RUSH HOUR

COUNTERTOPS

29H | RUSH HOUR | SYDNEY MAPLE
Taking the extra time to ensure the best possible structure is exactly what you deserve, and this is why Thor Motor Coach insists on vacuum-bond laminating not only the sidewalls of the motorhome, but also the floor and roof. Vacuum-bonding is the optimum manufacturing process to ensure multi-layer integrity.

TRITON® V10 ENGINE
The 6.8L V10 engine has a proven track record of durability and low-hassle maintenance. Extremely smooth running with a commanding 305-horsepower and 420 lb.-ft. of torque.

TORQSHIFT® 6-SPEED AUTOMATIC TRANSMISSION
Provides crisp, firm and quick shifting without sacrificing driver comfort.

TWIN I-BEAM FRONT SUSPENSION
Provides a comfortable ride by allowing the front wheels to work independently of each other, reducing driver stress.

POWER 4-WHEEL DISC ANTI-LOCK BRAKE SYSTEM
Maintains brake balance in heavy use and varying road conditions. Reduces wheel lock up and helps maintain superior steering control.

LIMITED WARRANTY
The Ford® Motorhome Chassis has a Bumper-to-Bumper Limited Warranty for 3 years or 36,000 miles and a Powertrain Limited Warranty for 5 years or 60,000 miles, whichever comes first.

3TRAX™ is our in-wall slideout system, housing all the moving and mechanical parts within the sidewall of the motorhome. This triple track design supports large rooms, like those found in full-wall slideouts, ensuring simple, reliable, maintenance-free operation. What sets 3TRAX™ apart is the patented rail system, in-floor roller guides and electric motor design. For more information, visit thormotorcoach.com/3TRAX.

IT’S NEVER BEEN THIS EASY.

Whether you choose a Class C or Class A Outlaw, you can entertain or relax on your own ultimate patio deck. Safety railings line the edges of the deck for peace of mind while the garage radio with Bluetooth® lets you enjoy the big game or your favorite tunes!
IMPORTANT–PLEASE READ:

This brochure reflects product design, fabrication, material, components and specifications at the date of printing, which date is disclosed below. Please visit us online at ThorMotorCoach.com or consult with your selling dealership for the latest in standards, options, specification and technical information. Photographs in the brochure may depict optional equipment or may only be available in certain floor plans. Components, appliances and the chassis may have been manufactured in a calendar year before the vehicle’s designated model year. All capacities are approximate. The actual length of the vehicle may differ from that indicated in the brochure due to variances in the manufacturing processes and/or installed components. All dry weights are based on standard model features and do not include optional features or equipment. Component part and appliance manufacturers issue limited warranties covering portions of the vehicle not covered under the limited warranty we issue.
