

Ultrasport

Ultrasport Class A • By Damon Corporation

Ultrasport. The ultimate in Class A livability.

Go ahead. Indulge yourself. You've earned it. The Ultrasport Class A Motorhome from Damon Corporation. Loaded with amenities and luxurious styling. Truly a feast for the senses. But without the high price tag of comparable units from other manufacturers.

Quality must begin with a solid foundation. The Ultrasport is no exception, beginning with a superior chassis. Sidewalls are constructed of aluminum-framed laminated fiberglass and a vacuum-bonding process that provides greater structural stability and adhesion.

Inside, you'll discover deluxe furniture throughout. And in the galley, exquisitely crafted solid oak cabinet doors and a padded dinette. Add a microwave oven; three-burner, high-output cooker; flush-mounted double-door refrigerator; and large double-bowl porcelain kitchen sink, and you'll be set to tackle everything from a simple snack to a five-course dinner.

A queen-size bed accentuated with decorative-colored bedspread, headboard and drapes creates a restful master bedroom. Plus, a skylight in the bathroom gets everyone off to a fresh morning start.

Soft designer fabrics reflect sea splashes and earthen tones, starting with the deep comfort of the upholstered chairs. In addition, the water heater and furnace are stored under the floor, thereby lessening noise and freeing up storage in the kitchen cabinets.

Complimenting the rich interior are deluxe exterior graphics. Black-trimmed entrance doors, radius

corner windows, and full front and rear fiberglass caps all contribute to the aerodynamic qualities of the vehicle.

There are four new Ultrasport floor plans for 1996: 30 ft., 34 ft., 38 ft. with tag and a 36-ft. rear diesel with 22 inch tire-and-air suspension. Innovative designing accommodates a 100-gallon fresh-water tank, and approximately 140 cubic feet of storage for all models.

The coach's wide body, coupled with a full base-ment, will give you the confidence that you've picked a winner. So hurry down to your nearest dealer for unsurpassed value. Ultrasport: your passport to unparalleled luxury.

(Left) Cooking seems more like a pleasure than a chore in the Ultrasport galley, with oak-edge countertops and solid oak cabinets doors, plus bright white sink and accents.

(Lower left) With all this storage, you and your family can really stock up for those long trips. (Right) Plush captain's chairs and sleek, stylish dash make you never want to give up the driving detail. (Above) You won't think it can get any better than this. Whatever your pleasure – from relaxing to driving – you'll enjoy it best in the Ultrasport.

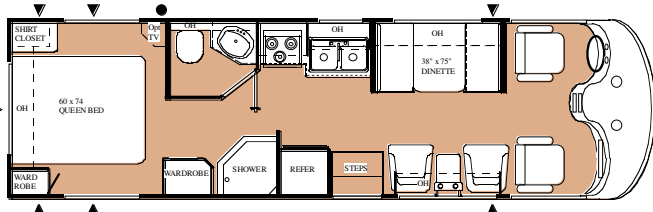

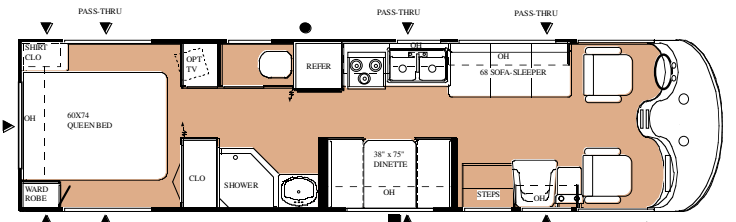

(Left) The “L” sofa arrangement in this floor plan, model 3520 with Botanical decor, is great for playing games, watching TV or relaxing with family and friends. (Above) Whichever Ultrasport floor plan you choose, you’ll be assured of comfort and convenience. This floor plan was just made for entertaining. (Below) Wind down in this cozy, comfortable master bedroom, with coordinating bespread, valances and curtains. Soft lighting casts a nice glow on the warm cabinets which provide convenient storage for all of your belongings.
