Wildwood clearly has larger bedrooms than the competition, which gives plenty of walk-around space around the bed with ample room for grandpa to put on his overalls without bumping into cabinets.

Most Wildwood master bedrooms include a laundry storage feature.

Extra large pot and pan drawer at the dinette base. This, together with the extra deep overhead cabinets in the kitchen, provide the consumer the best storage by far in the industry, and this separates us from the competition.

Giant-sized drawer under the standard sofa provides 4.8 cubic feet of storage!

Shown with Optional TV

The attractive Wildwood entertainment center includes a flip around TV mount for display in the living room and master bedroom. This central display enhances TV viewing in both rooms. Included are 2 entrances to the master bedroom with solid sliding doors for privacy.

PRE-DELIVERY INSPECTION FACILITY

20,000 square feet of quality assurance. The bare essentials for a premium product. This state-of-the-art facility gives immediate daily feedback to production for quality assurance in every unit built.

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!
