A popular choice for families and first-time RVers, the 2017 Tiffin RED might be the most value-packed coach in our line-up. Named for its fuel-efficient, power-packed rear engine diesel, the RED spoils you with a multitude of standard features considered luxury upgrades by other RV manufacturers: Automatic HWH hydraulic jacks. Handcrafted cabinetry. Water filtration system. Ceramic tile floor. And the list goes on. Take a closer look at the RED. There’s a lot to like.
Thoughtful in every detail and in every dimension.
The design of every Tiffin floor plan must meet four essential criteria:

- Maximum space
- Optimal organization
- Relaxation plus
- Elegant atmosphere

MORE plans offer your family the most comfortable layout for life on the road.

Note: If optional furniture combinations are selected, window locations may vary from diagram shown.
Now it’s time to personalize your coach.

Start with our handcrafted hardwood cabinetry available in your choice of luxury finishes: Cordovan, English Chestnut or Mocha.

Then, add texture with your choice of designer fabric suites: Cocoa, Raw Silk or Truffle. All fabrics are treated for stain resistance.
