SEALED MODULAR WIRING HARNESS

A Sealed Modular Wiring Harness protects the wiring of the 50SR. Since it's modular, repairs are much faster and easier!

DOUBLE REAR DOORS

The double rear doors on the 50SR make it easy to dump cargo quickly.

SMALL AND COMPACT

The 50SR is small and compact making it easy to maneuver between houses, barns and other obstacles. The small size also makes it ideal to be towed behind lighter-duty vehicles.
