ROCKWOOD

ROCKWOOD
WINDJAMMER

WHO THOUGHT
INNOVATION
COULD BE SO
LUXURIOUS?

Thanks to it's "V" nose design, every possible space is used for interior room and storage. The aerodynamic, six-sided vacuum-bonded exteriors can be towed by a wide variety of vehicles on the market. A variety of standards and options gives extensive customization potential for each individual consumer.

ROCKWOOD
QUALITY
CONSTRUCTION

- 1 Glued and screwed wood cabinetry
- 2 Aluminum dinette frames for added strength and weight savings
- 3 Vacuum-bonded floor With 16" on center aluminum floor joists
- 4 Storage Doors With Slam Latches ([Select Locations](#))
- 5 All Steel "I" beam frame construction
- 6 Enclosed underbelly protects trailer components as well as increasing aerodynamics
 - Independent wheel suspension and self-damping action
 - Rubber cushioning eliminates metal-to-metal contact.
 - Forged torsion arm for maximum strength
- 8 Aluminum frame construction and high gloss fiberglass exterior with deluxe graphics

ROCKWOOD

QUALITY CONSTRUCTION

ROOF CONSTRUCTION

Vacuum bonded radius roof with vaulted ceiling providing superior insulation and more interior height.

4" thick roof with built-in insulated A/C ducts.

Built strong to enable you to conveniently perform periodic roof maintenance.

WALL STRENGTH

Structurally engineered materials makes our vacuum-bonded walls some of the strongest in the industry.

VACUUM-BONDED LAMINATED CONSTRUCTION

Rockwood is one of the few manufacturers that is a **fully 6 sided vacuum-bonded trailer**. Our walls, floors, roof, fronts and backs are all built vacuum-bonded to ensure a light weight strong structural trailer.

PRE-DELIVERY INSPECTION FACILITY

20,000 square feet of quality assurance. The bare essentials for a premium product. This state-of-the-art facility gives immediate daily feedback to production for quality assurance in every unit built.

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!

ROCKWOOD

WARRANTY

For details on Rockwood's complete warranty program, see your Rockwood dealer. When it comes to backing products with the same quality and commitment it has when it begins the manufacturing process, the only name you have to remember when you're looking for a recreational vehicle is Rockwood. Rockwood offers the following additional limited warranties to the original purchasers. Consult written warranty for details.

1. Twelve-year vinyl roof warranty, 2. Two-year fiberglass warranty, 3. Five-year axle warranty, 4. One-year bumper to bumper, 5. Available second-year warranty.
