When faced with different choices in life—including which motorhome to choose for all your journeys—make your decision a grand one. The brand-new 2008 Grand Star is a unique motorhome that's all about choices and versatility—it's available as a gas or diesel model. And the Grand Star comes with a multitude of features and options you'd expect from a diesel but at a cost that's well within a comfortable gas price range. So now you can have it all. A motorhome equipped with all the appointments you could want—at a great value—and built with Newmar's dependability and high quality. Isn't life grand?
Making Life on the Road a Grand Experience

The Grand Star lets you hit the road with everything you need for your travels. From a living area with a full wall slide to a living area with opposing slideouts, it offers plenty of room. The Grand Star also offers comfortable Flexsteel® furniture for lounging, an LCD television and DVD/VCR player for hours of entertainment and a kitchen filled with amenities for first-class cooking.

Shown in 3305 floorplan with Aquamarine Decor and Oak Cabinetry.
YOUR VERY OWN CAFE
The round dinette table with two fixed chairs (and two folding chairs) sits between the entertainment center and a convenient storage hutch, providing a cozy place for eating meals or enjoying activities in the 3750 floorplan.

FRONT-ROW ENTERTAINMENT
In the living area, an overhead 26-inch LCD TV offers entertainment options for those onboard.

PULLOUT PANTRY
The pullout pantry provides easy access to items stored in the cupboard.

GRAND STAR KITCHEN
The Grand Star kitchen features stainless steel appliances, including a Dometic® refrigerator, a microwave oven and a three-burner recessed range, that let you prepare quality meals quickly and easily, wherever you go.

LIVING AREA
The setup and design for this Grand Star 3750 floorplan makes the kitchen and living room feel like two separate rooms.

NEWM006_GSCA08_Catalog-printer.qxp  5/22/07  10:45 AM  Page 5
Rest Softly, Sleep Soundly

After a long day of traveling, you deserve a haven where you can relax, unwind and get some much-needed rest. Which is just what the Grand Star’s bedroom offers, with comforts such as a tufted mattress with quilted bedspread, shams and accent pillow or an optional luxurious pillowtop mattress. And storage underneath the bed means you can bring with you those belongings you just can’t leave behind.
Behind the Wheel

The Grand Star offers all the comforts and conveniences a driver needs for commanding the road. An Ultraleather driver seat with six-way power adjustment. A tilt steering wheel. Cruise control. And a black-and-white rearview monitor system with audio for viewing your surroundings from the cockpit.
NEWMAR CONSTRUCTION

The 2008 Grand Star is unbeatable with its striking Full-Paint Masterpiece Finish™ and Diamond Shield Front Protective Film. Constructed with Newmar's high-quality craftsmanship, it has a roof R-value of 16 and sidewall and floor R-value ratings of 11.

ONE-PIECE WINDSHIELD

In the front, the Grand Star badge is prominently displayed under the large, one-piece windshield, which provides an uninterrupted view of your surroundings.

SPACIOUS PASS-THROUGH STORAGE

Stow all your favorite travel gear—from either side of the coach—in this huge exterior pass-through compartment.

NEWMAR CONSTRUCTION

The 2008 Grand Star is unbeatable with its striking Full-Paint Masterpiece Finish™ and Diamond Shield Front Protective Film. Constructed with Newmar's high-quality craftsmanship, it has a roof R-value of 16 and sidewall and floor R-value ratings of 11.
On-center Framing

Just like a fine site-built residential home, your Newmar home is framed 16 inches on center, which allows the best placement of outlets, switches and other components.

Sikaflex®

Used throughout Newmar construction, Sikaflex® elastic adhesive is one of the strongest bonding agents on the market today. It also serves as a sealant against air and water. And it helps dampen both sound and vibration.

Protected C-channels

To keep the electrical wiring that runs through holes in the aluminum-frame C-channels from chafing, each hole is ringed with a rubber grommet.

Newmar Express Limited Warranty

Every Grand Star Motorhome is backed by Newmar’s one-year limited warranty/unlimited miles. Ask your Newmar dealer for details.

Newmar Total Comfort® Central Air Conditioning

Experience RV air conditioning just like that found in site-built homes. Newmar’s Total Comfort Central Air Conditioning is actually two separate, fully ducted systems: one to distribute incoming cool air, the other to quickly and effectively remove warm air from every living area.

The Limited Five-Year Structural Warranty

If any part of your Newmar recreational vehicle superstructure (which is the steel/aluminum structure of the sidewall, roof or frame) fails to perform properly within five years from the date of purchase, due to faulty workmanship or material supplied by Newmar, it will be repaired without charge for either parts or labor by Newmar. This structural warranty is available only to the original purchaser and is non-transferable.
The Newmar Touch

We craft every motorhome with a special attention to detail, no matter how small or large. From the feel of the fabric, to the smooth touch of the custom-built cabinets, to our selection of color options. Every little detail and finishing touch contributes to the overall style and comfort of each motorhome. Whether you look from afar or study them up close, you’ll notice the Newmar difference.

AQUAMARINE BAY GOLD GRAY DUSK

WOOD FINISHES & INTERIORS

a. Aquamarine Color Scheme with flooring options (left to right): vinyl flooring (standard), simulated marble and simulated plank (shown with matching cabinetry)
b. Bay Gold Color Scheme with flooring options (left to right): vinyl flooring (standard), simulated marble and simulated plank (shown with matching cabinetry)
c. Gray Dusk Color Scheme with flooring options (left to right): vinyl flooring (standard), simulated marble and simulated plank (shown with matching cabinetry)
d. Tucson Oak Cabinetry, Standard
e. Maple Cream Cabinetry, Optional
f. Fall Spice Cabinetry, Optional
g. Ginger Maple Hardwood Cabinetry, Optional

Prices, specifications and floorplans are subject to change at Newmar’s discretion, without prior notice or obligation. Please see your dealer for actual samples and specifications.
CHASSIS FEATURES
- Freightliner® FRED Chassis with 6.0 kW Cummins Onan Diesel Generator (35'-37' Floorplans)
- Workhorse® W-22 Chassis (33' Floorplan)
- Auxiliary Heater in Bedroom

APPLIANCES & ACCESSORIES
- Three 13.0 cu. ft. Refrigerator with icemaker
- Rainier® 12 cu. ft. Four-door Refrigerator with icemaker
- One-piece Washer/Dryer®
- Washer/Dryer Prep®
- SIRIUS® Satellite Radio Capability
- (Does not include monthly subscription)
- Jerr-Dan® Mobile Service Lift

EXTERIOR FEATURES
- 150 lb. Aluminum Storage Compartment
- 4 in. Blackwood Grille
- Satin Black Bumper
- Aluminum Exterior Wall Trim
- Easton® Blackstone Fiberglass Shell
- Stainless Steel Side Skirts
- 10-gal. Fresh Water Tank with In-floor Ducted Heat
- 15-gal. FRESHFLO® Water System

ELECTRICAL FEATURES
- 600 Watt Inverter for Living Area or Bedroom TV
- 12 Volt Auxiliary Receptacle on Dashboard
- 12 Volt Exterior Receptacle
- 12 Volt House Batteries
- 200 Amp Fuse Panel
- Battery Disconnect Switch
- Lifts on Bed Top to Access Storage Area
- Water Filter for Entire Unit
- Water Pump Switches Located in Bathroom and Kitchen
- Exterior Shower
- Shallow Mount Slideout Tracks
- Pop-Out Pantry with Adjustable Shelves
- Rollout Pantry with Built-in Bin System
- Refrigerator with Wood Seat and Spray Attachment
- Two 360° Rear Camera Monitors
- Front Protective Film
- 24-volt 200-watt Solar Panel
- 15-amp Converter
- Daytime Headlight System
- Emergency Start Switch
- Fluorescent Ceiling Lights in Living Area
- In-cabinet Lighting in Bathroom, Bedroom and Under Overhead Cabinets
- Lighted Wardrobes
- Manually Operated Hand-to-Run Slideout Switch
- Fan-Tastic® Vent in Kitchen and Bathroom Area
- Door Entry to Slideout and Bath Area
- Entry Door with Automatic Triple Step
- Entrance Door with Remote Control
- Entrance Door with Overhead Ventilation System
- Interior Courtesy Lights
- Exit Door with Wood Seat and Spray Attachment
- Onan Diesel Generator (35’-37’ Floorplans)
- Freightliner® FRED Chassis with 6.0 kW Cummins Onan Diesel Generator (35’-37’ Floorplans)
- Workhorse® W-22 Chassis (33’ Floorplan)

### Workhorse™ Chassis Information

*Lengths do not include the rear ladder.

* Specifications are supplied by chassis manufacturer.

**GAWR**: Gross Axle Weight Rating is the maximum permissible weight for an axle

**GVWR**: Gross Vehicle Weight Rating is the maximum permissible weight of a fully loaded motorhome and any towed trailer or towed vehicle.

**GCWR**: Gross Combination Weight Rating is the maximum permissible weight of a fully loaded motorhome and any towed trailer or towed vehicle.

**UVW**: Unloaded Vehicle Weight is the weight of this motorhome as built at the factory with full fuel, engine oil and coolants. The UVW does not include cargo, fresh water, LP gas or dealer-installed accessories.

**NCC**: Net Carrying Capacity is the maximum weight of all occupants, including the driver, personal belongings, food, fresh water, waste water, LP gas, tools, tongue weight of towed vehicle, dealer-installed accessories, etc., that can be carried by the motorhome.
When You Know the Difference

At Newmar, we do more than just manufacture RVs. We enhance the RV lifestyle for our customers—in everything we do. From the luxury and details we proudly build into our products, to providing responsive customer service and support. From developing industry-leading innovations, to staying loyal and true in our everyday business practices. These are our values; this is the Newmar difference.

As we celebrate 40 years of high-quality Amish craftsmanship, we look forward to many more years of building products that exceed your highest expectations and deliver the durability and quality that sets us apart from everyone else.
