Bungalow

AMERICA'S MOST LIVEABLE RVs.

# Incredible Value, Tons of Fun

## Jay Flight™

2008 Travel Trailers and Park Trailers by Jayco®

Jayco's Jay Flight products are built to be family friendly and budget friendly — no wonder they're so popular year after year. Jay Flight G2 is the top selling travel trailer in North America and Jayco's top selling RV. Choose from a variety of sizes, floorplans and options to find the Jay Flight that's a comfortable fit for your family. Then start traveling and enjoy the liveability provided by the best materials, best craftsmanship, best standard equipment and best warranty in the industry.

### Top Reasons Jay Flight is #1

- » Hardwood cabinetry gives you beautifully strong storage
- » The optional enclosed, insulated and heated underbelly protects from road debris (G2 only)
- » 6-gallon gas/electric DSI water heater accommodates families (G2 only)
- » V-tech™ rack-and-pinion slideout easily expands living space
- » I-Class™ structural steel I-beam frame is designed to last
- » E-Z Lube™ axles make maintenance a snap (G2 only)
- » Powered attic fan improves ventilation (G2 only)
- » American-made Norcold® refrigerator lets you adjust the temperature
- » Unparalleled 2-year Co-Pilot Warranty gives peace of mind

# Which Jay Flight Fits Your Family?

## Jay Flight

- » Variety of floorplans that sleep 5 to 10
- » Most affordable Jay Flight model
- » Great for first-time RVers
- » Easy care floors

## Jay Flight G2

- » Variety of floorplans that sleep 4 to 10
- » Length ranges from just over 22 to almost 34 feet
- » More standard amenities than other RVs in its class
- » Perfect for a week or a weekend

## Jay Flight Bungalow

- » Variety of floorplans that sleep 4 to 10
- » Ideal for a long-term stays at your favorite vacation spot
- » More spacious than a traditional travel trailer
- » Less expensive than on-site building

## Celebrating 40 Years of Liveability

The Jayco story began in 1968 with a humble desire to build more comfortable and practical ways for families to explore the world together. Jayco has grown to become the largest privately owned manufacturer of recreation vehicles in North America. While our product line is more diverse than ever before, every unit we build shares a common attribute — liveability. Because we believe every journey should be easy to enjoy.

# Jay Flight™

## » For an Easy Start to RV Adventures

The original Jay Flight travel trailer is a smart way to get started with RVing. It's very affordable, compact in size and towable by most ½ ton trucks and SUVs. Yet despite the small price, your family will still enjoy many big advantages like a fully equipped kitchen, comfortable furniture and easy care floors. The Jay Flight is everything you need to put the great outdoors just a step away.

Jayco proudly sponsors Tread Lightly!®, a nonprofit organization whose mission is to empower generations to enjoy the outdoors responsibly through education and restoration.

Stretch out and enjoy the view from the cozy bedroom, designed with plenty of storage and a queen innerspring mattress.

The bathroom is brightened by two overhead lighting fixtures and a sleek medicine cabinet with mirror.

All the essentials are within easy reach in the kitchen, which makes meal preparation and clean-up a breeze (photo shows optional oven).

# Jay Flight G2™

## » For Short Trips that are Long on Comfort

The Jay Flight G2 is the second generation of Jayco's most popular travel trailer, and it's filled with more standard features than ever before. In between your outdoor adventures, you'll appreciate all the home-like touches inside — like the expansive picture window, extendable dinette option, Manchester Oak cabinetry with nickel hardware, and 81" ceiling height. With the Jay Flight G2, your family's quick getaways will be extra enjoyable.

## A Great Year to Buy

In honor of Jayco's 40th Anniversary, we've added special features to selected 2008 Jay Flight G2 models including an electric awning, flat screen LCDTV and adjustable Dream Dinette™ table. Ask your Jayco dealer for complete details.

Cooking is easier thanks to the three-burner range and oversized oven, adjustable temperature control refrigerator and acrylic sink with high-rise faucet.

There's a place to store all your clothing and other travel essentials inside the roomy closets and drawers.

Little touches make the bathroom a refreshing change from the ordinary, like the large skylight, high volume fan and radius shower curtain track.

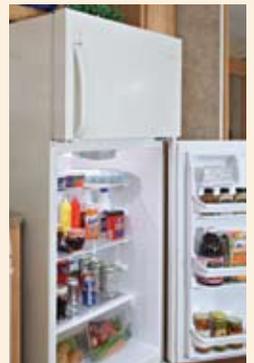

The welcoming bedroom features a 312-coil innerspring queen mattress, beautiful cabinetry and convenient reading lights.

# Jay Flight Bungalow™

Acrylic residential-style sink with high-rise faucet comes with handy sink covers/cutting boards.

The kitchen includes a residential-style refrigerator, free-standing 4-burner gas range with oven, 30" microwave and a pair of bar stools.

Residential-style 110V refrigerator provides 18 cu. ft. of storage plus an ice maker.

## » For a Spacious Home Away from Home

Relax and stay awhile in the Jay Flight Bungalow. This park trailer was specially created to become a summer cottage for long-term stays by your favorite lake or mountain spot. More spacious than a standard travel trailer, the Jay Flight Bungalow features an 84" living room ceiling height and 102" width, and includes a residential-style fireplace, free-standing dinette table with four chairs, and washer/dryer prep for stackable appliances.

Step outside through the 60" patio door with vertical blinds.

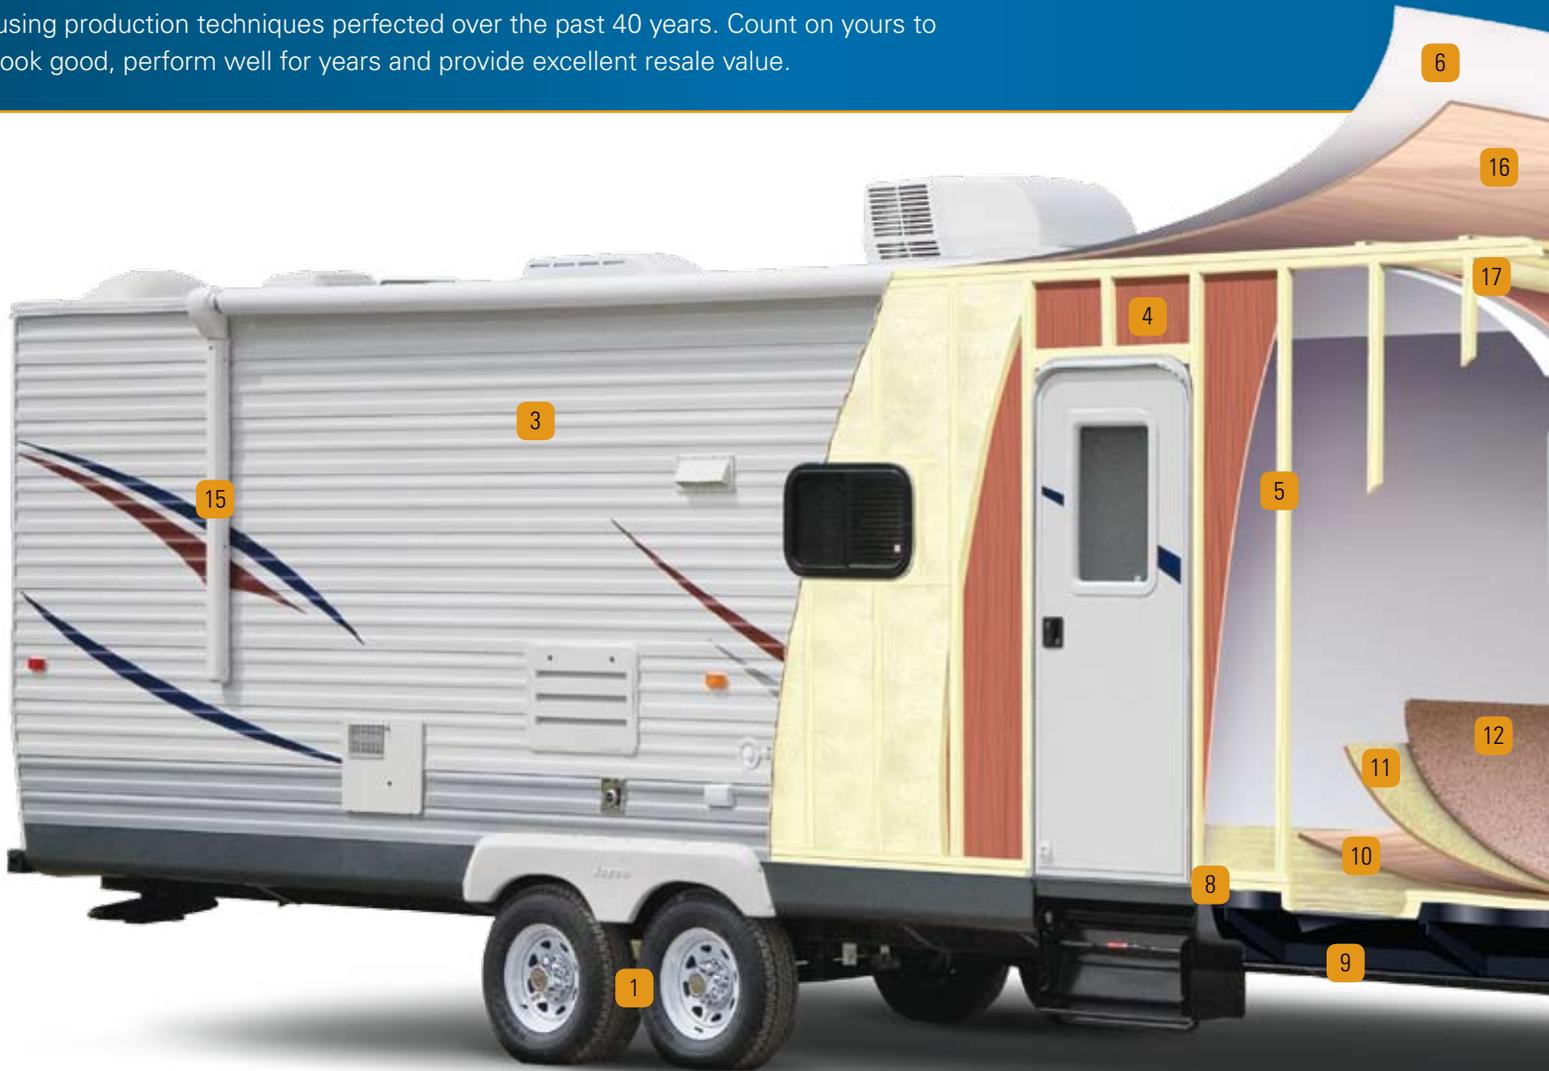

The hide-a-bed is a cozy sofa by day and an inviting sleeping area by night.

Large windows and a ceiling paddle fan create wonderfully restful breezes in the bedroom, which also features a generously-sized wardrobe.

# Jayco Builds Lasting Value

Jay Flight travel trailers and park trailers are constructed with high quality materials using production techniques perfected over the past 40 years. Count on yours to look good, perform well for years and provide excellent resale value.

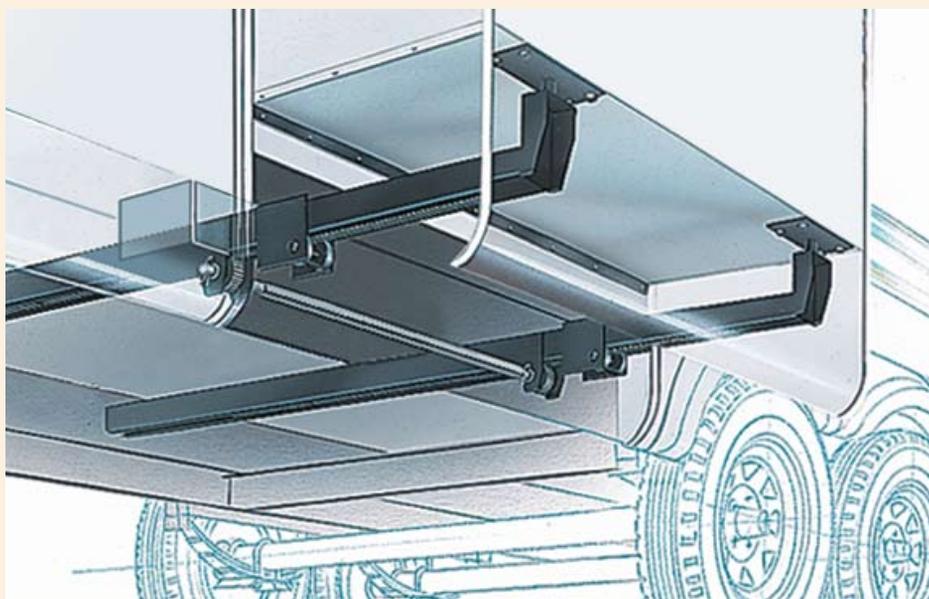

1. Jay Flight's E-Z Lube® axles with removable caps make maintenance a snap (G2 models only)
2. Large, lockable storage compartments keep bulky outdoor equipment close at hand but out of sight and keep your living space clutter-free. The pass-through design permits easy access to the items from either side
3. 0.024" aluminum siding
4.  $\frac{3}{16}$ " luan board
5. 2" wall studs on 16" centers
6. Seamless one-piece rubber roof
7. Roof rafters constructed of residential-style tapered  $4\frac{1}{2}$ " trusses
8. 2" x 3" longitudinal floor joists on 16"-18" centers
9. Jayco's I-Class™ structural steel chassis frame
10.  $\frac{5}{8}$ " plywood
11. Carpet pad for enhanced durability and comfort
12. Attractive, easy-care carpet
13. The optional diamond-plate front panel adds more protection as well as an impressive element to your Jay Flight's exterior (Jay Flight TT and G2 models only)
14. The sturdy gas bottle cover, made of molded ABS, offers protection from road debris (Jay Flight TT and G2 models only)
15. Carefree® electric patio awning (G2 models only)
16.  $\frac{3}{8}$ " plywood roof decking
17. R-7 fiberglass insulation

**A LEGACY OF CRAFTSMANSHIP.**

Jayco's dedicated production team includes Amish craftsmen who build with well-honed woodworking techniques passed down for generations and skilled seamstresses who produce our upholstery, bedding and draperies with great attention to detail.

(Left) End view of Jayco's I-Class™ structural steel chassis frame. (Right) End view of the welded I-beam frame used by many competitors that is subject to warping.

With the push of a button, Jayco's V-Tec™ flush-floor slideout systems increase your living space.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle and the RV together before heading out on the roadways. When you tow an RV, you must drive differently than you do when driving a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. A Jay Flight Bungalow is designed to be sited on a permanent site location for extended periods of time. See specification chart above.

**Unloaded Vehicle Weight (UVW):** Sometimes referred to as "Dry Weight," UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories.

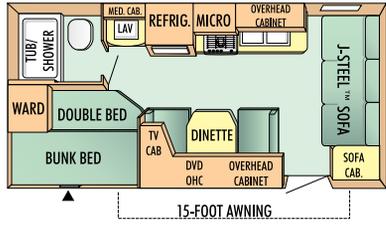

**Gross Vehicle Weight Rating (GVWR):** GVWR means the maximum permissible weight of the trailer, including the UVW plus passengers, personal items, all cargo, fluids, options and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC.

**Cargo Carrying Capacity (CCC):** CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to less than GVWR minus UVW. The addition of options will decrease the CCC.

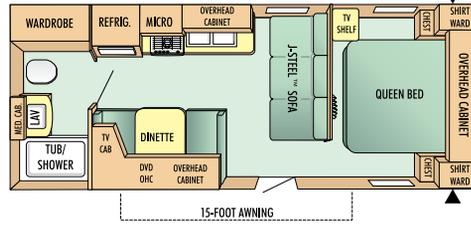

**Hitch Weight (HW):** The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight.

- Toll-free nationwide service appointment assistance
- Free custom trip routing and full color map service
- Free dispatch of on-site mechanical service
- \$1,000 auto theft or hit-and-run reward
- \$2,000 trip interruption reimbursement

## We Back What We Build.

The Jayco Co-Pilot Warranty is a manufacturer's limited warranty. It comes from the people who build Jayco recreation vehicles to the people who buy them. Each Jayco is warranted to the original purchaser for twenty-four (24) months or twenty-four thousand (24,000) miles (mileage limitation applies to motorized products only), whichever occurs first, from the original date of purchase against defects in materials and workmanship. Jayco's limited warranty is not transferable. Go ahead and compare the Jayco warranty with other manufacturers' warranties. You'll find it's the best in the business!

For a copy of the limited warranty with full terms and conditions, ask your local Jayco dealer.

Your Jayco Dealer

**JayPlus**

Protect your RV investment. Ask your Jayco dealer about our exclusive JayPlus program today.

As a Jayco owner, you can be part of the Jayco Jafari International Travel Club. Ask your dealer about the Jafari "flight" in your area, write Jayco or visit our website.
