

Class A Diesel

Extraordinarily Good Looking

The Astoria diesel pusher is loaded with value and luxurious standard amenities. It is also powered by a 360 HP Cummins ISB XT engine that produces more horsepower and torque, while providing class-leading reliability.

With Astoria by Thor Motor Coach, you can relax with peace-of-mind while you enjoy the journey. Thor Motor Coach is the #1 Motorhome Brand Manufacturer in the Country!

Truly The Lap of Luxury

With Astoria, you'll find more features and benefits than most other Class A motorhomes. Quality comfort appointments along with brand name components and accessories help make an Astoria stand out from ordinary coaches.

IMPORTANT—PLEASE READ: Information published within this brochure reflects product design, fabrication, material, components and specifications at the date of printing. If your vehicle was manufactured before this brochure was published this information may not be accurate because vehicles assembled before the brochure was published may not have the same design, fabrication, materials, components and specification as represented in the brochure. If your vehicle was manufactured after this sales brochure was published the representations may not be accurate because, for product improvement reasons, we reserve the unilateral right, at any time, without prior notice, to make changes in product design, material, components and specifications. The date the brochure was published (i.e. "Julian date") is set forth on the last page of the brochure. IF CERTAIN INFORMATION PUBLISHED WITHIN THIS BROCHURE IS SIGNIFICANT TO YOUR PURCHASING DECISION, PLEASE CONSULT WITH YOUR SELLING DEALERSHIP TO CONFIRM THAT THE INFORMATION IS ACCURATE WITH RESPECT TO THE VEHICLE YOU ARE CONSIDERING PURCHASING. Photographs in the brochure may depict optional equipment or may only be available in certain floor plans. We reserve the right to make changes in prices and models and to discontinue models without notice or obligation. Components, appliances and the chassis may have been manufactured in a calendar year before the vehicle's designated model year. All capacities are approximate. The actual length of the vehicle may differ from that indicated in the brochure due to variances in the manufacturing processes and/or installed components. All dry weights are based on standard model features and do not include optional features or equipment. Components, appliances and features may differ to conform to local codes. Due to EPA environmental restrictions, engine power and torque ratings may change during any model year. The Thor Motor Coach logo and its design are registered trademarks. Other products and company names are trademarks and/or registered trademarks of their respective manufacturer. While the color of the motorhome's exterior and the interior fabrics depicted in this brochure are fair and reasonable depictions, the colors depicted may not be exact match of the actual colors because of variances in photo processing and printing. Component part and appliance manufacturers issue limited warranties covering portions of the vehicle not covered under the limited warranty we issue. To learn specific details regarding warranty coverage please consult your selling dealership or review the warranty packet inside the vehicle.
