

Sunline 2004 Sunline

FIFTH WHEELS

NEW FOR 2004

This year, our designers have created a brand new interior look. You'll love our maple panel cabinetry, highlighted by brushed nickel accents. We're featuring the perfect combination of new interior features on all Sunline models.

**In Celebration of Sunline's 40th Anniversary...
THE OLDEST
SUNLINE TRAVEL
TRAILER SEARCH!**

The nationwide search is on for the oldest Sunline travel trailer.

In anticipation of Sunline's 40th Anniversary next year, we're doing something special. We're looking for the oldest Sunline still on the road. If we determine you have the oldest, still roadworthy Sunline – you win the grand prize: a brand new 2005 Sunline travel trailer! In addition, the 10 oldest roadworthy Sunline units that are found will win Sunline memorabilia for their owners!

Deadline for all entries is March 1, 2004.

Visit our web site, sunlinerv.com for details.

FIFTH WHEELS

Enjoy come-and-go freedom with worry-free Sunline quality!

THE 2004 SUNLINE FIFTH WHEELS GIVE YOU MORE REASONS THAN EVER TO EXPLORE THE OPEN ROAD!

A New, Modern Sunline Look. This year, our designers have created a brand new interior look. You'll love our maple panel cabinetry, highlighted by brushed nickel accents. We're featuring the perfect combination of new interior features on all Sunline Fifth Wheels:

- Maple raised panel doors
- Brushed nickel lighting, kitchen faucet & hardware
- Natural colored Wilsonart® and Formica® countertop
- European roll-up shower door

39 Years of Experience Designing Convenience and Comfort.

Luxurious interiors and slide rooms are standard in each Fifth Wheel plan. Models range from 29 to 37 feet in length. All Fifth Wheels feature a glossy fiberglass exterior with molded gel-coat front and rear fiberglass caps. For 2004, we've added tinted safety glass windows as well as numerous standard features:

EXTERIOR FEATURES:

- Radius truss roof rafters w/reinforced roof
- Enclosed heated holding tanks
- Dometic A&E awning
- 30 lb. propane bottles
- Outside shower
- Shock absorbers/power hitch
- 16"/8 lug wheels

KITCHEN:

- Single-lever faucet with built-in sprayer
- Dometic 8 cu. ft. refrigerator (opt. 10 cu. ft.)
- Sealed burner stove w/electronic ignition and deep oven
- Microwave w/turntable and built-in fan
- Residential drawer guides

BATH:

- SeaLand® china bowl toilet w/foot pedal flush and hand sprayer
- Shower skylight dome
- Fan-Tastic™ fan w/rain sensor and wall thermostat
- Bath window w/venetian blind

The kitchen slide features a large, double door refrigerator, microwave and easy single-lever, brushed nickel, pull-out spray spout faucet in the double sink. Optional reinforced solid surface countertop and edge (galley only) is shown.

Fifth Wheel F-293SR (Shown in Fern Blue)

Sunline's new triple slide model, the F-293SR, features a kitchen, dinette and sofa slide opposite one another as well as a front bedroom slide with large wardrobe. The spacious windows and large, floor area are the main features of the relaxing rear living room.

LIVING:

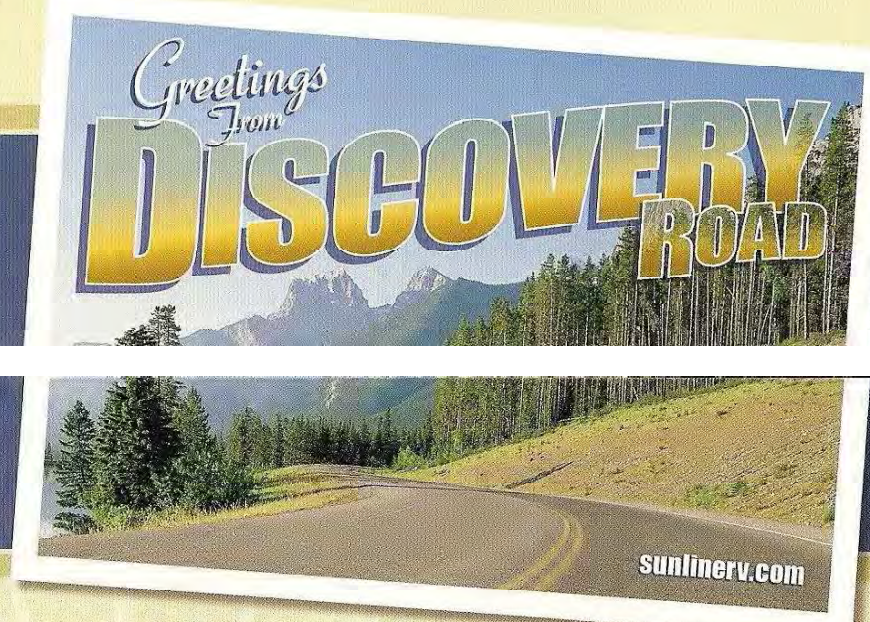

- Dometic 15,000 BTU ducted roof mount air conditioning
- Stereo w/CD and surround sound
- Day/night shades
- Mortise & tenon doors
- Ceiling fan
- Sleeper sofa
- Vinyl area at entrance doors
- Residential drawer guides
- Telephone jack and satellite dish pre-wire
- 60 amp converter
- 35 oz. residential polypropylene backed carpet with 5.5 lb. density padding

Take To The Outdoors On Your Terms. Whether you're planning on sightseeing, visiting relatives, shopping, seeing the "big game" or just spending time with your family around the campfire, your Sunline Fifth Wheel gives you a great reason to relax and explore the open road. It's all about getting out there and... Just Going!

2004 Sunline

Come-and-go freedom has never been easier.

ABOUT WEIGHTS

GVWR - Gross Vehicle Weight Rating (listed in the specifications). This is NOT the weight of the trailer. This is what the trailer is rated to carry. It is the total maximum allowable weight of the fully loaded trailer (not to be exceeded) which includes the unloaded vehicle weight, all fluids, cargo, optional equipment and accessories. This number, along with other maximum safe vehicle weights, are shown on the Safety Compliance Certification label, located on the exterior left front (off door side) of each unit.

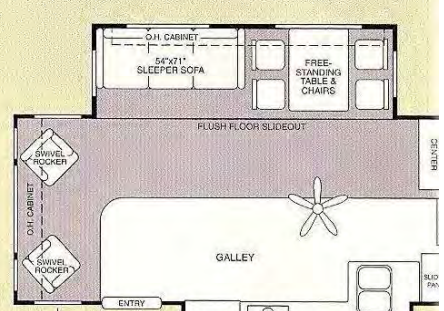

UVW - Unloaded Vehicle Weight (listed in the specifications). This is the weight of this trailer as manufactured at the factory. It includes all weight at the trailer axle(s) and tongue or pin.

Pin Weight - (listed with the floorplan). Amount of the unloaded vehicle weight that is supported by the tow vehicle.

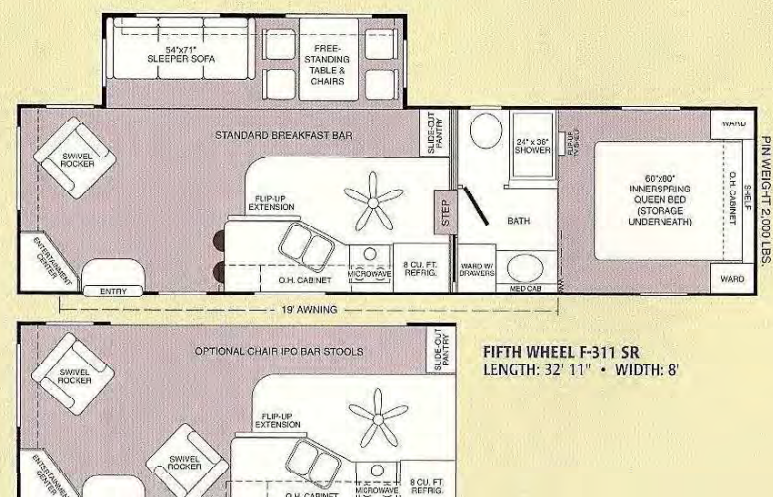

Note: Sunline's policy of continual design and manufacturing improvements requires that models, specifications, equipment, interior materials and prices be subject to change without notice. In addition, Sunline reserves the right to discontinue models without notice or obligation and to improve models without incorporating these changes in similar models produced at an earlier date.

SUNLINE'S THREE PLUS TWO WARRANTY.

Sunline has a strong 39 year history in the industry and provides a comprehensive Three Plus Two Warranty against defects in materials and workmanship. Simply stated, the three year warranty covers any structural part of the fifth wheel made by Sunline. Separate manufacturers' two year (or longer) warranties cover most components in the unit, like Dometic refrigerators, Atwood® water heaters, SHURflo® water pumps and Flexsteel® furniture.

A copy of our warranty is included in the Owner's Manual of each unit. For our complete warranty policy, just ask your Sunline dealer.
