Now Entering New Territory

Living life on the road shouldn’t mean forgoing comfort for a reasonable price. With the 2008 Bay Star, you don’t have to. Built with Newmar craftsmanship, the Bay Star offers value pricing. A host of amenities and contemporary good looks. All allowing you easy—and stylish—entry into the world of Class A motorhome travel.
How Life on the Road was Meant to Be

The 2008 Bay Star was designed for adventure. A spacious cockpit, a welcoming living area and an efficient kitchen are equipped with an array of features sure to enhance any journey.
PULLOUT PANTRY
The pullout pantry provides easy access to items stored in the cupboard.

YOUR VERY OWN CAFÉ
The Bay Star booth dinette provides a cozy area for eating meals or enjoying other activities.

ROOM FOR EVERYONE
When it’s time for bed, the booth dinette and standard Flexsteel® sofa both convert into extra sleeping accommodations.

FRONT-ROW ENTERTAINMENT
In the overhead cabinet, a 24-inch flatscreen color TV offers entertainment options for those onboard.

YOUR BAY STAR KITCHEN
The Bay Star kitchen isn’t just beautiful—it’s functional, too. Plenty of cabinet space allows you to stock up on your favorites. And the easy-cleaning, laminate countertop with a flip-up extension gives you extra working space.

FIRST-CLASS COOKING
Built-in appliances, including a Norcold® eight-cubic-foot refrigerator, microwave oven and three-burner range, let you prepare quality meals quickly and easily, wherever you go.
At the end of a long day, nothing is more inviting than the Bay Star bedroom. The queen bed with a sweeping fabric headboard and a tufted mattress decorated with a quilted bedspread, shams and accent pillow offers complete comfort for total relaxation.

OPTIONAL BEDROOM TELEVISION
When you’re not quite ready for sleep, the optional 20-inch color television in the bedroom is ready to entertain.

BEDROOM AMENITIES
Generous cabinets include a wardrobe with mirrored doors to store your belongings.

BATHROOM AMENITIES
Thoughtful conveniences in the bathroom include laminate countertops and additional drawers in the vanity area for convenient storage.
The Scenic Route Never Looked so Good

When it's time to hit the road, you'll enjoy the Bay Star's cockpit, as it is filled with amenities to enhance your travels. The comforts of optional Ultraleather driver and passenger seats. A tilt steering wheel with cruise control buttons at your fingertips. And a rearview monitor system with audio offers convenient viewing.
ONE-PIECE WINDSHIELD
In the front, the new Bay Star badge is prominently displayed under the large, one-piece windshield, which provides an uninterrupted view of your surroundings.

SPACIOUS STORAGE
Stow all your favorite travel gear in this roomy exterior storage compartment, complete with interior lighting and a cargo liner.

NEWMAR CONSTRUCTION
The 2008 Bay Star is unbeatable with its striking Full-Paint Masterpiece Finish and Diamond Shield Front Protective Film. Constructed with Newmar's high-quality craftsmanship, it has a roof R-value of 16 and sidewall and floor R-value ratings of 11.
**On-center Framing**

Just like a fine site-built residential home, your Newmar home is framed 16 inches on center, which allows the best placement of outlets, switches and other components.

**Sikaflex®**

Used throughout Newmar construction, Sikaflex elastic adhesive is one of the strongest bonding agents on the market today. It also serves as a sealant against air and water. And it helps dampen both sound and vibration.

**Protected C-channels**

To keep the electrical wiring that runs through holes in the aluminum-frame C-channels from chafing, each hole is ringed with a rubber grommet.

**Newmar Express Limited Warranty**

Every Bay Star Gas Motorhome is backed by Newmar’s one-year limited warranty/unlimited miles. Ask your Newmar dealer for details.

---

**CEILINGS: R-VALUE = 16**

a. BriteTEK™ Roof  
b. 9mm Wood Decking

m. Fiberglass Batten Insulation  
n. 1/2" Plywood Exterior Wall  
o. Composite One-piece  
p. 16" On-center Aluminum Framing with 3/4" Header

**FLOORING: R-VALUE = 11**

q. Carpet/Tile  
r. Carpet Padding  
s. 3/8" Floor Decking  
t. Fiberglass Batten Insulation  
u. 2" x 3" Wood Framing  
w. Polyethylene Moisture Barrier  
x. Aluminum Ducting

**Newmar Total Comfort™ Central Air Conditioning**

Experience RV air conditioning just like that found in site-built homes. Newmar’s Total Comfort Central Air Conditioning is actually two separate, fully ducted systems: one to distribute incoming cool air, the other to quickly and effectively remove warm air from every living area.

**The Limited Five-Year Structural Warranty**

If any part of your Newmar recreational vehicle superstructure (which is the steel/aluminum structure of the sidewall, roof or frame) fails to perform properly within five years, from the date of purchase, due to faulty workmanship or material supplied by Newmar, it will be repaired without charge for either parts or labor by Newmar. This structural warranty is available only to the original purchaser and is non-transferable.
The Newmar Touch

We craft every motorhome with a special attention to detail, no matter how small or large. From the feel of the fabric, to the smooth touch of the custom-built cabinets, to our selection of color options. Every little detail and finishing touch contributes to the overall style and comfort of each motorhome. Whether you look from afar or study them up close, you’ll notice the Newmar difference.

WOOD FINISHES & INTERIORS

a. Aspen Green Color Scheme with vinyl flooring
b. Montego Blue Color Scheme with vinyl flooring
c. Sunset Tan Color Scheme with vinyl flooring
d. Tucson Oak Cabinetry, Standard
e. Maple Cream Cabinetry, Optional

ASPLEN GREEN  MONTEGO BLUE  SUNSET TAN

Some features shown in our literature are optional. Colors and finishes are photographic representations. The actual materials may look different. Prices, specifications and floorplans are subject to change at Newmar’s discretion; without prior notice or obligation. Please see your dealer for actual samples and specifications.
Standard Features

¹ Lengths do not include the rear ladder.

* Specifications are supplied by chassis manufacturer.
* GAWR: Gross Axle Weight Rating is the maximum permissible weight for an axle.
* GVWR: Gross Vehicle Weight Rating is the maximum permissible weight of a fully loaded motorhome.
* GCWR: Gross Combination Weight Rating is the value specified by the manufacturer of the vehicle as the maximum allowable loaded weight of this motorhome and any towed trailer or towed vehicle.
* UVW: Unloaded Vehicle Weight is the weight of the motorhome as built at the factory with full fuel, engine oil and coolants. The UVW does not include cargo, fresh water, LP gas or dealer-installed accessories.
* NCC: Net Carrying Capacity is the maximum weight of all occupants, including the driver, personal belongings, food, fresh water, waste water, LP gas, tools, tongue weight of towed vehicle, dealer-installed accessories, etc., that can be carried by the motorhome.
When You Know the Difference

At Newmar, we do more than just manufacture RVs. We enhance the RV lifestyle for our customers—in everything we do. From the luxury and details we proudly build into our products, to providing responsive customer service and support. From developing industry-leading innovations, to staying loyal and true in our everyday business practices. These are our values; this is the Newmar difference.

As we celebrate 40 years of high-quality Amish craftsmanship, we look forward to many more years of building products that exceed your highest expectations and deliver the durability and quality that sets us apart from everyone else.
