Meet the new Fleetwood generation.

NAME: The Ventures
AGE: Part of the Fleetwood family for 25 years
OCCUPATION: Ad: High School Football Coach   Jackie: Nurse
OUTLOOK ON LIFE: “Life is full of challenges. Raising a family, building our careers, taking care of a ton of everyday details like fixing a leaky pipe or working late at night on a game plan. But what we’ve never forgotten is to make time for ourselves, get together as a family and go exploring. Spend some time fishing, rafting, hiking. Or our favorite, having a barbecue with friends and just simply relaxing at the campsite. You can’t beat that.”

MOTTO: “Always set an extra place at your picnic table—you never know when a friend will stop by.”

MOTOR HOME: Fleetwood BOUNDER®

Meet the new Fleetwood BOUNDER®.

NAME: BOUNDER®
PURPOSE: The perfect RV for your fun, family and friends
SPECIFICATIONS: 6 floor plans—31’ to 36’ models available • Royal Tuff-Ply™ roof • Rack and pinion slide-out system • Two chassis options—6.8L Ford® or 8.1L Workhorse® • Power Platform construction • Vacubond constructed walls, ceiling and floors • Tuff-Coat™ high-gloss fiberglass exterior • Radius roof with flat interior ceiling • Reflective exterior safety graphics
STANDARD FEATURES: Three distinct decor packages • Two woodgrain choices • Power entry step • Convenient flip-up dash • Hi-Fi VCR • 20” Panasonic® TV • Electronic Climate Control • Dual-pane windows • Solid surface countertops • 10-gal. gas/electric hot water heater • 22” 3-burner high-output cooktop with oven • Microwave • 8-cu. ft. Dometic® refrigerator • Plus many safety features
MOTTO: “BOUNDER®—The motor home that really works.”
America’s Number-One-Selling Motor Home®

*According to Statistical Surveys, Inc.– May 2001
Our EZ Store™ storage system was developed using a rack and pinion system to give you the utmost ease in accessing your stored gear below.

Our engineering may set us apart from the rest, but the things you’ll notice most when you and your family take a trip, are the top-of-the-line features. Here are but a few of the items that make life on the road with Bounder memorable.

Front entertainment center with 20" Panasonic® color TV and standard Hi-Fi VCR are just some of the many Bounder features.

2002 Bounder Features

For additional kitchen counter space, simply pop up and secure the countertop extension. Now there's even more room to prepare and serve your favorite meals. (36U only)

An Electronic Climate Control system, with dual A/C controls, enables a separate climate in the front and rear of the coach. (Optional on 31W and 32H)

Every Bounder comes prewired for an optional Winegard® satellite dish.

Fill Bounder up on either side of the pump with a rear fuel-fill location, especially convenient when towing a vehicle.

Rotocast polyethylene storage compartments are non-corrosive to prevent rusting.

A drip rail molding on both sides of the coach guides roof water run-off to the front and rear, away from openings and sidewalls.

Practical, single die-cast metal paddle latches are flush-mounted for a luggage door system that's durable and easy to operate.

Anti-wicking process, on all of Bounder's openings and windows, includes multiple seals for prevention of leaks and moisture buildup.

Our swing-down engine access door makes it easy to check Bounder's fluid levels and electrical panel.

The large optional Norcold® four-door refrigerator holds plenty of your favorite food and drink items. Textured finish doors swing wide for easy access and the metal front panel inserts allow you to post all the things to do with a few magnets.

Bounder's 5.5kW ultra-quiet Onan® Gold generator (standard on 33R, 34D, 36S and 36U) offers dependable 110V electrical power at a moment's notice regardless of location or the task at hand. Hook-ups are easily accessed and color coded for quick set-up.

Our EZ Store™ storage system was developed using a rack and pinion system to give you the utmost ease in accessing your stored gear below.
2002 Specifications

The Power Platform Makes the Difference

Bounder’s quality begins long before the features come on board. We begin by building on our exclusive Power Platform, with Paco® Beam, a unique truss design welded together using tubular steel that’s durable, strong and dependable. The result is a quiet, and nearly flawless ride, strong floor, and plenty of storage space below. An all-steel foundation further reduces stress loads on the sidewalls and minimizes chassis flex on uneven roads.

### Dimensions and Capacities

| Overall Length (5)| 31' 10"| 32' 10"| 33' 10"| 34' 10"| 36' 10"| 36' 10"|
| Overall Height (with A/C) (8)| 11' 8"| 11' 8"| 11' 8"| 11' 8"| 11' 8"| 11' 8"
| Overall Width (maximum) (6)| 102"| 102"| 102"| 102"| 102"| 102"
| Interior Height (maximum)| 79"| 79"| 79"| 79"| 79"| 79"
| Interior Width (maximum)| 96"| 96"| 96"| 96"| 96"| 96"
| Fresh Water Holding Tank (gal)| 100| 100| 100| 100| 100| 100
| Grey Water Holding Tank (gal)| 58| 58| 58| 58| 58| 58
| Black Water Holding Tank (gal)| 42| 42| 42| 42| 47| 42
| Appliance LPG Tank (gal) (WC) (7)| 25| 25| 25| 25| 25| 25
| Water Heater Tank (gal)| 10| 10| 10| 10| 10| 10

### Liquid Weight Reference

- Water (gal) = (8.3 lbs/3.8 kgs)
- Fuel (gal) = (6.1 lbs/2.8 kgs)
- LPG (gal) = (4.5 lbs/2.0 kgs)

### Metric Conversion

Multiply pounds x 0.453 to obtain kilograms
Multiply gallons x 3.785 to obtain liters

1. GVWR (Gross Vehicle Weight Rating): Means the maximum permissible loaded weight of the motor home. The GVWR is equal to or greater than the sum of the unloaded vehicle weight plus the net carrying capacity.
2. GAWR (Gross Axle Weight Rating): Means the maximum permissible loaded weight a specific axle is designed to carry.
3. Base Weight: Means the weight of the motor home without fuel, options, water, cargo or passengers.
4. GCWR (Gross Combined Weight Rating): Means the value specified by the motor home manufacturer as the maximum allowable loaded weight of this motor home with its towed vehicle. Towing and braking capacities may differ. Refer to Fleetwood and chassis manufacturer manuals for complete information.
5. Overall length measured from forward most body point or bumper to rear bumper or rear most body point. Add 3" for roof access ladder.
   Add 6½" for spare tire on Workhorse® chassis on 31W and 32H models.
6. Excludes safety equipment and awnings.
7. Tank Manufacturer’s listed water capacity (WC). Actual LPG capacity is 80% of water listing as required by the safety code.
8. Add 4" for Workhorse® chassis.

*The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing.

**IMPORTANT — PLEASE READ:** Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at www.fleetwoodrv.com or contact your local Fleetwood dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Fleetwood has designed its recreational vehicles to provide a variety of uses for its customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e. occupants, equipment, fluids, cargo, etc.) to ensure that the vehicle’s capacities are not exceeded.
2002 Standard Features

**Appliances**
- Front 20” Panasonic® TV in Overhead
- Smoke Detector/Alarm
- LPG Detector/Alarm
- CO Detector/Alarm
- 10-Gallon, Quick-Recovery Gas/Electric Water Heater with D.S.I.
- 22” 3-Burner, High-Output Cooktop with Oven
- Light/Power Range Hood
- Folding Range Cover
- Dual Roof A/C High Efficiency with Solar Panel on Front A/C (Optional on 31W & 32H)
- Water Heater Bypass System
- Marine Toilet with Water Saver
- Toilet Tank San-T-Flush™ System
- 1-cu. ft. Microwave
- 8-cu. ft. Dometic® Double-Door Refrigerator
- Single-Lever Galley Faucet
- Water Filter with Faucet
- Demand Water Pump with Filter
- Power Bath Vent
- Fan-Tastic® Power Roof Vent in Galley
- Fire Extinguisher
- Telephone Jack in Dash and Bedroom
- Panasonic® Hi-Fi VCR/VHS
- Rear Speakers in Bedroom
- Monitor Panel in Dash

**Body Structure**
- Vacubond Upper/Lower Floors and Ceiling
- Vacubond Walls with Smooth, High-Gloss Exterior Fiberglass
- Interlocking Aluminum Extrusions
- Aluminum Floor/Wall/Ceiling Framing
- Radius Roof with Ducted A/C—Flat Interior Ceiling
- Royal Tuff Ply™—TPO Exterior Roof
- Power Platform

**Electrical**
- Dual Patio Receptacles
- 120V/12V AC/DC Converter Central Electrical Panel
- 120V/12V Wire Raceways
- 3-Way Water Pump Switching
- 4.0kW Onan® Generator (Models Under 33 ft.)
- 5.5kW Onan® Generator (Models 33 ft. or Over)
- 30-amp Service
- Wall Switches

**Electrical (cont.)**
- Dual 6V/Deep-Cycle 218-amp House Batteries
- Electronic Climate Control Systems (33 ft. and over)
- Full Fiberglass Front Cap
- Swing-Down Engine Access Door
- Rotocast, Front Quarter Panels
- Rotocast, Rear Wheel Well Trims
- Aerodynamic Bus Styling
- 4-Point Manual Hydraulic Leveler System
- Entry Door with Deadbolt Latch
- Dual-Pane Windows
- Fiberglass Rear Bumper
- Aluminum/Painted Front Grille
- Utility Compartment with Exterior Shower
- Roof Ladder
- Exterior Entry Assist Handle
- Heated Remote-Controlled Rear View Mirrors
- 20’ Sewer Hose
- Park Cable Receptacle
- Awning Rail/Drip Molding (Both Sides)
- Power Entry Step
- Dual Battery Charge Control
- Spare Tire
- Porch Light
- 3 Colorway Graphics to Match Decor

**Exterior Automotive**
- Large, Curved Aerodynamic Bonded Windshield
- Undercoating
- Stainless Steel Wheel Simulators
- Underhood Utility Light
- Steel Surface on Bunkhead
- 5000 lb. Trailer Hitch with 7-Point Electrical Hook-Up*
- Large, Single Headlamps with Turn Signal
- Rear Vision Camera with Audio (Standard on Models 33 ft. and Over)
- Windshield Wipers with Wet Arm

**Exterior Storage**
- Insulated Luggage Doors
- Single Paddle Latches
- Continuous One-Piece Bulb Seal
- Lighted Compartments
- Steel Seal Frames
- Rotocast Luggage Compartments (Fiberglass in EZ Store™)

**Exterior**
- 3 Interior Decors
- Living Room Slide-Out—Dinette and Sofa
- Skylight in Tub/Shower
- Wall-to-Wall Nylon Carpet with Carpet Pad
- Vinyl Floor Covering (Galley & Bathroom)
- Wood Drawers
- Roller Guide Drawer Slides with Transit Ship Locks
- Radius Corner Cabinetry
- Brass Finished Cabinet Hardware
- Day/Night Shades
- Bedspread with Decor Pillows
- Restonic® Innerspring Mattress
- Two Wood Choices
- Window Coverings
- Trash Basket in Galley
- Molded Tub/Shower with One-Piece Enclosure
- Residential Seat Styling
- Entry Rail
- Raised Panel Cabinet Doors
- Wood Flat Panel Base Cabinet Doors
- Adjustable Cabinet Doors (Selected Cabinets)
- Sink Cutting Boards
- Solid Divider Doors
- Large, Double Acrylic Sink

**Interior**
- Intermittent Wiper Control
- Double Swivel Sun Visors with Map Pockets
- Engine Cover Convenience Tray
- Cruise Control
- Low Profile Engine Cover
- Radio with Cassette AM/FM/MX Electronic Tuning
- Battery Disconnect System
- Auto A/C/Heater Combo
- Radio Switch–Main/Auxiliary
- Soft-Surface Automotive Dash
- Tilt Steering Wheel
- Tilt-Up Instrument Panel
- Driver/Passenger Captain’s Chairs with Reclining Back/Slide Controls
- 3-Point Seat Belts on Driver/Passenger Seats

**Interior Lighting**
- Wardrobe Lighting
- Fluorescent Ceiling Lighting with Dual Bulbs
- Decor Lighting
- Incandescent Lighting

---

* The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing.
2002 Bounder Floor Plans

Model 31W
• Living Room Slide-Out with Sofa Sleeper
• Swivel Chair with Table or Optional Lounge Recliner with Flip-Up Table
• Dinette, Optional Table with Chairs or Computer Workstation
• Tub/Shower
• Large Wardrobe
• Bedroom Slide-Out with Queen Bed

Model 32H
• Living Room Slide-Out with Sofa Sleeper
• Swivel Chair with Table or Optional Lounge Recliner with Flip-Up Table
• Dinette, Optional Table with Chairs or Computer Workstation
• Fully Enclosed Bathroom with Tub/Shower
• Large Wardrobe
• Island Queen Bed or Optional Twin Beds
Model 33R

- Living Room Slide-Out with Sofa Sleeper
- Swivel Chair with Table or Optional Lounge Recliner with Flip-Up Table
- Dinette, Optional Table with Chairs or Computer Workstation
- Fully Enclosed Bathroom with Tub/Shower
- Bedroom Features Cabinets with Integrated Vanity
- Bedroom/Wardrobe Slide-Out

Model 34D

- Living Room Slide-Out with Sofa Sleeper
- Swivel Chair with Table or Optional Lounge Recliner with Flip-Up Table
- Dinette, Optional Table with Chairs or Computer Workstation
- Optional Side-By-Side Refrigerator or Norcold® 4-Door Refrigerator
- Fully Enclosed Bathroom with Large Tub/Shower
- Island Queen Bed

Realize A New Sense Of Adventure By Joining A Bounder Club.

Traveling to new destinations and making new friends are some of the adventures awaiting you in a Bounder RV. Especially when you join a Bounder Club, where you’ll meet others with a similar passion for the RV lifestyle. Contact any of these organizations for membership information.

- Optional Side-By-Side Refrigerator or Norcold® 4-Door Refrigerator
- Optional Washer/Dryer and Wardrobe
- Fully Enclosed Bathroom
- Bedroom Features Cabinets with Integrated Vanity
- Bedroom Slide-Out with Queen Bed
Why would you buy anything else?

For every road you travel, Fleetwood has the RV to fit your high standards and lifestyle. We build the recreational vehicles America wants, accounting for nearly one out of every three RVs on the road today. How do we do it? We call it the Fleetwood Equation.

Size + Service + Quality = Value!

**Size** The world’s #1 RV manufacturer

For over a half-century Fleetwood has grown to become the largest manufacturer of recreational vehicles in the world. And stands today as the only RV manufacturer in the Fortune 500. You won’t find our nearest competitor in even the top 1,000. Fleetwood remains, year after year, the largest, most influential, innovative and recognized leader in the RV industry.

**Service** Listening to our customers

With over 1,100 service dealers in the US and Canada, Fleetwood has the largest network in the RV industry. No other RV company comes close in equaling this vital customer support system. Fleetwood RV service dealers have instant, real-time electronic access to your service records as well as parts inventory and warranty repair authorization inquiries. We also provide a 24-hour customer call center for service and product information so no matter where you travel in North America, professional support and fast answers are always nearby. Call toll free 24 hours a day: 1-800-322-8216.

**Quality** Using only the best materials

At Fleetwood, quality begins at the design stage so every coach is built right, right from the start. Subsequent to design approval, full-functioning prototypes are built, then punished on a test track and subjected to accelerated life cycle tests where a few weeks can equal years of normal use. At the same time, components and systems are test-cycled thousands of times assuring years of problem-free use.

Once approved for production, each unit is built by skilled technicians using quality materials and components, many of which are sourced through, or manufactured by, our subsidiary companies such as Gold Shield Fiberglass and Continental Lumber Products.

Fleetwood engineers specify the very best products and appliances from companies such as Coleman®, Dometic®, Flexsteel®, Ford®, Freightliner®, Magic Chef®, Panasonic®, and Workhorse®. Companies that are experts in their respective fields and play a significant role as partners, not just suppliers.

All this assures that every Fleetwood RV has the fit, finish and details required by our high standards—as well as yours.

**Value** Priced right with style

At Fleetwood RV, we look at value as the sum of everything we offer.

- **Value** is our design, engineering expertise, and innovative manufacturing methods.

- **Value** is structures and components that are the best in the industry, that meet or exceed government and industry safety standards.

- **Value** is Ownercare—a one-year/three-year warranty with coverage from a company that will be around in the future to service your needs. Ownercare is one of the RV industry’s most comprehensive programs and includes systems and applications, construction, no deductible and no service charge. And it is fully transferable for the first 12 months. See your nearest Fleetwood dealer for a full explanation of benefits and restrictions.

- **Value** is customer satisfaction. When asked, more experienced RV owners would recommend Fleetwood to a friend than any other brand. Fleetwood RVs consistently hold their value better than most RVs at trade-in time.

Value is peace of mind.

SSQV—Size, Service, Quality, and Value. Together they equate to the very best RV you can buy, and the reason you should purchase a Fleetwood over any other brand.

Require these features when you purchase your next RV...

Fleetwood does!

See you on the road!
Limited One-Year/Three-Year Warranty

For Motor Homes Manufactured by subsidiaries of Fleetwood Enterprises, Inc., sold in the United States and Canada

Coverage Provided

Your new motor home, including the structure, plumbing, heating, electrical systems, all appliances and equipment installed by the manufacturer, is warranted under normal use to be free from manufacturing defects in material or workmanship. Appearance imperfections or damage to paint, graphics, exterior materials, or upholstery that may have occurred prior to delivery are normally corrected during the inspection process at the manufacturing plant or at the dealership.

The warranty extends to the first retail purchaser and his transferee(s) and begins on the date of original retail delivery or the date the motor home is first placed into service as a rental, commercial or demonstrator unit (whichever occurs first). The warranty extends for the following periods:

1. For all defects (other than structural) the warranty extends for a period of one year from such date or until the unit has received 15,000 total miles of use as determined by the mileage shown on the odometer (whichever occurs first).
2. For structural defects, 3 years; structural defects are limited to the following: roof structure, sub-floor structure, exterior walls, interior walls and ceilings.

Written notice of defects must be given to the selling dealer or manufacturer not later than ten (10) days after the expiration of the warranty period.

Owner’s Obligation

The owner is responsible for normal maintenance as described in the Owner’s Information Package; however, minor adjustments (such as cabinet latches, TV antenna control, etc.) will be performed by the dealer during the first 90 days of warranty coverage. Thereafter, such adjustments are the responsibility of the owner as normal maintenance unless required as a direct result of repair or replacement of a defective part under this warranty.

If a problem occurs which the owner believes is covered by this warranty, the owner should contact the selling dealer, or the Fleetwood Service Center at the address listed below and provide the Fleetwood Service Center with a description in writing of the problem and attempts made to resolve it.

Dealer’s Obligation

By agreement with the manufacturer, the dealer is obligated to maintain the motor home prior to retail sale, to perform a detailed predelivery inspection and to repair or replace any parts necessary to correct defects in material or workmanship.

When the Dealer Does Not Resolve the Problem

If the dealer is unable or unwilling to resolve a problem which the owner is convinced is covered by the warranty, the owner should contact the Fleetwood Service Center at the address listed below and provide the Fleetwood Service Center with a description in writing of the problem or warranty made by any dealer or other person beyond those expressly set forth in this warranty.

Manufacturer’s Obligations

Upon receipt of notice of a claim, where the dealer was unable or unwilling to resolve the problem the Fleetwood Service Center will repair or replace any parts necessary to correct defects in material or workmanship or will take other appropriate action as may be required.

What is Not Covered By This Warranty

This warranty does not cover:

1. The automotive chassis system (including the chassis and drive train), tires and batteries, which are covered by the separate warranties of the respective manufacturers of these components.
2. Defects caused by or related to:
   a. Abuse, misuse, negligence or accident;
   b. Failure to comply with instructions contained in the Owner’s Information Package;
   c. Alteration or modification of the motor home;
   d. Environmental conditions (salt, hail, chemicals in the atmosphere, etc.)
3. Normal deterioration due to weather or exposure, such as fading of fabrics or drapes, carpet wear, etc.
4. Normal maintenance and service items, such as light bulbs, fuses, wiper blades, lubricants, etc.
5. Motor homes on which the odometer reading has been altered.
6. Transportation to and from dealer or Fleetwood Service Center location, loss of time, inconvenience, commercial loss, loss of use, towing charges, bus fares, vehicle rental, incidental charges such as telephone calls, or hotel bills, or other incidental or consequential damages.

Some states do not allow the exclusion of limitation of incidental or consequential damages, so the above limitation exclusion may not apply to you.

This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state.

The manufacturer is not responsible for any undertaking, representation or warranty made by any dealer or other person beyond those expressly set forth in this warranty.
