Heartland Luxury Crossover
Taking the world by Storm.
Beautiful Interiors

Cyclone is not your average toy hauler. You’ll appreciate the hardwood cabinets with a rich, durable furnish that provides a truly residential look and feel. Incredible interior spaciousness with mega-slides featuring huge windows and residential furniture with built-in recliners for the entire family plus a few friends. All Cyclones are equipped with a full featured kitchen and most models accommodate sleeping for eight or more.

Reclining Couch with Massage and fold-down backs complete with cup holders, USB and 110 volt outlets

Model CY 4150 Front Bath

Model CY 4200 Ultimate
**Ramp Door Patio Option**

Turn your ramp door into a versatile patio area

---

**Ultimate TAILGATING**

**Multi-Zone Entertainment**

System features a LCD flat-screen TV and two stereo systems with multi-zone capabilities so that you can listen to music outside the coach while someone else watches a movie or listens to music inside the coach!

---

**More Ramp Patios**

CYCLONE offers rear patio options on all models and side patios on select models. Enjoy over 75 square feet of additional space attached to the living area, up off the ground, dry and clean, covered by the awning and large enough to accommodate a bistro table and chairs for all your outdoor entertainment pleasure.

---

**More FUN**

**Built-in Outdoor Speakers**

CYCLONE owners can enjoy listening to their favorite CDs, catch up on the news, or listen to the big game on these powerful outdoor speakers, conveniently located patio side and easily controlled by the garage receiver.

---

**Light your task, set the mood or just kick back and relax. Enjoy perfect lighting throughout the CYCLONE.**

---

**Ramp Door Patio Option**

Turn your ramp door into a versatile patio area.
2x 15,000 BTU Standard Ducted A/C with optional 3rd 15,000 BTU A/C

Standard 4-door refrigerator

Level-Up
One Touch Automatic Leveling Option

- Full 6-Point Leveling
- Front-to-Rear and Side-to-Side Leveling
- Leveling system can be used to change a tire
- One power source
- Backup system in case of electrical failure
- Lightweight aluminum jacks
- Fully automatic leveling controls
- "Auto-Recall" Function: Remembers where tow vehicle was unhooked

Utilizing a remote sensor located under the rear axle, the Level Up system accomplishes a level coach in seconds. This eliminates a time consuming and sometimes dirty task of manually leveling your coach.

Level-Up’s 6-Point leveling system achieves a level coach while easing undo stress on the chassis, windows and sidewall when the coach’s slide-outs are extended or retracted.

Stop wasting time setting up and get to camping!

UNINHIBITED PASS-THRU EXTERIOR STORAGE
Choose CYCLONE for superior industry leading engineering which results in larger, cleaner pass-through storage possibilities.

THERMAL TESTED
Heartland 5th wheel construction has been subjected to rigid testing in the famous DOMETIC Extreme temperature testing chamber. The testing chamber temperature is set to 0º to test the heating system, followed by setting it at 100º to test its cooling ability. With our thick 2” laminated walls, enclosed and heated underbelly and insulated floor - the interior of the Heartland coach remained warm and comfortable through out the sub-freezing testing and nice and cool during the extreme heat test!

Residential Furniture

Where you purchase your recreational vehicle is ultimately your decision but Heartland urges you to consider buying at your local dealer. Dealers are part of your community, providing jobs and contributing to your local economy. These dealers are under obligation to provide warranty service for products they sell, but are not legally required to service products purchased from other dealers. At some point, you may need to return to the dealer you buy from - why not stay close to home? After all, home is where your Heartland is!

**BENEFITS OF PURCHASING YOUR RV LOCALLY:**

- You enjoy valuable relationship building with Dealer Representatives, close to your home, who will explain the features and benefits of the product.
- You receive a full product orientation prior to delivery, which includes hands-on directions for many of the coach's systems and functions. You are also introduced to the Dealership's Service/Parts/Warranty personnel who are at the ready to help you with any issues you may encounter, now and in the future.
- You enjoy customer PRIORITY. Dealerships generally service their purchasing customers first - others may experience long delays and miss opportunities to use their RV. What is it worth for you to have a dealership's full attention and motivation to satisfy you when you need service – in a timely manner?
- Valuable TAX dollars and jobs stay in YOUR community which pays for your roads, schools, police and fire departments.

**DON'T UNDERESTIMATE CUSTOMER SERVICE AND PERSONAL CARE!**

For Canadian Residents: If you purchase an RV out-of-country, there are additional fees, taxes and inspections that must be met before bringing your product home. Your local Canadian dealers are experts in these provisions.
