ADVENTURER

Take a Tour

We're proud of our process, state-of-the-art facilities and the people who make Winnebago Industries number one. We invite you to visit our factory in Forest City, Iowa, for a first-hand look at the dedication and technology behind every motor home we build.

Recognized Quality

The Recreation Vehicle Dealer Association annually rates RV manufacturers and awards the Quality Circle award to manufacturers who provide exceptional products, service and support. Winnebago Industries is proud to be the only manufacturer to receive this award every year since its inception.

Committed to Service

We back our motor homes with the industry's best service after the sale.

• 12-month/15,000-mile basic limited warranty
• 36-month/36,000-mile warranty on structure
• Standard 10-year limited parts-and-labor roof skin warranty
• Complimentary 24-hour roadside assistance program
• TripSaver Fast Track Parts. TripSaver guarantees that in-stock warranty parts ship directly to your dealer within 24 hours.
• National dealer service network

WIT Club

Winnebago owners are like family. Joining the Winnebago-Itasca Travelers is a great way to meet and travel with other Winnebago enthusiasts. Members enjoy:

• Caravans and rallies
• Local and state group activities
• RV travel benefits

Visit us on the web for more info on all of our motor homes, the latest product updates and a host of web-exclusive content.
Step inside and you’ll know right away why the Winnebago Adventurer® is the perfect coach for you. It surrounds you with premium amenities and features that enhance your motor homing experience and take you on countless adventures. A spacious interior welcomes you with a 7’2.5” ceiling and SmartSpace™ design elements that make the most of the available space. Stylish features like beautiful cabinetry, Corian® solid-surface countertops and available UltraLeather™ furniture make the Adventurer a coach you will call home for years to come. Get smart and get comfortable in a 2008 Winnebago Adventurer.
Eat well

Start or end every adventure with a hearty meal. The galley offers a full complement of appliances to prepare any feast, including a microwave/convection oven with a range fan and a three-burner range top with a high-output burner to help speed cooking time. Choose the available oven for added baking flexibility or go with the standard cabinet drawers for extra storage.

A large pantry comes standard and you can upgrade to a large four-door refrigerator/freezer with icemaker for even more cold storage. Enjoy residential comforts with standard premium amenities such as Corian solid-surface countertops, a decorative stove backsplash and indirect ambient lighting. The stainless steel sink is sized to accommodate large pots and pans, and features a Corian sink cover for added countertop space. There’s even a separate faucet directly from the water purification system for filtered, crystal-clear water on demand.

Depending on the model you select, you’ll have the choice of a freestanding table with drop leaves or the BenchMark® full comfort dinette.

The icon designates a Winnebago Industries Key Feature. For further in-depth information and photos, use the Drop-down Menu or click on the ‘Key Features’ page at winnebagoind.com.
Relax like you mean it in the 2008 Adventurer. The entertainment center boasts a large flat-panel TV, Home Theater Sound System, DVD player and an available King-Dome® RV digital in-motion (NA 37B) or automatic satellite dish. An available 600-watt inverter powers the entertainment center when a shoreline or generator source is unavailable.

The Adventurer has everything you need to feel at home, including plush furniture with available UltraLeather, an available Euro Chair and even an available electric fireplace in the 38T. The Home Comfort Plus package comes standard with an auxiliary automotive heater, roof vents with power lift and a remote wall switch, and a heat pump that warms your coach without using the LP furnace. You can also perfectly adjust the light and privacy levels with day/night pleated shades.

Relax in comfort while you watch your favorite programs from the available Euro Chair (38T shown).

This multi-position lounge glides from a couch to a recliner with ottoman to a comfortable bed at the touch of a button.

This hoop-base lounge chair, shown here with available UltraLeather, rocks, reclines and can be moved to your favorite spot when your Adventurer is parked.
A BETTER BEDROOM

The bedroom offers so much more than a great night’s sleep with a 20” TV (24” TV on 37B) that readily connects to the available satellite system and a stereo system with AM/FM radio, CD/DVD player and an alarm clock. The bedroom stereo also offers an auxiliary input for your MP3 player.

The walk-around queen-size bed flips up to reveal a large storage area that complements the wardrobe and storage cabinets.

Of course, you’ll sleep soundly in the available Sleep Number® bed. It’s even available in king-size on the 35L. Wall-mounted lamps and under-cabinet lighting provide the perfect ambiance for reading a good book before retiring. Wake up with a refreshing shower that maintains a constant temperature even if the water pressure fluctuates, thanks to the Moen Posi-Temp® valve.

Wall-mounted lamps and under-cabinet lighting provide the perfect ambiance for reading a good book before retiring. Wake up with a refreshing shower that maintains a constant temperature even if the water pressure fluctuates, thanks to the Moen Posi-Temp® valve.
Driving a full-size Class A motor home has never been easier, thanks to a cockpit that conveniently places controls and features such as the standard rearview monitor and map light(s) within easy reach. The available sideview cameras activate with the turn signal and display on the dash-mounted monitor for added peace of mind when turning and maneuvering.

UltraLeather cab seats and a six-way power driver’s seat come standard for a more comfortable ride. Power sunvisors adjust at the touch of a button.

The RV Radio® includes AM/FM stereo, CD player, weather band and an auxiliary input for your iPod/MP3 player. For added versatility, the RV Radio comes with two remotes – one handheld and one on the steering wheel. Upgrade your RV Radio with the available Sirius® Satellite Radio package, which comes with a free six-month subscription. Sirius brings you 130 channels of crystal-clear programming.

Service Center
All your plumbing connections are found in this convenient service center. A winterization system is standard making storage prep a snap.

QuickConnect®
The QuickConnect coupling valve provides quick, clean and easy connection to the dumpsite.

Exterior Entertainment Center
Bring your entertainment outdoors with the exterior entertainment center, which includes AM/FM radio with remote, CD player, speakers, 12-volt powerpoint and 110-volt outlet.

QuickPort®
The QuickPort hatch in the service center allows hookups to stay connected even when the bay door is closed.

QuickConnect®
The QuickConnect coupling valve provides quick, clean and easy connection to the dumpsite.

Geared for gear
The Adventurer is an incredibly user-friendly motor home thanks to its large cargo capacity and thoughtful features that maximize storage and minimize setup at the campsite. There is plenty of basement storage for all of your gear and it’s always easy to access using the StoreMore® slideout system. StoreMore allows storage bays to extend with the slideroom so you don’t have to crawl on your hands and knees to get what you need.

Plumbing hookups are made easy with color-coded labels in an organized service center. In addition to sewage connections, you’ll find a wash station for quick clean-ups. There is also a second switch for the leveling jacks for added convenience. Other features include a 5,000-lb. hitch, breakaway mirrors and a large awning for instant shade.

WEB STORE MORE
Accessing your items in the basement storage compartments is never a hassle, thanks to the StoreMore slideout system that allows storage bays to extend with the slideroom.

WEB
Raise and lower the hydraulic jacks from any of three convenient locations. Do the job from the driver’s seat or step outside and use the controls at the entrance door or service center to watch the jacks as you lower them. No hassle. No guesswork. Just a level coach at your convenience.
Note: Dimensions shown are for sleeping space only and may vary due to styling differences. Dashed lines denote overhead storage areas.

Visit us on the web for more info on all of our motor homes, the latest product updates and a host of web-exclusive content.
Winnebago motor homes are built by Winnebago Industries, the company that defined motor homes. The company that built its reputation on quality construction. The company that transformed the motor home concept into a way of life.

Today, Winnebago Industries brings that reputation for quality and its 49-year history of motor home innovation to the design and construction of every motor home. It’s all a part of SuperStructure®, our exclusive system of proprietary structural components that instills each motor home with improved strength and durability.

**Solid Foundation** Steel and aluminum truss work provides a solid, flat foundation for the floor and sidewalls. Winnebago Industries engineers also take special care to distribute the weight of components to ensure proper handling and stability.

**Interlocking Joints** The floor, sidewalls and roof are all integrally connected using interlocking joints. This creates a coach body that acts as a cohesive unit for improved strength and durability.

**E-Coating** Winnebago Industries employs an exclusive 12-stage automotive-style dip tank process to apply an advanced electrodeposition coating on critical steel components for superior corrosion protection.

**Thermo-Panel® Sidewalls** Invented by Winnebago Industries, Thermo-Panel construction combines a fiberglass panel, high-density, block-foam insulation and aluminum support structures to create some of the most durable, lightweight sidewalls in the industry.

**Attention to Detail** Whether it’s sending every coach through a high-pressure water tunnel to check for leaks or labeling each individual wire and bar-coding parts to save time and frustration during service, Winnebago Industries considers every detail to ensure your Winnebago motor home provides you with years of pleasure.

**Strong as Steel** Appliances are secured directly to embedded steel plates for added safety. Windshields are also mounted in steel with an automotive-style sealant; lesser designs use a rubber gasket to mount the windshield in fiberglass.

**Fiberglass Roof** The Adventurer features a crowned, one-piece fiberglass roof, backed with a 10-year limited parts-and-labor roof skin warranty. Fiberglass offers superior strength, attractiveness and durability over the rubber roofs found on many competitive models which can chalk, streak and degrade over time. Fiberglass also provides increased puncture and tear resistance.

---

**Take a Tour** We’re proud of our process, state-of-the-art facilities and the people who make Winnebago Industries number one. We invite you to visit our factory in Forest City, Iowa, for a first-hand look at the dedication and technology behind every motor home we build.

**Recognized Quality** The Recreation Vehicle Dealer Association annually rates RV manufacturers and awards the Quality Circle award to manufacturers who provide exceptional products, service and support. Winnebago Industries is proud to be the only manufacturer to receive this award every year since its inception.

**Committed to Service** We back our motor homes with the industry’s best service after the sale.

- 12-month/15,000-mile basic limited warranty
- 36-month/36,000-mile warranty on structure
- Standard 10-year limited parts-and-labor roof skin warranty
- Complimentary 24-hour roadside assistance program
- TripSaver Fast Track Parts. TripSaver guarantees that in-stock warranty parts ship directly to your dealer within 24 hours.
- National dealer service network

**WIT Club** Winnebago owners are like family. Joining the Winnebago-Itasca Travelers is a great way to meet and travel with other Winnebago enthusiasts. Members enjoy:

- Caravans and rallies
- Local and state group activities
- RV travel benefits
