THE 2010 REVOLUTION LE

REVOLUTION LE

Make an Impression
Set New Limits.
The Revolution LE is so much more than a wildly luxurious coach. It's a bold sign of success, independence and innovative style. There's simply no other coach that can match its knock-out good looks, masterful technology and tactile opulence.

The Second Bathroom offers fashionable high-gloss countertops, mirrored cabinetry to hold your grooming supplies, and vanity lighting to help you look your best.

The Bedroom Suite is even sweeter at night, when you're slumbering on the restful queen-size pillowtop innerspring mattress (optional king-size air mattress shown).
The Free-Standing Dinette offers a romantic setting for two. With plush seats that invite lingering and a solid surface tabletop, it feels like a private table at your favorite bistro.

The Galley features stainless steel appliances, including a roomy Whirlpool® residential refrigerator (optional). There's also a GE® convection microwave that cooks faster than a traditional oven.
