- Powered patio awning with LED lighting
- 2,000-watt inverter/charger
- Automatic generator start system
- Available exterior entertainment center with HDTV
- Extensive storage

On the Cover: 38R Graystone Full-Body Paint

38R Mountain View with Coffee-Glazed Forest Cherry Cabinetry

Go Forward

It's time to go diesel with the elegant, pleasantly-priced Forza™. The Freightliner® XCS chassis provides a solid foundation with a Cummins® 340-hp diesel engine and Allison® six-speed transmission delivering the power. Diesel-pushers are known for storage and the Forza ups the ante with its Smart Storage™ design that pushes

capacity even further. Inside, you will appreciate fine amenities such as polished Corian® galley countertops, coffee-glazed cabinetry, upscale entertainment features, and LED lighting. Take a stroll through the Forza, and you will already be planning your first adventure.

Recognized Quality The Recreation Vehicle Dealer Association annually rates RV manufacturers and awards the Quality Circle Award to manufacturers that provide exceptional products, service, and support. Winnebago is proud to be the only manufacturer that has received this award every year since its inception.

Best in Class

See how Winnebago takes motorhome design and function to the next level, and why we've earned the right to be called the Most Recognized Name in Motorhomes.®

Click on this icon throughout the brochure to link to more information on the web.

Enjoy comfortable dining in the **BenchMark® Dinette** (36G, 38R). Drop down the Dream Dinette table and easily convert it into a convenient sleeping space for your guests.

The **Multi-Purpose Room with Flex Bed System** (38R) can smoothly transition from a wardrobe to a dinette. Quickly convert this area into two bunk beds when you have guests.

Keep your clothes fresh and clean wherever you are with the available **Washer and Dryer**.

The **Radio/Rearview Monitor System** features a touch screen color monitor, iPod®/MP3 input, and rearview color camera. Add the available SiriusXM™ satellite radio (subscription not included) so you can listen to your favorite stations wherever you go.

38R Mountain View with Coffee-Glazed Forest Cherry Cabinetry

Whether you're looking for an adventurous day on the road, a quiet afternoon cuddled up in front of the cozy available fireplace, or an evening of entertaining friends, the Forza lounge is an incredibly versatile space to accommodate your needs. Enjoy the home theater sound bar system with a built-in CD/DVD player, while the MCD blackout roller shades give you control over the tinted, dual-glazed, thermo-insulated coach windows. LED ceiling lights and a soft vinyl ceiling add to the relaxing ambiance.

MCD Blackout Roller Shades

HDTV and Available Fireplace

Preparing meals and snacks is a joy with ample preparation space and high-end galley features. Popular amenities include a three-burner range top, a microwave/convection oven with a range fan, a two-door residential refrigerator with an icemaker, and extensive storage with the pull-out drawers and adjustable shelves. The tasteful Corian® countertops, sink covers, and glass tile backsplash provide extra preparation space with a touch of elegance. You can also customize your galley to your preferred style with your choice of attractive cabinet finishes, including Coffee-Glazed Honey Cherry, Coffee-Glazed Forest Cherry, and Coffee-Glazed Vienna Maple.

Enjoy restful nights in the spacious master bedroom. You'll appreciate the roomy, walk-around queen bed and the ceiling flip-down HDTV in the 38R, while the generous wardrobe provides abundant storage. Take advantage of the available Ideal Rest® Nouveau digital comfort control mattress for even more comfort by customizing the firmness and support to your personal preference. You'll enjoy the washer and dryer available in each floorplan.

Dash

Get ready to kick your motorhome lifestyle into high gear. Noted for its signature quality and smooth ride, this luxury diesel-pusher will deliver the superior performance of the Maxum Chassis®. Six-way power cab seats offer stylish comfort while driving and also swivel as comfortable lounge chairs to accommodate more guests when parked. Powered mirrors with sideview cameras, a powered MCD visor shade, and a color rearview camera provide further comfort and control on the road.

Powered MCD Windshield/Visor Shade

Swivel Cab Seats

The Forza makes setup easy with quality features such as the exterior wash station so you can spend more time enjoying your destination and your journey. Relax under the powered patio awning and enjoy a movie on the HDTV with the available exterior entertainment center. Loading and unloading your gear is a breeze with spacious, lighted exterior storage compartments.

Stylized Aluminum Wheels (NA 34T)

Fiberglass Roof

The crowned, one-piece fiberglass roof is backed by a 10-year limited parts-and-labor roof skin warranty.

Thermo-Panel® Sidewalls

By layering fiberglass and high-density block foam insulation with welded aluminum support structures, we create some of the industry's strongest, most durable and lightweight sidewalls.

E-Coating An electrodeposition coating helps protect critical steel components.

Embedded Steel Metal substructures embedded into the sidewall provide solid attachment points to keep cabinets and appliances mounted securely in place.

Laser-Cut Tubing Precision laser cutters create precise joints in structural steel that are stronger and require less welding.

Interlocking Joints Specially engineered interlocking joints connect the floor, sidewalls and roof where competitors often rely on simple screws to bear the weight.

Solid Framework Aluminum extruded in our own facility to our exacting standards creates an extremely strong and solid structural framework.

SUPER STRUCTURE[®]

BUILT TO LAST

Every coach—from our smallest Class C to our largest diesel-pusher model—is built to Winnebago's® legendary SuperStructure® construction standards. It's a process developed and refined over more than 50 years of building some of the strongest, most durable coaches in the industry.

TESTING

Before rolling out of our factories, every coach undergoes an extensive 113-point inspection. Each coach also passes a high-pressure water test that simulates rain at a rate of 50-inches per hour to check for leaks. During the design process, our computer simulations, physical testing center, and rigorous test track ensure each model is built to last.

DETAILS

At Winnebago, we treat the features you can't see with the same care as the ones you can. Look in the access panels of some of our competitors' coaches and you'll see loose insulation and wires haphazardly strewn about. Winnebago maintains a clean fit and finish throughout so your coach will last for the long haul.

BUILT IN-HOUSE

We extrude our own aluminum. We rotocast our own plastic components. In fact, we manufacture most of our own parts so they are designed to fit the space, rather than fitting the space to an awkward off-the-shelf component size.

**SUPER
STRUCTURE**
BUILT TO LAST

36-month/36,000-mile limited warranty on structure⁸

10-year limited parts-and-labor warranty on roof skin⁸

FOOTNOTES

- 1 The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.
- 2 Floorplans feature a wide-body design - over 96." In making your purchase decision, you should be aware that some states restrict access on some or all state roads to 96" in body-width. Before making your purchase decision, you should confirm the road usage laws that interest you.
- 3 The load capacity of your motorhome is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motorhome.
- 4 Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.
- 5 Capacities shown are tank manufacturer's listed water capacity (WC). Actual filled LP capacity is 80% of listing due to overfilling prevention on tank.
- 6 Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR, and GCWR, as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.
- 7 See separate chassis warranty.
- 8 See your dealer for complete warranty information.

Winnebago's continuing program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice. Published content reflects the most current product information at time of printing. Please consult your dealer for individual vehicle features and specifications.

WINNEBAGO HAS A STORY AND WHAT A STORY IT IS

Looking Back

Take a Drive Down Memory Lane
Our favorite history topics in the American heartland of Forest City, Iowa, were here 100 years ago. Preserving and building high quality, eye-catching recreation vehicles. Here's our story between the pages.

1 of 18

Tell us your story

The story of Winnebago is about the people who love our products and take their wild enthusiasm on the road. Now we want to hear those stories – your stories. Please, do tell. We promise we'll read every word. All story submissions will receive a Crew T-shirt. Additional bonus: If your story is posted to the website, we'll send you a vintage-style Crew T-shirt. Read more about The Crew below.

WRITE YOUR STORY READ ALL ABOUT IT

Join the Crew

Show Your Pride
We're looking for a few good men and women on both coasts. We want you to wear everything to join The Crew. If you love Winnebago motorhomes and want to show it, you're in! Submit your photos and photos to become part of The Crew.

See How Far We've Come

MOVE THE SLIDER TO SEE THE EVOLUTION

Then & Now

The Crew is Back
In the 1950s, when the first motorhome was built, it was a simple box on wheels. Today, it's a fully equipped mobile home. See how far we've come.
