2009 Simba Gas

A BOLD NEW LOOK.

Simba roars into 2009 with bold, new four-color full-body paint with painted graphics. Combined with new 17.5-inch, chrome power-heated exterior mirrors and the enormous Panaview 1-piece windshield, it's sure to turn heads. Inside the coach, you have your choice of the beautiful woodwork styles shown above, and the cabinets feature new raised panel doors, for a residential touch.

WE'RE HERE. ANYTIME, EVERY TIME.

ROOM TO ROAM.

Simba combines the roomy comfort you associate with a diesel motorhome with all the convenience of gas power. In short, it's the best of both worlds. With floorplans ranging from 30 to 36 feet, there's certain to be one to fit your needs. A notable highlight this year is a new 30-inch-deep bed slide-out on the 35SFD and 36PCT, for more spaciousness than ever before.

COLORFUL CHARACTERS.

For 2009, the Simba Gas continues to be one of the road's most distinctive motorcoaches. You'll choose from three striking color schemes with exquisite fabric combinations and stunning cabinetry styles. They're just like you — filled with warmth, personality and just a hint of rebellion.

* Towing capacity is limited by GCWR; your vehicle's towing capacity is the difference between the GCWR and the actual vehicle weight, including all water, fuel, passengers and cargo. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 1,000 lbs. Consult your owner's manual for further towing information.

** All tank capacities are estimated based upon calculations provided by the tank manufacturers and represent approximate capacities. The actual "usable capacity" may be greater or less than the estimated capacities based upon fabrication and installation of the tanks.

*** Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated. Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Safari provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Safari dealer for unit availability and further information. The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans.
