AMERICAN REVOLUTION 42S IS SHOWN IN MOON HAZE DECOR AND HIGH GLOSS CHESTNUT CABINETRY.
A REVOLUTION IN LUXURY

Featuring six intuitive floorplans, American Coach’s most affordable Class A lineup will revolutionize your motor coach experience with unprecedented comfort. Front to back, intuitive details greet you, starting with the well-appointed cab and ending with the full-featured rear bath. In the living area, select model L-shaped sofas create residential interiors, while the LG name sets the bar in entertainment. The galley itself revolutionizes cooking. Whip up meals on the flush-mount induction cooktop, or grab a quick bite complements of the Whirlpool stainless-steel convection microwave oven. And who doesn’t love a standard dishwasher?
Fundamental change — it’s the beating pulse of every revolution, paving unchartered roads for new ideas to be conceived. The American Revolution, the epitome of luxury redefined. Built on its own exclusive Liberty Chassis with a 450 HP Cummins engine, the American Revolution unlocks a world of freedom for those looking to step up into a Class A luxury motor coach. Surround yourself with gracious amenities and impeccable style when you set out to conquer the open road.
Combining extravagant textures and comfortable fabrics with innovative features and name brand appliances the American Revolution inspires and emboldens those looking for something more.

We take pride in every detail of our coaches, right down to the gleam of each paint package, which is why American Coach features its very own custom paint facility at its manufacturing location in Decatur, Indiana. Every coach makes its way through the 125,000-square-foot facility, visiting eight different downdraft paint booth stations to achieve American Coach’s pristine look — an automotive full-body paint with sand and buff high-gloss finish.

An exceptionally built motor coach should ride on an equally exceptional foundation. The Liberty Chassis features a Freightliner V-Ride™ rear/drive axle for increased sway control and better coach handling. The heavy-duty steel bridge, along with the Freightliner UltraSteer® B-Series tag axle, provides added strength, increased maneuverability and better handling for confident command of the road ahead.

1. **THE INDUSTRY’S LARGEST STORAGE**
The Liberty Chassis design creates extreme passthrough basement storage space for taller compartments, easier access and loads of room. American Revolution also features a one-key system for all storage and power door locks with key fob on select doors.

2. **ZF DOUBLE WISHBONE INDEPENDENT FRONT SUSPENSION & PREMIUM SACHS® SHOCKS**
The front suspension features a 60° wheel radius for unmatched handling backed by the dependability of the ZF name, while custom-tuned Sachs shocks heighten comfort and increase safety.

3. **BENDIX® DISC BRAKES**
Bendix front wheel air disc brakes deliver uniform stopping power and better steering control, while reducing brake fade and stopping noise.

4. **V-RIDE™ SUSPENSION**
The V-Ride axle suspension features increased towing capacity, allowing you to carry more gear while providing a durable, comfortable ride.

**FREIGHTLINER ULTRASTEER B-SERIES**
The UltraSteer B-Series straight-beam axle and wide-track suspension arms provide increased lateral stiffness, offering complete control and precise maneuvering in all conditions.
American Revolution is backed by American Coach’s RV OWNERCARE warranty program, a limited one-year/15,000-mile coach warranty and three-year/45,000-mile structural warranty, whichever occurs first. And with each warranty comes a network of trustworthy dealers and regional technical centers ready to get you back on the road.

American Revolution is part of REV Recreation Group, a division of REV Group, Inc., a family of 26 industry-leading motor vehicle brands. At REV Group, we innovate, design and build products that connect and protect thousands of people every day—our trusted vehicles are engineered with the utmost rigor and precision to deliver the highest levels of performance, reliability, durability and safety.
