knowledge to enjoy your new Pleasure-Way for years to come!
