There’s a lot to love about the Open Road Allegro. Featuring a luxurious design, innovative technologies, reliable performance, and quality construction, this motorhome provides owners with what they’re looking for in a coach, and more. Our most affordable model, the Open Road Allegro provides owners and their families with all the comforts and amenities of home, at a price that’s also comfortable. The Open Road Allegro has earned legendary status by continuing to be more than just an ordinary RV—which is why for nearly 50 years, customers have time and time again, made it their motorhome of choice.
Both functional and stylish, the living room is the perfect place to relax and recharge after a day spent exploring. Solid wood cabinetry offers ample storage space, and cleaning up is easy thanks to the beautiful composite floors. Have pets? Our designer textiles are made from durable, stain-resistant material, and available in fashionable neutral color tones that hide pet hair.

Left to right: Dinette, Living Area. All interiors shown are 34 PA with Amber Glazed cabinets, Sand Bar décor.
The cool brightness of LED lighting illuminates interiors, using a fraction of the energy of incandescent bulbs to preserve the coach’s battery life.
Call it a day and rest easy on an ultra-comfortable memory foam mattress. Easy-to-open sliding doors give you privacy from the main living area and bathroom. After a long day of play, cleaning up is easy in the spacious shower stall crafted from seamless fiberglass. And handcrafted cabinets are the perfect place to safely and securely store all of your personal items.

**Master Suite**

Tiffin-crafted solid hardwood cabinets, drawers, and closets add more storage than many larger-sized models.
Home-on-the-road comfort and style. An upgraded solid surface galley countertop makes prepping for and preparing meals easy. The 3-burner cooktop range is perfect for cooking all your favorite meals, and the double bowl stainless steel sink and modern faucet make cleaning up a breeze. Beautiful, updated flat panel hardwood cabinetry adds space and style, while the panoramic galley window lets more light in, and lets you see more of what’s outside.
Premium Paint System

Our eight-step full-body paint system features premium grade paints sealed with three layers of superclear coat with ultraviolet protection. An additional layer of scratch-resistant plastic coating protects the front of the coach, stairwell, and entry door lock.
The design of every Open Road Allegro floor plan must meet four essential criteria: Maximum space, Optimal organization, Relaxation plus, and Elegant atmosphere. Tiffin's MORE Plans offer your family the most comfortable layout for life on the road.

If optional furniture combinations are selected, window locations may vary from diagram shown.

All options may not be available in every model. Because of progressive improvements and specifications, standard and optional equipment are subject to change without notice or obligation.
