Read more about our industry-leading 2-YEAR WARRANTY on the back cover!

Jayco

Generations of family fun.
Spacious slideouts. Check. Well-planned living areas. Check. Residential-style amenities. Check. The 2014 JAY FLIGHT travel trailer continues to be America’s #1 selling travel trailer for eight years in a row. With an endless list of high-end features, Jay Flight exceeds your family’s every wish.
JAY FLIGHT 28BHBE | SANDALWOOD

5 bunk rooms
Jay Flight sleeps up to 12 thanks to multiple sleeping arrangements, featuring a variety of kid-friendly bunk room floorplans.

8 cu. ft. fridge
Pack a few gallons of milk. With an 8 cu. ft. double-door refrigerator, Jay Flight boasts more space than a typical 6 cu. ft. fridge.

3 ample storage
There’s no shortage of durable storage thanks to Amish-crafted cabinetry, complete with full-extension, 75-lb. rated ball bearing drawer guides.

4 Denver mattress
The secret to a good night’s sleep? Your RV. With Jay Flight’s standard pillowtop Denver Mattress, you can tell those numbered sheep to give it a rest, too.
Superior craftsmanship starts at the top at Jayco.

We’ve built a reputation for superior construction and quality craftsmanship. We pride ourselves on always using top-quality materials and innovative manufacturing techniques. That commitment has led to one of our latest construction advancements, the exclusive Magnum Truss Roof System. Fifty percent stronger than other roofs in the industry, this Jayco roof is built to weather Mother Nature.

OUR ROOF FEATURES ...

1. 4 1/2” crowned wood trusses: Uses 2’ x 2’ vertical studs to maximize load capacity, while oversized nail plates provide a tighter design
2. 3/8” roof decking, screwed down at every seam: More durable than typical stapled construction, provides a fully walkable roof
3. Residential attic-style insulation: Helps maintain interior temperatures
4. One-piece, sidewall-wrapped DiFlex II material: Provides leak protection

TO LEARN MORE ABOUT OUR THE MAGNUM TRUSS ROOF SYSTEM, SCAN HERE WITH YOUR SMARTPHONE.

WALL CONSTRUCTION

5. 2’ x 2” wooden studs: Creates Jay Flight’s long-lasting framework
6. Hand-tucked and glued fiberglass insulation (R-7): Prevents insulation from sagging over time (vs. blanket-insulation technique), while helping increase insulation value near studs
7. Extra-wide corner seals: Prevents leaks on the corner molds, baggage/entrance doors, window seals

FLOOR CONSTRUCTION

8. 5/8” tongue-and-groove plywood deck on 2’ x 3’ wooden floor joists: Moisture resistant, plywood holds up to the elements
9. Fiberglass insulation (R-7): Maintains interior temperatures
10. Full-width outriggers: Supports wall weight with no more than 4-foot spacing (vs. 8-foot spacing) and wall-to-wall, full-width design

FEATURES

11. Galvanized-steel wheel wells: Reduces heat loss through floor, prevents floor damage in case of a blown tire
12. WaterWorks system: Boasts 75-plus gallons of fresh water
13. Innovative, aerodynamic front profile: Eliminates angled profile, increasing towability
STANDARD EXTERIOR EQUIPMENT

I-Class cambered structural-steel I-beam frame with fully integrated A-frame
Magnum Truss Roof System with one-piece seamless DiFlex II
5/8” tongue-and-groove plywood floor decking
Two-sided reflective foil insulation in flush-floor slideout floors
Electric slideouts with enclosed gear system (slide models)
30” x 72” main entrance door
Utility lighting system
Exterior marine-grade speakers (2)
G20 dark-tint windows
Radial tires with galvanized-steel, impact-resistant wheel wells
E-Z Lube axles
Spare tire with carrier
Aerodynamic, rounded front profile with front diamond plate
30-amp power service
WaterWorks system with 75+ gallon freshwater capacity and durable, winterized Tuff Pex water lines
Stabilizer jacks with sand pads (4)

STANDARD INTERIOR EQUIPMENT

Screwed-and-glued real-wood cabinetry
Ball bearing drawer guides, 75-lb. capacity and full-drawer extension
Large 60/40 acrylic kitchen sink with high-rise faucet
6-gal. gas/electric DSI Atwood water heater
3-burner range with 9,000-BTU SuperBurner and piezo igniter
8 cu. ft. Norcold double-door refrigerator
Atwood auto ignition furnace with wall thermostat
Cable/satellite prep
Denver Mattress pillowtop mattress
Plastic wood, dinette and bunk bases
J-Steel jack-knife sofa
Diamondflor vinyl flooring
Residential-grade carpet with padding
Porcelain stall with foot flush
300-lb. rated bunks (600-lb. rating on double bunks)

CUSTOMER VALUE PACKAGE (MANDATORY)

Dual 30-lb. propane bottles with easy access ABS cover
Water heater bypass
13,500-BTU air conditioner with directional/closeable vents
Microwave with built-in hood over range
Oven
ABS shower surround with bath skylight and fan

POWER PACKAGE

Power tongue jack
Power awning with LED light

THERMAL PACKAGE

Insulated, heated and enclosed underbelly and 2-sided reflective foil insulation in main roof and slideout floors

PLATINUM

HAZELNUT

SANDALWOOD

HIDE-A-BED

Your guests will rest well on a standard hide-a-bed sofa, complete with tri-fold Denver Mattress.

UTILITY LIGHTING SYSTEM

Every family needs a night light. Jay Flight provides light in all the right areas thanks to the standard utility lighting system, complete with entrance step light, baggage compartment light, hitch light and dump station light.

LED AWNING LIGHT

Jay Flight also features a new LED light strip on its optional electric awning to complete this patio package.

COMMAND CENTER

The command center hides all of your controls behind a convenient message board with 12V cell phone charger outlet.

BENCH STORAGE

Jay Flight is packed with innovative ways to maximize space, like the 28BHBE’s versatile storage bench.

BLACK TANK FLUSH

You’ll love Jay Flight’s standard black tank flush, especially since our WaterWorks system comes with 75-plus gallons of fresh water.

</table>

The weights of certain options and/or option packages are not included in the UVW listed above.

**Unloaded Vehicle Weight (UVW):** Sometimes referred to as “Dry Weight,” UVW means the typical weight of the trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories.

**Gross Vehicle Weight Rating (GVWR):** UVW means the maximum permissible weight of the trailer, including the UVW plus passengers, personal items, all cargo, fluids, options, and dealer installed accessories. The GVWR is used to ensure that the UVW is equal to or greater than the sum of the UVW and the CCC.

**Cargo Carrying Capacity (CCC):** CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC.

**Hitch Weight (HW):** The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle before heading out on the roadways. When you tow an RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment and seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. See specifications chart above.
Nobody offers a better warranty than Jayco. With our exclusive 2-year Co-Pilot Warranty, the only strings we attach are those that deliver the ultimate in reliability. At Jayco, your peace of mind is our priority, and that’s the Jayco difference.

*For a copy of our 2-year limited warranty with full terms and conditions, please contact your local Jayco dealer or visit Jayco.com.

300 JAYCO DEALERS
A four-decade strong network

From the sales experience to service after the sale, we consider our dealers to be an important part of the Jayco family. Establishing a solid relationship with your local Jayco dealer is a key component in the enjoyment of your new Jayco. By purchasing from a local dealer, you will have a convenient location for sales, parts and service support. We hope you consider them a part of your camping family.
