37RB with Midnight Marble Décor and Rich Caramel Cabinets
The Pioneer of Luxury Class C Motorhomes

Dynamax has been redefining the Class C for over 17 years.

Unlike flat-front, bus-style motorhomes, a Class C utilizes an automotive cab chassis for better airflow, fuel economy and handling.

The Dynaquest XL features all of the upscale appointments you’ve come to expect in a luxury Class A, but on a familiar, easy-to-drive chassis.

Unlike flat-front, bus-style motorhomes, a Class C utilizes an automotive cab chassis for better airflow, fuel economy and handling.
Designed and created by an RV enthusiast, our Aqua-Hot hydronic heating system provides quiet, evenly-distributed heat and unlimited hot water without the dryness created by a traditional LP furnace. It also offers utility bay heat, zoned heating, and dual power sources.

Multi-Plex wiring has been incorporated in the automotive industry for many years. This advanced wiring system requires fewer relays, connections, and wires, which reduces potential failure points. Color-coding and a programmable touch screen also makes it easier to troubleshoot if a problem occurs.

At Dynamax, each detail is carefully handcrafted to exceed your expectations. Premium carpet, Ultra Leather Furniture, polished tile flooring, solid wood cabinets, and residential quartz countertops are what you would find in a custom-built home. Name-brand electronics and appliances further enhance your travel experience to provide you with a true home away from home.
Solid Hard Wood
Crafted to Perfection

Here’s where old world craftsmanship meets cutting-edge technology. DynaMax builds with solid cherry hardwoods to produce the same exceptional cabinet construction found in your home.

- Mortise and tenon construction
- Pocket screws for structural integrity
- Hand rubbed finishes optimize grain definition
- Clear-coated solid hardwood doors provide additional protection and luster
- Dividing walls and cabinets are reinforced for added strength

Solid Hard Wood
Crafted to Perfection

Here’s where old world craftsmanship meets cutting-edge technology. DynaMax builds with solid cherry hardwoods to produce the same exceptional cabinet construction found in your home.

- Mortise and tenon construction
- Pocket screws for structural integrity
- Hand rubbed finishes optimize grain definition
- Clear-coated solid hardwood doors provide additional protection and luster
- Dividing walls and cabinets are reinforced for added strength
When you leave the comforts of home, the last thing you need is restless sleep. That’s why we include a residential memory foam mattress with iCool® technology in every unit we build. Neutral, designer bedding is included to compliment your preferred color palette as you add those personal touches.
Everyday
Luxury and Comfort

Solid hardwoods are a hallmark of Dynamax interior styling. Rich tones surround you throughout the coach. Generous sleeping quarters styled with fabulous fabric textures and patterns create visual interest. Our design team is renowned for exacting attention to detail, as well as their clever use of storage space.

What’s a home away from home without ample closet space? Wardrobe space abounds with his and her (or all her’s) cedar-lined closets and a multitude of drawers. An optional washer/dryer sits behind louvered doors with additional hanging space on the 37RB.

The dual vanity in the 37RB means no more fighting for counterspace or mirror time. Ample storage and a dedicated linen closet is perfect for any length of stay. In addition, the standard MaxxAir fan with built-in rain cover ensures adequate ventilation rain or shine.
Legendary Paint
From Start to Finish

Each and every motorhome undergoes the same painstaking process that has made our paint renowned in the industry.

- Remove most trim (instead of masking)
- Sand every inch to be painted
- Prime and seal
- Apply base paint (1-6 colors)
- Air brush drop shadows
- Apply multiple coats of clear
- Bake on the finish
- Cut and buff (the key to turning an average paint job into a show-stopping work of art)
- Apply 3M Diamond Shield® to protect key areas.

Swirls give you vertigo? By doing our paint in-house we’re able to accommodate solid color paint requests. This paint is applied with the same detail that we use on our own local artist designed themes.

Dynamax has three on-site 25’ x 60’ paint booths. This means we have maximum control of quality. By painting parts and slide-outs before they are installed, we eliminate overspray on slide seals and interior components.

A digitally-plotted spray mask is carefully applied.

DynaQuest XL
100th Anniversary Indianapolis 500,
Special Edition shown with matching stacker trailer.
DynaQuest XL

Hydraulic push-button self-leveling system and rear air ride suspension

Freightliner Service Network

If there is ever an issue with the chassis portion of your motorhome, Freightliner's industry-leading support network begins with over 400 Freightliner dealer locations across North America. Plus, Freightliner ServicePoint Facilities integrated with Travel Centers of America and Petro Shipping centers offer certified repair and warranty work across the country.

A Powerhouse of Engineering

Engine: Cummins®
- ISL 8.9L Diesel
- 450 Horsepower @ 2100 RPM
- 1250 lb.-ft of Torque @ 1400 RPM
- 100 Gallon Diesel Fuel Tank
- 6 Gallon Diesel Exhaust Fluid Tank
- Bragging Rights (varies by driver)

Transmission: Allison®
- Calibrated to a vehicle's particular operating requirements
- Smooth full power automotive shifts for fast acceleration and plenty of torque to handle steep grades with ease
- Match shift characteristics to the driver conditions with the simple push of a button
- Electronic controls precisely blend the transmission, retarder and service brakes for peak efficiency.

Deutsch heavy-duty, water-tight, bulk connectors with two 3,000 watt power inverters shown.

20,000 lb. Standard Hitch

Radiused, laminated one-piece fiberglass roof is standard on all models.

DynaQuest XL Standard Features & Options

**XL Chassis**
- Freightliner M2 112 Chassis; Cummins® 8.9L 450hp/1,250 lb.-ft. of Torque
- Allison 3200 TRV Six-Speed Automatic Transmission with Push-Button Electronic Shift Control
- Cummins® 8.9L Dual Reading Lights
- Hardwood Raised Panel Passage Doors
- Blue-Ray® Home Theater System (Living area)
- Electronic Cruise Control
- Four-Point Fully Automatic Hydraulic Leveling Jacks
- One Valve Parking Brake System with Warning Indicator
- Option: Brake Controller
- Momentary Battery Booster Switch for Connecting Chassis and House Batteries
- Driver and Passenger Air Ride Seats with Swivel Pedestals and Ultra Leather Upholstery
- Sirius/XM Satellite Radio Ready
- Color Monitor for Side and Rear Cameras
- DC Radio with Left Hand Mirror Mounted Antenna
- Tilt and Telescoping Steering Column
- CB Radio with Left Hand Mirror Mounted Antenna
- 17” Leather-Wrapped Steering Wheel
- Woodgrain Driver Instrument Panels
- Marker Lights with Separate Intermittent Switch
- Low Air Pressure Light and Buzzer
- Digital Flush Mount Alarm Clock in Dash
- 12V Accessory Ports
- Electronic Cruise Control
- Power Remote/Heated Mirrors
- Power Locks
- Power Windows - Driver and Passenger
- Three-Point Seat Belts - Driver and Passenger
- Electronically-Controlled Dash Air Conditioning
- Dual Reading Lights
- Two (2) Cup Holders in Dash
- Aluminum Cab
- Chrome Grille and Air Intake Grille
- Front Fiberglass Bumper Cover
- Daytime Running Lights
- Chrome Heated and Remote Mirrors
- Tinted Door Glass and Operating Wing Windows
- Polished Stainless Steel Cab Risers
- Chassis Battery Shut Off Switch in Cab
- One Valve Parking Brake System with Warning Indicator
- Option: Brake Controller
- Momentary Battery Booster Switch for Connecting Chassis and House Batteries
- Driver and Passenger Air Ride Seats with Swivel Pedestals and Ultra Leather Upholstery
- Sirius/XM Satellite Radio Ready
- Color Monitor for Side and Rear Cameras
- USB and Auxiliary Inputs
- CB Radio with Left Hand Mirror Mounted Antenna
- Tilt and Telescoping Steering Column
- 17” Leather-Wrapped Steering Wheel
- Woodgrain Driver Instrument Panels
- Marker Lights with Separate Intermittent Switch
- Low Air Pressure Light and Buzzer
- Digital Flush Mount Alarm Clock in Dash
- 12V Accessory Ports
- Electronic Cruise Control
- Power Remote/Heated Mirrors
- Power Locks
- Power Windows - Driver and Passenger
- Three-Point Seat Belts - Driver and Passenger
- Electronically-Controlled Dash Air Conditioning
- Dual Reading Lights
- Two (2) Cup Holders in Dash
- Aluminum Cab
- Chrome Grille and Air Intake Grille
- Front Fiberglass Bumper Cover
- Daytime Running Lights
- Chrome Heated and Remote Mirrors
- Tinted Door Glass and Operating Wing Windows
- Polished Stainless Steel Cab Risers
- Chassis Battery Shut Off Switch in Cab
- One Valve Parking Brake System with Warning Indicator
- Option: Brake Controller
- Momentary Battery Booster Switch for Connecting Chassis and House Batteries
- Driver and Passenger Air Ride Seats with Swivel Pedestals and Ultra Leather Upholstery

**XL Construction**
- 2” Laminated Constructed Sidewalls
- Gel-Coat Fiberglass Walls
- 2-1/4” Thick Laminated Aluminum Floor
- Crowned Fiberglass Roof
- Front Aerodynamic Fiberglass Cap and Front Transition Panels
- Molded Fiberglass Rear Cap
- R-8 Insulated Sidewalls; R-11 Insulated Roof; R-12 Insulated Floor
- Four-Point Fully Automatic Hydraulic Leveling Jacks
- Dual-Pane, Dark-Tinted Frameless Windows
- Rotational-Molded, Easy-Clean Storage Compartments
- Electric Slide System
- XL Exterior
- Custom Full Body Paint with Diamond Shield
- Roof-Mounted, Integrated Armless Patio Awning with LED Lighting
- LED Patio Light and Driver-Side Security Light
- Aluminum-Wrapped Slide Out Toppers
- Keyless Pad at Entry Door
- Black-Trimmmed Entry Door with Screen and Deadbolt Lock; Tinted, Frameless Window with Shade
- Lighted Acrylic Entry Grab Handle
- Exterior Wall-Mounted Entertainment Center with 32” LED TV, AM/FM/CD/DVD Radio with Two (2) Speakers
- Aluminum Side-Hinge Locking Exterior Storage Doors with Chrome Handles
- Front and Rear LED Clearance and Marker Lighting
- Chrome Roof Mounted Air Horns
- Rear Dynamax Mud Guard
- XL Interior
- Ultra Leather Furniture
- Ultra Leather Dream Dinette
- Option: Free Standing Dinette with Buffet, Table and Two (2) Chairs (ILO Dream Dinette)
- Front Overhead Entertainment System
- Polished Ceramic Tile Flooring
- Deluxe Carpet Pad (Slide Room)
- Deluxe Padded Ceiling
- LED Flush-Mount Ceiling Lighting
- Coordinating Fabric Window Treatments and Lambrequins with Hardwood Trim and Crown
- MCD Manual Day/Night Roller Shades
- Quartz Countertops
- Hardwood Cherry Cabinets
- Option: Rich Caramel Hardwood Cabinets with Hidden Hinge Cabinet Hardware
- Exterior Hardwood Raised Panel Passage Doors
- Hidden Hinge Cabinet Door Hardware
- Full Extension Soft-closing Drawer Guides
- Lighted Entry Step with Solid Surface Surround
- Front Privacy Shade
- 50” LED Smart TV and Fireplace (37BH)
- 40” LED Smart TV (N/A 37BH)
- Blu-Ray® Home Theater System (Living area)
- Option: Dual Reclining Theater Seats in Place of Sofa (37BH)

**XL Kitchen**
- Residential Refrigerator; Stainless Steel 22.0 cu. ft.
- Double Door with Ice Maker
- Flush-Mount, Glass Electric Cooktop
- Convection Microwave Oven
- Residential Quartz Galley Countertops
- Tile Backsplash
- Pantry
- Pantry
- Deep, Double-Bowl Stainless Steel Sink
- Upgraded Single-Handle Faucet with Pullout Sprayer
- MaxxAir® Power Vent with Rain Cover
- Under-Cabinet Lighting

**XL Bedroom**
- King Mattress (66.5” x 75”) with iCool® Sleep System (Gel-Infused Memory Foam)
- Front Overhead Entertainment System
- Polished Ceramic Tile Flooring
- Deluxe Carpet Pad (Slide Room)

Dynamax’s reputation for elegantly styled body lines
and head-turning paint is renowned. Dynamax owners are
indulged in first-class comfort with standout amenities
that are second to none.

For the motorhome enthusiast, the drive is as important
as the destination. We start with a commercial grade
chassis designed to exceed the comfort and safety
demands of professional drivers. The result...total
engineering synergy from one end to the other,
mile after mile, year after year.

Experience the complete package. Luxury living inside
with head-turning good looks outside – all in a fun to
own package – hand crafted by Dynamax.

At Dynamax, reaching a higher standard is not an option, it’s a tradition.

Power, Prestige
and Precision

GVRW (Gross Vehicle Weight Rating) - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, occupants, cargo, optional equipment and accessories.

For safety and product performance do NOT exceed the GVRW.

GCM (Gross Combined Weight Rating) - is the maximum permissible loaded weight of the vehicle and any towed trailer or towed vehicle.

For safety and product performance do NOT exceed the GCM.

GAWR (Gross Axle Weight Rating) - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by each axle.

UAW (Unloaded Vehicle Weight) - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit’s axle(s), including full fuel, all fluids and LP Gas. The UAW does not include cargo, fresh potable water, passengers, additional optional equipment and accessories. CCC is equal to GVRW minus UAW. Available CCC should accommodate fresh potable water (8.3 lbs. per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

*Estimated average based on standard build optional equipment.

**Estimated average based on standard build optional equipment.

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities.

The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit. The actual towing capacity is dependent upon your particular loading and towing circumstances, which includes the GVRW, GAWR and GCWR as well as adequate trailer brakes. Please refer to the Operator’s Manual of your vehicle for further towing information.

All information contained in this brochure is believed to be accurate at the time of publication. However, during the model year, it may be necessary to make revisions and Forest River, Inc., reserves the right to make all such changes without notice, including prices, colors, materials, equipment and specifications as well as the addition of new models and the discontinuance of models shown in this brochure. Therefore, please consult with your Forest River dealer and confirm the existence of any materials, design or specifications that are material to your purchase decision. ©2015 Dynamax, a Division of Forest River, Inc., a Berkshire Hathaway company.
