MODEL 181

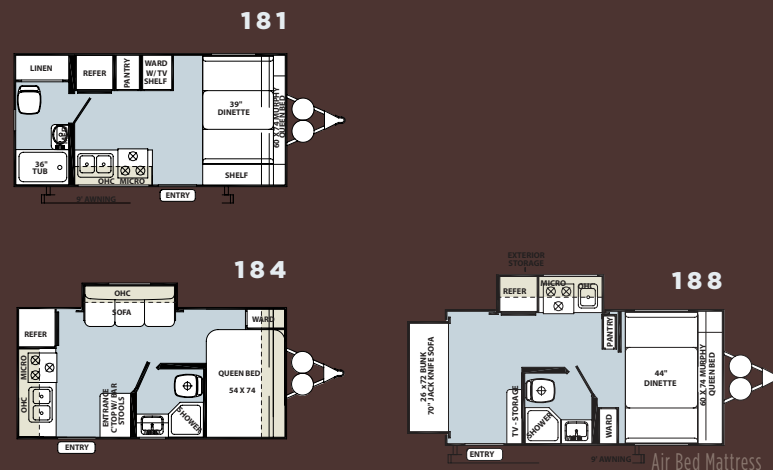

Vinette

The Rockwood Mini Lite ETC is unique in it's class. It has a long list of std features including a full size regular awning, 13.5 K AC, LED exterior lights, Euro Style Jealousy windows, full size furnace and much, much more. With all of these features included, the ETC is still towable by a small SUV or Mini-van making this trailer a perfect fit.

ROCKWOOD Features

Rockwood takes careful consideration to each feature added into each product produced. Every detail is considered ranging from sleeping, relaxing, comfort and convenience.

Take time to review the features listed below and match them with the competition's products. We're confident you'll discover Rockwood the superior choice.

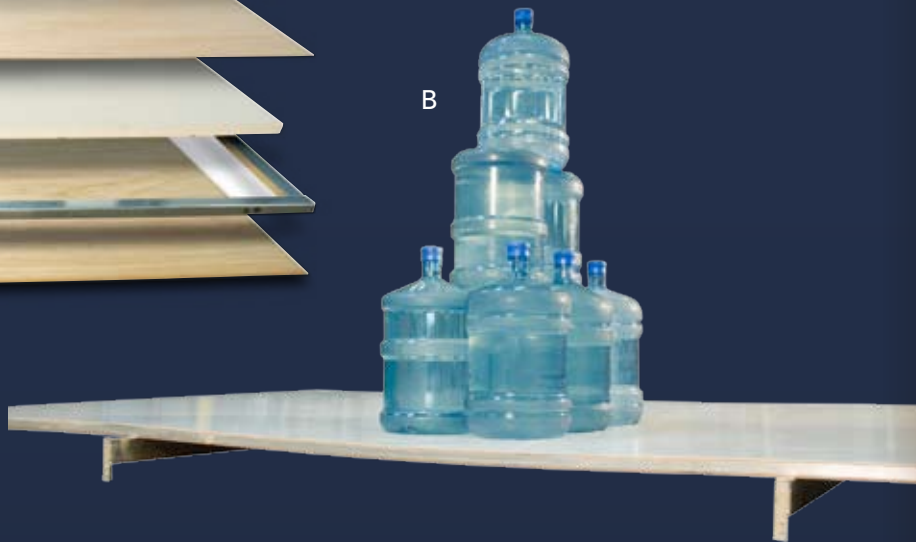

- A** RVQ grill (Opt.)
- B** Heated holding tanks with 12 volt heat pads. (Opt. N/A on ETC)
- C** Exterior shower (Std. N/A on ETC)
- D** Fantastic Fan (Std. Opt)
- E** Aluminum dinette frame with storage
- F** Heated Innerspring Mattresses (Std. Opt.)

- A** Power Awning with Adjustable Rain Dump (*Opt.*)
- B** Aluminum Rims (*Opt. but Std. on ETC*)
- C** Water Filter (*Std. Opt.*)
- D** Hardwood Doors & Drawers
- E** Outside Speaker (*Std. on ETC, C.P. on Mini Lite and Roos*)

ROCKWOOD Construction

Rockwood takes pride in constructing the very best products possible in each price point. From our entry level units to our top of the line products, no short cuts are taken to achieve excellence.

Where some may glue their cabinets together, we glue and screw each piece together ensuring a lasting fit. Rockwood drawers never bend under the weight of their contents. The full extension metal drawer guides not only open and close smoothly but will last far longer than the competition's plastic version.

From the all-steel I-beams to the residential interior amenities to the vacuum bonded exteriors, Rockwood products are quality-built from the ground-up.

A Rockwood is one of the few light weight manufacturers that is a **fully** 6 sided vacuum bonded trailer. Our walls, floors, roof, fronts and backs are all built vacuum bonded to ensure a light weight strong structural trailer.

B Structurally engineered materials makes our vacuum-bonded walls some of the strongest in the industry.

A Power Awning with Adjustable Rain Dump (*Opt.*)

D All Steel "I" beam frame construction (*Most Models*)

B Glued and screwed cabinetry

E ALKO® AXLES AND EASY LUBE HUBS

- Fully independent wheel suspension.
- Lower trailer center of gravity for improved stability.
- No metal to metal contact and no springs, shackles, hangers, or U-bolts to break or wear out.

C Large dinette storage drawers with full extension drawer guides

F Full extension metal drawer guides in the kitchen

Roosoft Slide
MODEL 21SS

Summer days or rainy nights have little affect on the interior thanks to the fully vacuum bonded exterior. Rockwood Roo is proud to be the only fully vacuum bonded expandable with a full vacuum bonded radius roof.

Interiors expand with flush-floor slides hosting residential kitchen features as solid wood door and drawers, full extension metal drawer guides, and water filtration system.

With all this and more, take a serious look at the Rockwood Roo. It's the best value for your investment.

- A** RVQ grill (Opt.)
- B** Outside speaker (Std. on ETC and C.P. on Roo and Mini Lite.)
- C** Exterior shower (Std. N/A on ETC)

FOREST RIVER'S HALLMARK OF EXCELLENCE

PRE-DELIVERY INSPECTION FACILITIES

THAT'S 20,000 SQUARE FEET OF QUALITY ASSURANCE. THE BARE ESSENTIALS FOR A PREMIUM PRODUCT.

Brought online in 2005, Forest River is proud of its state-of-the-art test facility. This beautiful building blends many of the old tried and true methods of testing our diverse types of RVs with new innovative ways of solving quality issues. Being centrally located to most Forest River manufacturing facilities, this 20,000 square foot

PDI (Pre-delivery Inspection) test building gives immediate daily feedback to individual managers. This assures the production facilities that nothing has slipped by the plant's quality assurance personnel and the units are "green" and ready to ship.

FOREST RIVER ENCOURAGES YOU TO

**BUY
LOCALLY**
FROM YOUR HOMETOWN DEALERSHIP.

Forest River, Inc. strongly encourages our retail customers to purchase from their local dealership whenever possible due to the following factors:

1) Our Dealers are as a rule, independently owned and operated businesses. Outside of those customers they personally sold products to, they are not contractually obligated to perform warranty service on Forest River products that were purchased elsewhere. There may be an occasion that you would be required to return to the point of purchase to satisfy warranty requirements.

2) Although many dealerships will eventually service products not purchased at their place of business, they will usually take care of their customers and other Forest River customers who are traveling away from their local dealer as they would their own.

3) Local purchases allow a customer to establish a relationship with a dealer close to home. This relationship provides the customer with a convenient location for service and support from a "home town" professional.

4) The opportunity for a thorough PDI (Pre Delivery Inspection) and product orientation is an additional benefit of buying from your local dealer. Further providing the opportunity for refresher courses or the ability to get questions answered much more conveniently.

5) For our Canadian customers, there are also requirements which must be met to bring an RV purchased out of the country to their home. Although not insurmountable, these requirements may involve such things as additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.

6) Forest River's goal is for all RV Owners to fully enjoy their RV experience. In light of this goal, and considering the advantages of buying local, we encourage you to be thorough when determining what product to purchase and which dealer to purchase it from as both are key to your ultimate satisfaction and the realization of your dreams.

For details on Rockwood's complete warranty program, see your Rockwood dealer. When it comes to backing products with the same quality and commitment it has when it begins the manufacturing process, the only name you have to remember when you're looking for a recreational vehicle is Rockwood. Rockwood offers the following additional limited warranties to the original purchasers. Consult written warranty for details.

1. Twelve-year vinyl roof warranty, 2. Two-year fiberglass warranty, 3. Five-year axle warranty, 4. Five-year tent warranty, 5. One-year bumper to bumper warranty, 6. Available second-year warranty

PEACE OF MIND.

Forest River has yet another exclusive feature to offer: One year of free roadside assistance will be given to every 2010 Rockwood customer. This is just one more way to say "Thank you" and to ensure an enjoyable traveling experience.
