LEXINGTON GTS 283TS - CHERRY / RUSSET

LEXINGTON GTS

Lexington’s Grand Touring Series is luxury living at its best. The Lexington GTS features vinyl soft-touch ceilings with glass light fixtures and LED bulbs. Corian® countertops, flush mount range top, a residential faucet, and convection microwave highlight the GTS kitchen. Not to be outdone, the Lexington GTS bedroom offers a standard Serta® pillowtop mattress and cedar-lined wardrobes.
FEATURES

1. The Lexington offers an optional back-up camera with a 7” color monitor. Putting the monitor in the rear-view mirror allows you to keep your eyes on the road ahead. The separate monitor also allows you to use your radio or GPS while still using the camera.

2. All Lexingtons feature a 7” touch-screen radio. The radio offers AM/FM, CD and DVD playback, USB, AUX, weatherband and Bluetooth standard. The radio also offers the option of an iPod connector and in dash GPS.
LEXINGTON

All Lexingtons feature compact, streamlined characteristics. Compared to traditional Class C motorhomes, and some other “B+”s, the Lexington features curved sidewalls, a narrower body, shorter height and no over-cab bed to obscure your view. This gives the Lexington superior handling and a much more refined look.

**PRE-DELIVERY INSPECTION FACILITY**
20,000 square feet of quality assurance. The bare essentials for a premium product. This state-of-the-art facility gives immediate daily feedback to production for quality assurance in every unit built.

1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.

2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!

3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.

4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations.
