

Grand Tour

WINNEBAGOTM

Why Grand Tour?

- Unmatched performance of the exclusive Maxum Chassis®
- Multi-plex wall switches
- Stainless steel appliances
- Polished porcelain tile floors
- Carefree® Paramount awnings
- Electric fireplace
- Portable LP tank with gauge and LPG accessory connection (patio area)
- Keyless entry touch pad on assist handle
- Available premium paint package upgrade
- Standard Tailgate Package
- Aqua-Hot® zone heating, engine pre-heat, and continuous hot water

On the Cover: 42QL Solar Winds Premium Full-Body Paint

42QL Godiva with Glazed Java Cabinetry

Take a Tour with Luxury

Introducing the final stop in luxurious living: the Grand Tour.® This incomparably elegant diesel-pusher is built to surpass even the most demanding expectations. Its refined elegance begins with the revolutionary Winnebago-exclusive Maxum Chassis® with lowered-rail construction, unequaled ride, performance, and storage capacity. Grasp the power of the 450-hp Cummins® diesel engine in the Villa luxury six-way adjustable cab seats with powered footrests, heat and massage, and power lumbar support. Upscale amenities unique to the Grand Tour include polished porcelain tiles, a large skylight with powered shade, keyless entry, and six full-body paint packages. Multi-plex wall switches located

throughout the all-electric coach allow you to control exterior and interior lights, HWH® hydraulic jacks, MCD power shades, slideout rooms, and more, while the Carefree® Paramount awnings extend from the top of the RV to three easy positions: slideout, slideout and window, and full-patio extension. The LED lighting and electric fireplace infuse the interior with luxurious ambiance while outdoor entertaining is a joy with the Tailgate Package offering a single-burner induction range top, steel counter, lockable refrigerator/freezer, storage area, and cold water access. Plus, an exterior entertainment center features an HDTV with sound bar and subwoofer so you can truly have the best of everything. The Grand Tour: the final stop for luxurious living.

Recognized Quality The Recreation Vehicle Dealer Association annually rates RV manufacturers and awards the Quality Circle Award to manufacturers that provide exceptional products, service, and support. Winnebago is proud to be the only manufacturer that has received this award every year since its inception.

Best in Class

See how Winnebago takes motorhome design and function to the next level, and why we've earned the right to be called the Most Recognized Name in Motorhomes.®

Click on this icon throughout the brochure to link to more information on the web.

Maximize your living space with the **Extendable Sectional Sofa** (42QL). In a few short steps, you can extend the sofa to increase your seating capacity, or convert the sofa into a comfortable bed. A matching ottoman is included to kick back for movie nights.

The **Extendable Dining Table and Chairs** is the perfect place for your entertaining needs. The tabletop extends, allowing you to add additional chairs to accommodate your guests.

WinnebagoInd.com

Multi-Plex Wall Switches are located throughout the coach, giving you control of your exterior and interior lights, hydraulic jacks, exterior service center, MCD powered blackout shades, slideout rooms, and more.

Keep your valuables hidden in the **Safe** concealed behind the HDTV.

42QL Godiva with Glazed Java Cabinetry

Ultimate relaxation begins with the exquisite Ultraleather™ furniture that includes an Extendable Sectional Sofa, ottoman, and recliner in the 42QL, or a comfortable sofa with matching ottoman in the 42HL. Enjoy your favorite movie on the Blu-ray™ Home Theater System by the comfort of the electric fireplace, but feel free to roam around too. The HDMI 4X4 Matrix Audio/Video Selection System ensures that whatever you watch can link simultaneously to the multiple HDTVs throughout the Grand Tour. This unique lounge also boasts luxurious features such as powered MCD solar/blackout shades, TrueAir® maximum comfort air conditioning, and porcelain tile flooring. Revel in the sunshine while relaxing indoors beneath the gorgeous large skylight with a powered shade. And now with backlit, push-button multi-plex wall switches conveniently located throughout the cabin, you can easily control all aspects of your interior experience.

Extendable Dining Table and Chairs

Home Theater System
with Electric Fireplace

This top-of-the-line galley exudes the spirit of elegance with refined amenities such as stainless steel appliances, a two-burner induction range top with glass cover, French door refrigerator, microwave, and a drawer-style dishwasher. A convenient pull-out island and Corian® solid-surface countertops, along with a matching backsplash and sink covers, allow you to easily prepare everything from light snacks to full gourmet meals. Make your choice of glazed cabinetry to handsomely style the galley to your preference.

Live like a king from the comfort of your own motorhome when you experience the restful sleep in the powered king bed with the Ideal Rest® Natural Reserve digital comfort control mattress. In addition to the comfort of natural bamboo and cotton fibers and a duo-firmness reversible insert, you can also adjust each side of the bed to your ideal firmness level. With convenient nightstands, spacious his and her wardrobes, and an HDTV, this bedroom boasts the best in luxurious relaxation.

Both models feature a comfortable mid-coach half bath with a porcelain toilet and Corian countertop, while the luxurious master bath features the BIG Shower, a washer/dryer, a skylight, and a slideout linen cabinet.

A turn of the key is all that lies between you and the freedom of the open road with large Contour™ windows and the smooth ride ensured by the Winnebago-exclusive Maxum Chassis®. The Grand Tour boasts elegance and integrity in all things, and with the Villa luxury six-way adjustable cab seats featuring powered footrests, heat and massage, and power lumbar support, you'll always ride in perfect comfort. There's even a repositioned seat pedestal so you can easily rotate for more seating in the lounge. The standard SiriusXM™ satellite radio (subscription not included) delivers over 100 channels of digital entertainment, and you'll experience navigational confidence with the Infotainment Center equipped with Rand McNally RV GPS and rearview and side cameras. Powered mirrors with defrost and house mode allow you to mirror what's on the monitor to any TV in the coach.

42QL Powered Carefree Paramount Awning with LED Lighting

With four unique full-body paint packages, two premium paint packages, and an available 12" stainless steel valance panel, the Grand Tour is the epitome of traveling style. Its vast storage capacity allows you to pack all of your gear in easy-to-access spaces such as the standard 90" x 54" sliding storage tray. Hookups are quick and easy with the strategically color-coded service center. Relax underneath the powered Carefree® Paramount awnings while you enjoy the luxury of the exterior entertainment center and its large, swiveling HDTV. Choose to build memories with the Tailgate Package and its wealth of amenities such as a single-burner induction range top, stainless steel counter, refrigerator/freezer, and cold water access.

Fiberglass Roof

The crowned, one-piece fiberglass roof is backed by a 10-year limited parts-and-labor roof skin warranty.

Thermo-Panel® Sidewalls

By layering fiberglass and high-density block foam insulation with welded aluminum support structures, we create some of the industry's strongest, most durable and lightweight sidewalls.

E-Coating An electrodeposition coating helps protect critical steel components.

Embedded Steel Metal substructures embedded into the sidewall provide solid attachment points to keep cabinets and appliances mounted securely in place.

Laser-Cut Tubing Precision laser cutters create precise joints in structural steel that are stronger and require less welding.

Interlocking Joints Specially engineered interlocking joints connect the floor, sidewalls and roof where competitors often rely on simple screws to bear the weight.

Solid Framework Aluminum extruded in our own facility to our exacting standards creates an extremely strong and solid structural framework.

Steel Cab Structure Our innovative all-steel cab SuperStructure adds durability, strength, and safety.

SUPER STRUCTURE[®]

BUILT TO LAST

Every coach—from our smallest Class C to our largest diesel-pusher model—is built to Winnebago's® legendary SuperStructure® construction standards. It's a process developed and refined over more than 50 years of building some of the strongest, most durable coaches in the industry.

TESTING

Before rolling out of our factories, every coach undergoes an extensive 113-point inspection. Each coach also passes a high-pressure water test that simulates rain at a rate of 50-inches per hour to check for leaks. During the design process, our computer simulations, physical testing center, and rigorous test track ensure each model is built to last.

DETAILS

At Winnebago, we treat the features you can't see with the same care as the ones you can. Look in the access panels of some of our competitors' coaches and you'll see loose insulation and wires haphazardly strewn about. Winnebago maintains a clean fit and finish throughout so your coach will last for the long haul.

BUILT IN-HOUSE

We extrude our own aluminum. We rotocast our own plastic components. In fact, we manufacture most of our own parts so they are designed to fit the space, rather than fitting the space to an awkward off-the-shelf component size.

SUPER STRUCTURE

BUILT TO LAST

Visit BetterBuiltRVs.com to gain real insight into what goes into a Winnebago motorhome.

TAKE A TOUR

We're proud of our processes, state-of-the-art facilities, and the people who make Winnebago number one. We invite you to visit our complex in Forest City, Iowa, for a firsthand look at the dedication and technology behind every motorhome we build.

Call 641-585-6936 or 1-800-643-4892 or visit us online at WinnebagoInd.com/company/visit for more information.

WinnebagoInd.com

3-point engine mounting reduces engine vibration.

Engine compression brake uses the engine to slow the coach, promoting longer brake life.

15,000-lb. trailer hitch.⁶

Allison® 3000 MH 6-speed automatic transmission includes a touchpad control for ease of use.

Rear axle incorporates proprietary gear machining for a smoother, quieter ride.

"Clean Air Diesel" 450-hp ISL Cummins® engine delivers hill-climbing power when you need it most.

Low frame rails create a lower center of gravity, improving stability.

Winnebago's SuperStructure integrated with the lowered-rail design creates a chassis that is seven times stronger than typical raised-rail chassis designs.

Dual-fill fuel tank.

ZF IFS front suspension and NeWay® rear air suspension provide superior ride and handling.

MAXUM[®]

CHASSIS

The lowered-rail design moves intrusive rails from storage areas, creating up to 196 cubic feet of storage.

Taller, pass-through storage height accommodates bulky items.

Up to a 60° wheel cut provides a tighter turning radius and better maneuvering.

Extra space in critical areas allows for more pass-through storage.

Color-coded air lines make service easy.

Michelin® tires and polished aluminum wheels look sharp.

4-wheel ABS anti-lock air brakes provide fast stopping power.

A True Work of Art

You may not be able to see the Maxum Chassis as you're driving through the Rockies, but you'll know it's there. Its powerful Cummins turbo-charged diesel engine and Allison® transmission go to work so you don't have to sweat the peaks and valleys ahead.

Through a strong partnership with Freightliner, the undisputed leader in diesel motorhome

chassis, we set a new standard for handling, ride and performance in diesel chassis design.

But performance doesn't mean sacrificing storage. The innovative lowered-rail design of the Maxum Chassis opens up a cavernous basement storage compartment, offering up to 196 cubic feet of storage.

NEW 42HL

This quad-slide floorplan pulls out all the stops with its Glide & Dine dining table/buffet with an expansive picture window view, powered skylight in the front lounge, mid-coach galley with stationary island, and a spacious bedroom with his and hers wardrobes and a powered king bed.

Dimensions shown are for sleeping space only and may vary due to styling differences. Dashed lines denote overhead storage areas. Floorplans and specifications are also available online at WinnebagoInd.com.

NEW 42QL

This spacious floorplan with its full-wall slideout features an Extendable Sectional Sofa, electric fireplace, quality galley with a pull-out island, and a luxurious bedroom complete with his and hers wardrobes and a powered king bed.

Dimensions shown are for sleeping space only and may vary due to styling differences. Dashed lines denote overhead storage areas. Floorplans and specifications are also available online at WinnebagoInd.com.

36-month/36,000-mile limited warranty on structure⁸

10-year limited parts-and-labor warranty on roof skin⁸

FOOTNOTES

- ¹ The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.
- ² Floorplans feature a wide-body design - over 96." In making your purchase decision, you should be aware that some states restrict access on some or all state roads to 96" in body width. Before making your purchase decision, you should confirm the road usage laws in the states of interest to you.
- ³ The load capacity of your motorhome is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motorhome.
- ⁴ Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.
- ⁵ Capacities shown are tank manufacturer's listed water capacity (W.C.). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.
- ⁶ Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR, and GCWR, as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.
- ⁷ See separate chassis warranty.
- ⁸ See your dealer for complete warranty information.

Winnebago's continuing program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice. Published content reflects the most current product information at time of printing. Please consult your dealer for individual vehicle features and specifications.

WINNEBAGO HAS A STORY AND WHAT A STORY IT IS

Looking Back

Take a Drive Down Memory Lane
Our favorite history topics in the American heartland of Forest City, Iowa were over 50 years ago. We're proud of the high quality, eye-catching recreation vehicles that have been a part of the story between the wheels.

1 of 18

Tell us your story

The story of Winnebago is about the people who love our products and take their wild enthusiasm on the road. Now we want to hear from you: your stories. Please, do tell. We promise we'll tell everyone. All story submissions will receive a Crew T-shirt. And, if your story is posted to the website, we'll send you a vintage-style Crew T-shirt. Read more about The Crew below.

WRITE YOUR STORY READ ALL ABOUT IT

Join the Crew

Show Your Pride
We're looking for a few good men and women on both wheels and four. We want everybody to join The Crew. If you love Winnebago motorhomes and want to show it, you're in! Submit your photos and photos to become part of The Crew.

See How Far We've Come

MOVE THE SLIDER TO SEE THE EVOLUTION

Then & Now

The Crew is Back
At the 2015 Rally, we'll be celebrating a 50th Anniversary with its 50th W and 50th Anniversary. We'll have a special award given to the 50th Anniversary motorhome with the 50th Anniversary logo and 50th Anniversary.
