- Hardwood cabinet finishes
- Motoraid auxiliary coach heat system
- Tinted, dual-glazed, thermo-insulated Contour™ windows
- Powered patio awning with LED lighting and metal wrap
- Standard electric fireplace (32D, 38Q)
- Available stackable washer/dryer

On the Cover: 38Q Sapphire Full-Body Paint

38Q Splendor with Coffee-Glazed Vienna Maple Cabinetry

Adventure at Every Turn

You'll be prepared for almost anything when you combine diesel-pusher style and luxury with the affordability of a Class A gas coach—that's the promise of the Adventurer.® Four stunning floorplans allow you to choose the design that suits your lifestyle. As our flagship Class A gas coach, the Adventurer offers deluxe user-friendly features such as Ultraleather™ furniture,

MCD solar/blackout roller shades, frameless dual-pane Contour™ windows, and LED lighting that saves energy while you travel. And this year, we're introducing several new upscale amenities to the Adventurer's layout including a glazed finish on all wood choices and an available tankless water heater. Embrace your Class A lifestyle in the luxurious Adventurer.

Recognized Quality The Recreation Vehicle Dealer Association annually rates RV manufacturers and awards the Quality Circle Award to manufacturers that provide exceptional products, service, and support. Winnebago is proud to be the only manufacturer that has received this award every year since its inception.

Best in Class

See how Winnebago takes motorhome design and function to the next level, and why we've earned the right to be called the Most Recognized Name in Motorhomes.®

Click on this icon throughout the brochure to link to more information on the web.

Choose a set of two plush **Ottomans** (38Q) for extra storage and seating or to rest your legs while relaxing on your sofa.

Day or night, the smooth-retracting **MCD Solar/Blackout Roller Shades** give you total control over light and privacy levels.

WinnebagoInd.com

Full-Extension Drawer Slides make it easy to open drawers wide and maximize their storage space.

Important gauges, switches, and controls are all centrally located in the **OnePlace® Systems Center**.

The **Rest Easy® Extendable Sectional Sofa** (38Q) glides from a sofa to a lounge to a bed at the touch of a button.

38Q Splendor with Coffee-Glazed Vienna Maple Cabinetry

Relax in style in this luxurious lounge featuring a Rest Easy sofa (NA 32D), a Euro recliner with a hoop base that allows the recliner to be moved when the coach is parked (37F, 38Q), and an impressive entertainment center that includes an HDTV. You'll appreciate the control that comes with the MCD solar/blackout roller shades, Blu-ray™ Home Theater Sound System, and inLounge™ sofa (32D). With the standard electric fireplace (32D, 38Q) and the Contour™ frameless, dual-pane windows, it's easy to unwind at the end of a long day.

Euro Chair Recliner

Entertainment Center

38Q Galley

Enjoy the useful preparation space on the high-gloss Corian® solid-surface countertops with a flip-up countertop extension and plentiful cabinet space with this upscale L-shaped galley. You can create culinary masterpieces with the microwave/convection oven while the new faucet with a pull-out sprayer makes cleanup easy. Also enjoy the new stylish galley backsplash and glazed finish on all wood choices.

Flip-up Countertop Extension

Microwave/Convection Oven

38Q French Door Refrigerator/Freezer

38Q Pull-Out Pantry

3-Burner Range Top

38Q Glide & Dine Dining Table with Four Chairs

Enjoy the comforts of home with the inLounge™ and inTable™ (32D) which can be moved to your preferred position and expand for dining for six. Other popular options include the BenchMark® full comfort dinette with additional storage (35P) and the innovative Glide and Dine table and chairs arrangement with a buffet (37F, 38Q) and a retractable HDTV (37F only).

38Q Glide & Dine Dining Table

38Q Glide & Dine Dining Table

38Q Bedroom

The spacious master suite offers luxurious sleeping comfort in a king or queen bed on the Ideal Rest® Natural Reserve digital comfort control mattress, allowing you to individually adjust the firmness on each side of the bed (standard 37F, 38Q, and available 32D, 35P). A cotton and bamboo fiber cover with a duo firmness reversible insert adds to your total comfort. Whether you like to unwind with a book or relax with a movie on the large HDTV, you can position the powered king bed at the touch of a button (37F, 38Q).

38Q Bedroom HDTV

Bath Vanity

38Q Wardrobe

Dash

Superior comfort and control are yours the minute you get behind the wheel. Thanks to the sideview camera system, AM/FM/CD/DVD radio with Rearview Monitor System, and available Infotainment Center with Rand McNally RV GPS, you'll be ready for anything that comes your way. Other cab conveniences include 12-volt powerpoints, map lights, a powered MCD solar/blackout front shade, and a dash workstation.

Powered Mirrors
with Defrost

Cab Seats Reclined

38Q Powered Patio Awning with LED Lighting

Now you can enjoy the same level of stylish comfort outside your Adventurer as you do inside. Relax in the open air under the shade of a powered patio awning with an available exterior entertainment center featuring an HDTV. The leveling jacks include 3-position controls, allowing you to level the coach from the cab, service center, or the entrance door. With ergonomic controls and color-coded labels in the service center, you'll be impressed with how quick and easy hookups can be.

LED Awning Lights

Available Exterior Entertainment Center

Exterior Service Center with QuickConnect[®] and QuickPort[®]

Stylized Aluminum Wheels

Fiberglass Roof

The crowned, one-piece fiberglass roof is backed by a 10-year limited parts-and-labor roof skin warranty.

Thermo-Panel® Sidewalls By layering fiberglass and high-density block foam insulation with welded aluminum support structures, we create some of the industry's strongest, most durable and lightweight sidewalls.

E-Coating An electrodeposition coating helps protect critical steel components.

Embedded Steel Metal substructures embedded into the sidewall provide solid attachment points to keep cabinets and appliances mounted securely in place.

Solid Framework Aluminum extruded in our own facility to our exacting standards creates an extremely strong and solid structural framework.

Laser-Cut Tubing

Precision laser cutters create precise joints in structural steel that are stronger and require less welding.

Interlocking Joints

Specially engineered interlocking joints connect the floor, sidewalls and roof where competitors often rely on simple screws to bear the weight.

**SUPER
STRUCTURE**

BUILT TO LAST

Every coach—from our smallest Class C to our largest diesel-pusher model—is built to Winnebago's® legendary SuperStructure® construction standards. It's a process developed and refined over more than 50 years of building some of the strongest, most durable coaches in the industry.

TESTING

Before rolling out of our factories, every coach undergoes an extensive 113-point inspection. Each coach also passes a high-pressure water test that simulates rain at a rate of 50-inches per hour to check for leaks. During the design process, our computer simulations, physical testing center, and rigorous test track ensure each model is built to last.

DETAILS

At Winnebago, we treat the features you can't see with the same care as the ones you can. Look in the access panels of some of our competitors' coaches and you'll see loose insulation and wires haphazardly strewn about. Winnebago maintains a clean fit and finish throughout so your coach will last for the long haul.

BUILT IN-HOUSE

We extrude our own aluminum. We rotocast our own plastic components. In fact, we manufacture most of our own parts so they are designed to fit the space, rather than fitting the space to an awkward off-the-shelf component size.

**SUPER
STRUCTURE**
BUILT TO LAST

Warranty⁷

12-month/15,000-mile basic limited warranty⁸

36-month/36,000-mile limited warranty on structure⁸

10-year limited parts-and-labor warranty on roof skin⁸

FOOTNOTES

- The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.
- Floorplans feature a wide-body design - over 96" In making your purchase decision, you should be aware that some states restrict access on some or all state roads to 96" in body width. Before making your purchase decision, you should confirm the road usage laws in the states of interest to you.
- The load capacity of your motorhome is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motorhome.
- Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.
- Capacities shown are tank manufacturer's listed water capacity (W.C.) Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.
- Actual towing capacity is dependent upon your particular loading and towing circumstances, which includes the GVWR, GAWR and GCWR as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.
- See separate chassis warranty.
- See your dealer for complete warranty information.

Winnebago's continuing program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice. Published content reflects the most current product information at time of printing. Please consult your dealer for individual vehicle features and specifications.
