GOING IN STYLE

You're on your way to jaw-dropping natural beauty and exhilarating outdoor adventures. Go there in style in an Eagle travel trailer by Jayco®. The Eagle elevates your RV experience to a higher level of luxury, while keeping your costs easily within reach. From the impressive exterior with fiberglass sidewalls, to the well-appointed interior filled with amenities, the Eagle always travels with striking grace.

- *Diamond plate provides protection from rocks and road debris and adds sturdy good looks.*
- *There's space for your fishing poles, oars, and water skis in the convenient pass-through storage area, available on most models.*

- ▲ Standard day/night pleated shades, topped with a scalloped valance, block out the sun's rays for a cooler, more restful environment.
- ◀ Raised panel cabinet drawers and doors add traditional charm.

- ▲ A J-Steel® convertible sofa and cozy dinette provide comfortable seating throughout the day. Dine in spacious comfort at the slideout dinette while you enjoy the view through the large picture window. Freestanding table and chairs are optional.

- ▲ The optional 1.0 cu ft Samsung® microwave oven with carousel helps make meal preparation quick and easy.

GOING IN COMFORT

Outside, you'll be hiking through nature's wonders. But inside, you'll be pampering yourself with comforts that are definitely man-made. An Eagle travel trailer surrounds you with thoughtfully designed features that add both elegance and convenience to your travels. With every mile, and every moment, you'll be glad you're flying higher with an Eagle.

- ▲ Sleep peacefully on the queen-size, pillow-top innerspring mattress, covered with coordinating quilted bedspread. Your clothes will be out of sight in the overhead cabinet, chest and wardrobes, or under the bed that lifts easily on struts.

Whether you're relaxing, dining, or cooking, you'll feel right at home inside an Eagle travel trailer. Every area is built to enhance your enjoyment.

291 RLTS

GOING WITH EASE

- ◀ Get both electric front jacks and quick release pins as standard equipment.
- ◀ A spacious front trunk gives you a convenient place to store and protect coolers, lawn chairs, and other bulky gear.
- ◀ The standard outside shower gives you a convenient place to rinse off after outdoor activities.

When it's time to get away from it all, leave behind the complications of everyday living and enjoy the restful ease of an Eagle fifth wheel. Designed to maximize the fun and minimize the work, it's filled with convenient touches from floor to ceiling. We've thought of everything to make your travel adventures easy to love, no matter where the road takes you.

GOING WITH BEAUTY

At its best, RVing brings you closer to beautiful vistas, beautiful sunsets, and beautiful foliage. Traveling with an Eagle fifth wheel adds even more beauty to your explorations with its luxuriously warm, inviting interior. You'll appreciate the attention to detail, from Fairfield Oak cabinetry to richly detailed upholstery to elegant brass and chrome fixtures. As long as you're going, you might as well go with beauty.

▲ The bedroom makes a beautiful end to a busy day with its handsome Fairfield Oak cabinetry, coordinated bedspread and window treatments, and soft carpeting.

Choose from a variety of attractive seating options, including matching swivel rockers and this hide-a-bed with dual foot rests.

291 RLTS

291 RLTS

▲ This versatile Dolby® Digital 5.1 Home Theater System features a DVD/CD player and recessed ceiling speakers, and is part of the Customer Value Package.

▲ The 8-cubic-foot, flush-mounted Norcold® double-door refrigerator is roomier than you'll find in the average fifth wheel.

▲ You'll appreciate the refreshing feel of the well-equipped bathroom, featuring ABS shower with tub surround and standard glass shower door.

▲ The bathroom also includes a laundry chute with basket (most fifth wheels).
 ➤ All the ingredients of a great kitchen are here, including a 3-burner range with 9,000-BTU SuperBurner™ and piezo igniter, and deep residential-style sink with white arched-neck faucet.

**STEEL AND ALUMINUM FRAMING
 CREATE A STRONG CORE.**

Jayco® Competitor

Jayco's I-Class™ structural steel chassis frame is stronger and more durable than the welded I-beam used by many competitors, which is subject to warping.

▲ Aluminum sidewall framing is standard

All of our sturdy construction features, including the aluminum framing of our TuffShell™ sidewalls, are there to give you peace of mind.

Adjustable axle hanger plates

STANDARD JAKE PLATE™

The height of your tow vehicle will never be a worry. Eagle fifth wheels feature standard Jake Plate™ adjustable axle hanger plates. Twice as strong as traditional single spring hangers, they allow you to adjust the axle height up to 2" to accommodate tow vehicles of different sizes.

V-TEC™ SLIDEOUT SYSTEM

Enjoy wide-open spaces, outside and in. Jayco's V-Tec™ slideout expands your living space by simply pushing a button. A strong I-Class™ steel frame allows Jayco to utilize a flush-floor slideout system. Our V-Tec™ mechanism consists of rack-and-pinion drive, low-friction gearing, and high-torque electric motor.

JAYCO CRAFTSMANSHIP

Jayco has been blessed with some of America's finest craftsmen who make Middlebury, Indiana and the Jayco plant their home and workplace. Generation after generation, a legacy of tried-and-true construction methods is passed down, continuing the tradition of quality and durability that has helped Jayco grow into a true industry leader.

▲ Eagle travel trailers and fifth wheels feature solid Fairfield Oak cabinet doors with mortise and tenon construction.

* = estimated values

Unloaded Vehicle Weight (UVW): Sometimes referred to as "Dry Weight," UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, LP gas, options, or dealer-installed accessories.

Gross Vehicle Weight Rating (GVWR): GVWR means the maximum permissible weight of the trailer, including the UVW plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC.

Cargo Carrying Capacity (CCC): CCC means the maximum weight of all passengers, personal items, food, fresh water, LP gas, tools, other cargo, and dealer-installed accessories* that can be carried by the trailer. CCC is equal to or less than GVWR minus UVW.

*The addition of options will decrease the CCC.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions

or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle and the RV together before heading out on the roadways. When you tow an RV, you must drive differently than you do when driving a single vehicle. Practice hooking up, driving, backing up, and braking in a safe environment or seek out professional instruction.

See specification chart above. Jayco affixes a weight label to each RV which lists weight information for that vehicle.

CUSTOMER FIRST ROADSIDE ASSISTANCE

Travel worry-free in your Eagle recreational vehicle with Jayco's Customer First Roadside Assistance program, yours at no cost during your first year of ownership. This program is offered through Coach-Net®, the largest RV emergency road service in the country, and gives you immediate access to dependable roadside assistance and support services with a simple phone call.

2005 EAGLE
NOW YOU'RE GOING PLACES.

2 + 3 WARRANTY

The Jayco 2+3 Warranty is a manufacturer's limited warranty. It doesn't come from your dealer and it's not an extended warranty! It comes from the people who build Jayco recreational vehicles to the people who buy them. Each Jayco is warranted to the original purchaser for twenty-four (24) months from the date of purchase against defects in materials and workmanship. The Jayco warranty includes a limited three-year (3) structural guarantee and, in addition, our limited warranty may be transferred one time within the first two (2) years. Go ahead and compare the Jayco warranty with other manufacturers' warranties. You'll find it's the best in the business!

For a copy of the limited warranty with full terms and conditions, ask your local Jayco dealer or visit our web site at www.jayco.com.

FAMILY OWNED. FAMILY FOCUSED.
