With so many unique models available, Thor Motor Coach motorhomes are priced to fit anyone’s budget – from families buying their first motorhome, to full-timers looking for a roaming “dream home”. No matter how you choose to spend your time or your money, there’s a TMC motorhome that fits your needs. Welcome to the Challenger, the motorhome that is Made to Fit your aspirations.

WHEN WE SAY MADE TO FIT, WE MEAN IT.
A | TRITON® V10 ENGINE
The 6.8L V10 engine has a proven track record of durability and low-hassle maintenance. Extremely smooth running with a commanding 362-horsepower and 457 lb.-ft. of torque.

B | POWER 4-WHEEL DISC ANTI-LOCK BRAKES
Maintains brake balance in heavy use and varying road conditions. Reduces wheel lock up and helps maintain superior steering control.

C | BILSTEIN SHOCKS
Long lasting, rugged shocks provide greater stability and better road handling.

D | TORQSHIFT™ 5-SPEED AUTOMATIC TRANSMISSION
Provides crisp, firm and quick shifting without sacrificing driver comfort.

E | LIMITED WARRANTY
The Ford® Motorhome Chassis has a Bumper-to-Bumper Limited Warranty for 3 years or 36,000 miles and a Powertrain Limited Warranty for 5 years or 60,000 miles, whichever comes first.

Taking the extra time to ensure the best possible structure is exactly what you deserve, and this is why Thor Motor Coach insists on vacuum-bond laminating not only the sidewalls of the motorhome, but also the floor and roof. Vacuum-bonding is the optimum manufacturing process to ensure multi-layer integrity.

Your Local Thor Motor Coach Dealer

Thor Motor Coach is the industry leader in innovative design and builds a variety of unique styles, sizes and floor plans that feel custom-made – at a truly competitive price.

Important - Please Read: This brochure reflects product design, fabrication, material, components and specifications at the date of printing, which date is disclosed on the last page. Please visit us online at thormotorcoach.com or consult with your selling dealership for the latest in standards, options, specification and technical information. Photographs in the brochure may depict optional equipment or may only be available in certain floor plans. Components, appliances and the chassis may have been manufactured in a calendar year before the vehicle’s designated model year. All capacities are approximate. The actual length of the vehicle may differ from that indicated in the brochure due to variances in the manufacturing processes and/or installed components. All dry weights are based on standard model features and do not include optional features or equipment. Component part and appliance manufacturers issue limited warranties covering portions of the vehicle not covered under the limited warranty we issue.
