Fine RVing in an easy-driving Class C coach
The motorhome that started the Mercedes-Benz® Sprinter revolution just keeps getting better. From the powerful and economical turbo-diesel engine to the elegantly appointed interior, the Winnebago® View® is the ultimate in efficient, luxurious RV travel for couples and families. The View’s four slideout-equipped floorplans offer a variety of sleeping and living-space choices. All feature swivel cab seats for added seating flexibility in the lounge, a powered patio awning, and an available cabover bunk for added sleeping capacity. For those seeking the ultimate Sprinter-based Class C motorhome, the View has never looked better.
In each of the View’s four floorplans, the surprisingly expansive living area is bolstered by a slideout on the driver’s side. Dining options include a U-shaped dinette in the 24J, standard dinette in the 24D and 24G, TrueComfort+ Sofa with a table (24G, 24V), optional L-shaped sectional dinette with a table (24V) and dual recliners with a table (24V). Every floorplan includes swivel cab seats, plus a moveable pedestal table (NA 24J) for additional seating options when entertaining.
Cooking is a pleasure in the View’s complete and versatile galley, which includes a two-burner range and touch-control microwave/convection oven. The new compressor-driven double door refrigerator keeps things cool without depleting your propane supply, while the double sink makes cleanup a breeze. The standard cold-water filtration system provides clean, fresh water for drinking and cooking. For those who want a bit more in the kitchen, the View includes a frosted galley backsplash with accent lighting as well as covers for the stainless steel double sink.
Sleeping options abound in the View’s four floorplans. The 24G’s rear slideout provides enough room for a walkaround queen bed, while the Flex Bed System in the 24V easily converts from two twin beds to a single king bed. The 24D features an innovative walkaround queen Murphy+ Bed that folds out of the way when not in use. The cabover bunk provides even more sleeping capacity. Every View also includes a private bath with separate shower, flexible showerhead, and a self-cleaning, retractable shower screen.
Driving the View is comfortable as well as easy, thanks to fully adjustable seats that feature lumbar, recline, swivel, and slide functions. Power windows and power mirrors with defrost and integrated turn signals are also standard. The Radio/Rearview Monitor System with an optional 9” touch screen with Rand McNally RV GPS puts information and entertainment at your fingertips, while pleated windshield blinds help transform the View into your own private retreat in camp.
Outside, exterior speakers and a powered patio awning with LED lights enhance your comfort in camp, while two 100-watt solar panels and the standard 3,600-watt Cummins Onan® MicroQuiet™ LP generator (or available 3,200-watt Cummins Onan Diesel generator) keep the juice flowing when you’re off the grid. And to truly make your View your own, choose a deluxe graphics package or one of four striking new exterior full-body paint designs.
From our smallest Class C coach to our largest diesel-pusher, coaches are built to Winnebago’s® legendary SuperStructure® construction design. It’s a process developed and refined over more than 50 years of building some of the strongest, most durable coaches in the industry.

- **Interlocking Joints** Specially engineered interlocking joints connect the floor, sidewalls, and roof where competitors often rely on simple screws to bear the weight.
- **Laser-Cut Tubing** Precision laser cutters create precise joints in structural steel that are stronger and require less welding.
- **Fiberglass Roof** The one-piece fiberglass roof is backed by a 10-year limited parts-and-labor roof skin warranty.
- **Thermo-Panel® Sidewalls** By layering fiberglass and high-density block foam insulation with welded aluminum support structures, we create some of the industry’s strongest, most durable, and lightweight sidewalls.
- **Embedded Steel** Metal substructures embedded into the sidewall provide solid attachment points to keep cabinets and appliances mounted securely in place.
- **E-coating** An electrodeposition coating helps protect critical steel components.
- **Solid Framework** Structural extruded aluminum creates an extremely strong and solid frame.
TESTING Before rolling out of our factories, every coach undergoes an extensive 113-point inspection. Each coach also passes a high-pressure water test that simulates rain at a rate of 50-inches per hour to check for leaks. During the design process, our computer simulations, physical testing center, and rigorous test track ensure each model is built to last.

DETAILS At Winnebago, we treat the features you can’t see with the same care as the ones you can. Look in the access panels of some of our competitors’ coaches and you’ll see loose insulation and wires haphazardly strewn about. Winnebago maintains a clean fit and finish throughout so your coach will last for the long haul.

BUILT IN-HOUSE We process and finish key aluminum parts. We rotocast our own plastic components. In fact, we manufacture most of our own parts so they are designed to fit the space, rather than fitting the space to an awkward off-the-shelf component size.

Visit BetterBuiltRVs.com to gain real insight into what goes into a Winnebago motorhome.

BUILT TO LAST Call (641) 585-6936 or (800) 643-4892 or visit us online at WinnebagoInd.com/company/visit for more information.

TAKE A TOUR We’re proud of our processes, state-of-the-art facilities, and the people who make Winnebago number one. We invite you to visit our complex in Forest City, Iowa, for a firsthand look at the dedication and technology behind every motorhome we build.
The slideout provides added room to the Murphy+ Bed, while the dinette quickly converts to a comfortable bed for added sleeping capacity.
Dual slideouts provide added room to the main living area and the rear bedroom, which also features a walkaround queen bed.

Length 25’8"
Ext. Storage (cu. ft.) 53
Seating 3

Dimensions shown are for sleeping and shower space only and may vary due to styling differences. Dashed lines denote overhead storage areas. Floorplans and specifications are also available online at WinnebagoInd.com.
The U-shaped dinette is perfect for dining, games, or taking in a movie on the HDTV.
The Flex Bed System quickly converts from two twins to a king bed, while your choice of the TrueComfort+ Sofa with table, or dual recliners with table lets you truly make this View your own.

The Holcombes

Peter, Kathy, and Abby - have been full-time RVing since 2014. Using photos and videos shot by Peter, a professional photographer, the family has documented their many adventures around the continent including hiking, paddling, climbing, canyoneering, fishing, and more. All from the comfort of their Winnebago.

You can follow their journey at WinnebagoLife.com. You’ll also find hundreds of other great stories from GoLife’s outstanding contributors, along with how-to articles, gear reviews, RVing tips, and much more.

### Mercedes-Benz® Sprinter Chassis

- 3.0L 6-cylinder, 188-hp, turbo-diesel engine, 5-speed automatic tip-shift transmission, 220-amp. alternator
- Adaptive ESP® technology
- Hydraulic brakes w/ABS
- Trailer Hitch (5,000-lb. drawbar/500-lb. maximum vertical tongue weight w/7-pin connector)
- Stainless steel wheel liners (NA 24G)
- Alcoa forged aluminum wheels (24G)

#### OPTIONAL EQUIPMENT
- Stylized chrome wheels (NA 24G)
- Alcoa forged aluminum wheels (24G)
- 2-point electric stabilizing system (Requires Alcoa forged aluminum wheels 24G, 24J, 24V) (Required on 24D)

### Cab Conveniences

- Radio/Rearview Monitor System: DVD receiver with 6.2” LCD color touch screen, handheld remote, iPod®/MP3 input, rear color camera, Bluetooth®, SiriusXM® ready, Spotify®, AppRadio One®
- Cab seats: armrest, adjustable lumbar support, headrest, recline, swivel and slide
- 3-point seat belts
- Power door locks w/remote
- Power windows
- Power mirrors w/defrost and turn signals
- Cruise control
- Chassis/house battery radio power switch
- Power steering w/tilt wheel
- Sunvisors
- 12-volt powerpoints
- Pleated windshield blinds
- Dash applique package

### Interior

- Stereo System AM/FM, alarm clock, CD/DVD player, input jack, Bluetooth, 2 speakers and subwoofer
- **28” HDTV** (NA 24D)
- **32” HDTV** (24D)

#### OPTIONAL EQUIPMENT
- Large Screen Infotainment Center with Rand McNally RV GPS 9” touch screen color monitor w/split screen function, Rand McNally RV GPS safe & easy routing, amenities & tools, trips & content, turn-by-turn voice guidance, AM/FM radio, handheld remote, SiriusXM™ (includes 90-day trial subscription), iPod/iPhone® audio integration, Bluetooth® color rearview camera, USB connection
- 2 cab seat lounge cushions
- Sliding, pleated windshield blinds
- Mobileye® Collision Avoidance System
- JBL premium audio tuned 180-watt DSP amplifier with 5 speakers including subwoofer (24D Requires Alcoa forged aluminum wheels)
- LED lights
- Satellite system ready
- Monitor panel
- Amplified digital HDTV antenna
- Roof vent w/electric lift and ventilator fan, rain cover, remote control (NA w/available powered skylight)
- Mini blinds (galley)
- MCD solar/blackout roller shades
- Tinted coach windows
- Soft vinyl ceiling
- Vinyl flooring throughout (24G front to bedroom)
- Assist bar
- USB charger

#### OPTIONAL EQUIPMENT
- Powered skylight/roof vent w/sliding screen and pleated shade (24D Requires Alcoa forged aluminum wheels)
- Dual-pane acrylic windows
### Galley
- Laminated countertops
- Microwave/convection oven w/touch control
- 2-burner range top w/glass cover
- Norcold® double-door compressor refrigerator/freezer
- Cold water filtration system
- Water-pump switch w/light
- Pantry (24D)
- Double sink

### Bedding
- Corner bed w/headboard, foam mattress, mattress cover, and access to storage below (24)
- Queen bed w/memory foam mattress and mattress cover (24G)
- Flex Bed System twin beds/king bed w/foam mattresses and access to storage below (24V)
- Murphy+ Bed queen mattress, Euro suspension system, gel topper (24D)
- MCD blackout roller shades
- Room divider curtain (NA 24G)

### Exterior
- Automatic entrance door step(s)
- LED porch light w/interior switch
- Stepwell light w/interior switch
- Front and rear mud flaps
- Premium high-gloss skin
- Powered patio awning w/LED lights (full-body paint option includes metal wrap)
- Lighted storage compartments
- Exterior speakers
- Ladder (NA 24G)

### Bath
- Shower 23"x34" (24D)
- Shower 25.5"x36" (24G)
- Shower 26"x30" (24J)
- Shower 19"x28"x34" (24V)
- Retractable, self-cleaning shower screen
- Shower light w/wall switch
- Flexible showerhead
- Shower skylight
- Porcelain toilet w/foot pedal and sprayer (24J, 24V)
- Toilet w/foot pedal (24D)
- Porcelain toilet w/electric flush (24G)
- Powered roof vent w/rain cover
- Towel ring(s)
- Towel bar(s) (NA 24D)
- Tissue holder
- Robe hook(s) (24D, 24J)
- Medicine cabinet

### Heating & Cooling
- 15,000 BTU air conditioner
- 20,000 BTU low-profile furnace

### Electrical System
- Service Center light, cable TV input, 30-amp. power cord, portable satellite dish hookup, QuickPort® service connection hatch
- Auxiliary start circuit
- Exterior AC duplex
- Exterior antenna jack
- Battery disconnect system (coach)
- Automatic dual-battery charge control
- AC/DC load center, 45-amp. converter/charger
- 2 deep-cycle, Group 24 RV batteries
- 3,600-watt Cummins Onan® MicroQuiet™ LP generator
- 1,000-watt pure sine wave DC/AC inverter
- (2) 100-watt solar panel/battery charger
- w/controller, junction box, and plug for additional portable solar panel

### Plumbing System
- Service Center color-coded labels, pressurized city water hookup/tank diverter valve, drainage valves, exterior wash station w/lighted pump switch
- 10' sewer hose
- TrueLevel™ holding tank monitoring system
- 6-gal. 110-volt/LP water heater w/Energy Management System (NA 24G, 24D)
- Tankless water heater (24D, 24G)
- Permanent-mount LP Tank w/remote fill w/power switches
- Winterization Package water heater bypass valve and siphon tube
- On-demand water pump
- Lockable water tank fill
- Sewage pump macerator (24V)
- Holding tank flushing system

### Specifications
- Pantry w/light
- Water-pump switch
- Cold water filtration system
- Norcold® double-door compressor refrigerator/freezer
- 2-burner range top w/glass cover
- Microwave/convection oven w/touch control
- Pantry (24D)
- Double sink
- Flexible showerhead
- Shower skylight
- Porcelain toilet w/foot pedal and sprayer (24J, 24V)
- Toilet w/foot pedal (24D)
- Porcelain toilet w/electric flush (24G)
