"NO SACRIFICES"

TRACER

"NORTH AMERICA'S FAVORITE RV COMPANY!"

PRIME TIME Manufacturing
www.primetimerv.com
For the consumer who is looking for ultra-light weights, but doesn’t want to sacrifice style, amenities, and comfort...we’ve designed the Tracer series travel trailers. The Tracer Executive offers spacious layouts, plush residential furniture, and other high end features not typically seen in an ultra-lite trailer that is often thousands of pounds lighter than traditional trailers!
For the ultimate easy-tow ultra-lite, take a look at the Tracer AIR! A special breed of travel trailer, the Tracer AIR was designed to be towed by many of today’s cross-over and mid-sized SUV’s. Featuring Prime Time Manufacturing’s exclusive ETERNABOND® Construction, EZ Tow wide track suspension, and durable high gloss fiberglass exterior, the Tracer AIR proves that a camper doesn’t have to be light on features to be light in weight! Tracer AIR will allow you to enjoy your next trip while making “NO SACRIFICES” on comfort and convenience.
The Tracer Executive represents the pinnacle of Ultra-lite innovation featuring wide open, spacious layouts that are often hundreds of pounds lighter than traditional floorplans. The Executive Series offers premium upgrades like Residentially-Inspired Furniture, Electric Awning, an LED Television, Slam Baggage Doors, and a Universal Docking Center. Now you can have all the features and the floorplan of your choice in a lightweight easy-to-tow Tracer Executive.

*Base Weight* - The weight of the unit with no fluids, cargo, optional equipment or accessories.

*Carrying Capacity* - The amount of weight available for all fluids, cargo, optional equipment and accessories.
The philosophy behind Tracer AIR is quite simple: Build an ultra-lite travel trailer that is easily towed by many of today’s smaller SUVs with all of the features that make camping a great experience. Make it a size that will allow you to go anywhere and everywhere. Make it affordable. Simply put: “NO SACRIFICES.”
### ADVANTAGE PACKAGE

**FROG™ the Forest River Owners’ Group!**

1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.

2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!

3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes, and fees. Your local Canadian Dealer is a professional at meeting these requirements.

4) Scheduling timely warranty repairs and adjustments through a local dealership provides for greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc, that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!

All information contained in this brochure is believed to be accurate at the time of publication. However, during the model year, it may be necessary to make revisions and Forest River, Inc reserves the right to make all such changes, without notice, including prices, colors, materials, equipment and specifications as well as the addition of new models and the discontinuance of models shown in this brochure. Therefore, please consult with your Forest River, Inc, dealer and confirm the existence of any materials, design specifications that are material to your purchase decision.
