TRAILBLAZING VALUE

ASPEN TRAIL

TRAILBLAZING VALUE

More conveniences and more standard features mean more trailblazing value. When it comes to bang for the buck, Aspen Trail wrote the book.

Optional LED Power Awning shown.

EXPANDED SLIDE-ROOM SPACE

With 6 feet of height and flush floor slide-rooms, you'll enjoy more headroom than most other RVs.

MAX HEADROOM

Our 82 inches of interior height make Aspen Trail's living areas more residential than ever.

BATHROOM ACCENTS

Freshen up in your spacious bath while natural light shines through the convenient skylight.

KICKING IT UP A NOTCH

Say goodbye to low-quality, particleboard cabinetry, and say hello to real, hardwood, cabinet doors and drawer fronts. Aspen Trail cabinets are built stronger for more years of RVing enjoyment.

THE BUNK HOUSE

Double-over-double bunk beds, storage area and a pull curtain for privacy, make the Aspen Trail's bunk room the perfect getaway place for the kids OR mom and dad! (2810 Model Shown)

STRETCH OUT

The 60" x 80" residential-sized queen bed is big enough to stretch out and relax after a long day of fun.

"CURVE" APPEAL

Rounded, handcrafted radius walls and hardwood maple cabinetry avoid the "boxy" appearance, giving Aspen Trail interiors a modern, stylish look you'll appreciate.

TRAILBLAZING VALUE

Inside and out, you'll find all sorts of extras in Aspen Trail. It's what sets us apart—and it's what we call "Trailblazing Value."

MASTER CONTROL

Our sleek master control panel labels every switch and puts quick feature control at your fingertips.

ENCLOSED UNDERBELLY

Our fully enclosed and heated underbelly offers four-season RVing and protects your investment from the elements, road debris and rodents.

MEGA PASS-THROUGH STORAGE

We maximized the Aspen Trail's storage area by angling the walls of the space. More space means even more room to bring it all!

TRAILBLAZING VALUE

Dutchmen—A North American Campground Classic

Few manufacturers have built RVs for 25+ years, and only one has set the standard for innovation AND value. Dutchmen **IS** "A North American Campground Classic."

MORE STANDARD FEATURES MORE VALUE

Dutchmen RVs turn more heads on the lot and in the campground than any other. Why? While other manufacturers offer features as options, Dutchmen tends to make those same features standard. Call it "bang for the buck", "more for your money", or simply "more value". **We've built a reputation for bringing RV owners more standard features for less money** over the years . . . and it's a reputation we plan to keep.
