**1 SLIDE OUTS**

- » Best in class slide height and depth
- » Flush floor slides with linoleum
- » Electric Motor Slide System
- » Laminate components plus 3M flashing tape along corners to prevent leaks

**2 DOORS & LOCKS**

- » Full-width entrance doors with built-in screen doors and integrated window shades
- » Entrance and baggage doors on secure and convenient key-alike system

**3 ROOF**

- » Double batten insulation layered with radiant foil
- » Screw-mounted plywood decking topped with premium quality PVC
- » No treatment required! Will not chalk or spot
- » Heat reflecting properties keep coach cooler in the summer

**4 FLOORS**

- » Double-welded framed floors
- » Insulated with rigid foam or anti-puncture moisture barrier woven underbelly, and strengthened with an overlapping double layer of laminate

**5 SIDEWALLS**

- » Lightweight, double-welded aluminum walls
- » Slide roof frames laminated with rigid foam insulation

**6 MAIN BODY**

- » Class-leading I-beam chassis and draw bars
- » Equa-Flex suspension system
- » Aluminum wheels with nitrogen-filled tires

**7 INDUSTRY-LEADING HEATING SYSTEM**

Oversize 4-inch heat ducts run from the furnace down to the fully enclosed underbelly and wrap around the tanks suspended between the chassis I-beams. Holding tanks are warmed by the forced air heat which prevents freeze-ups.

A return at the end of the tank connecting back into the coach provides the necessary air flow.

We stand behind our products. At Highland Ridge RV, we are one of the few manufacturers that have a 3-Year Limited Structural Warranty.

**MORE ROOM  
LESS WEIGHT**

This is our mission at Highland Ridge RV. It drives us to innovate and revolutionize the RV industry and it's why our products are 10 - 15% lighter than the competition.

Our Pet Friendly units offer linoleum throughout the main living areas, and no floor registers.

We put our products into a zero degree chamber for five hours with thermometers placed in key areas throughout the unit. The results speak for themselves.
