NEWMAR.2002

## The Future

Delayed flights, lost luggage and the promise that someday you would do it right — you would see more than the inside of hotel meeting rooms and the world at 33,000 feet. After years of long-distance and moments passed, you are finally focused on the future — and it's looking good. Now it's your time to be with people you enjoy, to smile more and look at the clock less.

Presenting the Mountain Aire Fifth Wheel. At Newmar, we consider the impact our products have on the quality of your life and those you care about. It's about more than just making better products. It's about making products that fit your lifestyle, increase your mobility and give you the opportunity to feel at home wherever the road leads you. Imagine the possibilities...

The future is waiting. Make it count.

*Optional power porch*

## Ready for the Future

The 2002 Mountain Aire introduces new features to help you feel at home and look better than ever when traveling. This reliable fifth wheel sports exterior graphics for a whole new and inviting style. We have also raised the rear ceiling height to provide more headroom, more space and more comfort. The Mountain Aire is ready for the future and for whatever adventures you have in mind.

## The Future is Looking Good

There is nothing more satisfying than a vacation that allows you to relax, reflect and experience life. Newmar is constantly looking for new ways to customize your travel experience to fit your lifestyle. The 2002 line-up features six all new decors with color options to personalize the look of your Mountain Aire. We have also introduced a new style of cabinetry, Pecan-Maple hardwood, as an additional wood-work option. If you're jumping aboard the technology bandwagon, you will be pleased with one of our newest Mountain Aire options, the DVD player. Your future is looking good in the Mountain Aire, and this is only the beginning.

1

The kitchen features a beautiful Corian countertop with an acrylic sink, a 22" space-saver microwave, a Dometic® refrigerator with optional Cherry hardwood door panels and a three-burner recessed range.

2

The flat-floor power slideout creates a spacious living room area, shown with Phantom Grey interior. Optional Cherry trim surrounds the entertainment center and large color television.

3

details

In the bedroom, optional Cherry hardwood cabinets provide storage around the queen-sized bed that comes with a standard quilted bedspread with pillow shams, matching bed skirt and accent pillows.

## Your Future is Full of Choices

It has been said that variety is the spice of life. While we can't take credit for the phrase, we do believe in the concept. At Newmar, we offer numerous interior options to help you customize the look and feel of your Mountain Aire. Creative decors like Italian Straw, Caspian Blue, Marrakesh Red, Sea Pearl Green, Aubergine and Phantom Grey will be the perfect interior complements to any travel setting. Oak cabinetry is a standard feature on the Mountain Aire, but you may choose Cherry hardwood, Oak hardwood, Frosted Maple hardwood, Snow Maple and, new for 2002, Pecan-Maple hardwood. Your future is full of choices; make the quality of a Mountain Aire one of them.

# Typical Construction Features

For construction representation purposes only. Models may differ from what is pictured.

*Because Newmar frames its units like the framing in your home, we can provide true central air conditioning. Vents deliver cool air and return warm air, allowing you to close the door to a room and still enjoy total comfort.*

1. One-piece fiberglass front cap
2. Welded aluminum, crowned roof structure with 16" on-center framing
3. 1" tubular aluminum rafter with full joint weld
4. True central air conditioning
  - Insulated ducted distribution and return
5. Exclusive designed slideout header for added strength
6. Fiberglass batten insulation
7. Aluminum, Brite-Tek or fiberglass roof
8. One-piece fiberglass rear cap
9. Exclusive slideout roof dam channeling water run off
10. Composite one-piece fiberglass exterior sidewall
11. Fiberglass batten insulation
12. Plywood inside wall panel
13. 1.5" C-channel aluminum studs with punched holes and 16" on-center framing allows for:
  - Ventilation
  - Wiring to run through the sidewalls for convenient receptacles
  - Reduced weight
  - Increased strength of the stud
14. Plush carpet
15. Carpet padding
16. 5/8" floor decking
17. Fiberglass batten insulation
18. Welded interlocking top and bottom rail to sidewall stud
19. 12"-16" cambered steel I-beam frame
20. Easily accessible LP compartment
21. Lined in-frame storage compartments
22. Four season enclosed heated tanks
23. Electric rack and pinion slideout
  - One of the industry's deepest flush-floor slides
  - Automotive-style double bulb seal

## Beneath the Surface

At Newmar, our relentless pursuit of quality is a source of great pride. That's why we're not afraid to reveal what we're really made of. When you look below the surface you can see our construction is unlike any other. We don't take short cuts, we construct. Our units are framed like the framing in your home. No matter which model you buy, each Newmar RV is assembled on the same production line, built with the same high standards and care. Newmar Quality: A Way of Life, and we mean that from the inside out.

*Newmar is the pioneer in flat-floor powered slideouts. We build every slideout ourselves using a rack and pinion system and a centrally located electric motor that applies power evenly to both racks.*

## Delivering on Our Promises

The Newmar warranty is as straightforward and honest as our philosophy — build an excellent product and stand behind it all the way. We take pride in the fact that our 36-month or 36,000-mile, bumper-to-bumper limited warranty is the best in the industry. Being the best has many advantages. Not only do our customers go home with confidence and peace of mind, they go home with a warranty that is easy to read and understand, with no hidden fine print or confusing language.

At Newmar, we engineer quality into everything we build and require the same high standards of every component we include in our products. So, when you compare warranties, check the fine print. We think you will find our warranty amazingly simple and surprisingly complete... just the way our customers want it.

Exact quality, simple language, and products you can trust and enjoy. That is the Newmar promise.
