BETTER HOMES AND GARDENS®

With the expectation that your RV looks more like a home, we are pleased to bring the top design trends and fashions from the nation’s #1 lifestyle magazine into your home on wheels.

For 90 years, Better Homes and Gardens® has been America’s trusted lifestyle brand, inspiring you to dream and create. Whether it’s cooking, entertaining, gardening or home decorating, BHG is known as the down-to-earth guide for making everything “better.” Our exclusive BHG RV Fabric Collection is the perfect fit of world class recognition and an accessible style point of view.
Taking the extra time to ensure the best possible structure is exactly what you deserve, and this is why Thor Motor Coach insists on vacuum-bond laminating not only the sidewalls of the motorhome, but also the floor and roof. Vacuum-bonding is the optimum manufacturing process to ensure multi-layer integrity.
