The Foretravel REALM FS450 perfectly combines power, prestige & performance!

Unique to the REALM FS450 is the Spartan **K2**450 chassis.

The K2 450HP is not only massive in stature, but boasts a 14,600 lb. Independent Front Suspension with air disc brakes, Cummins L 450HP diesel engine with 1250 ft/lbs. of Torque, Allison Transmission 3000 MH 6-Speed, Driver Alert System with Lane Departure Warnings and Intelligent High Beam Control. Once behind the wheel of a **Realm FS450**, you will discover that a superior ride and handling starts from the road up.

Independent Front Suspension

The independent front suspension is computer analyzed and custom tuned to provide optimal comfort and control.

Featuring OnGuardACTIVE™

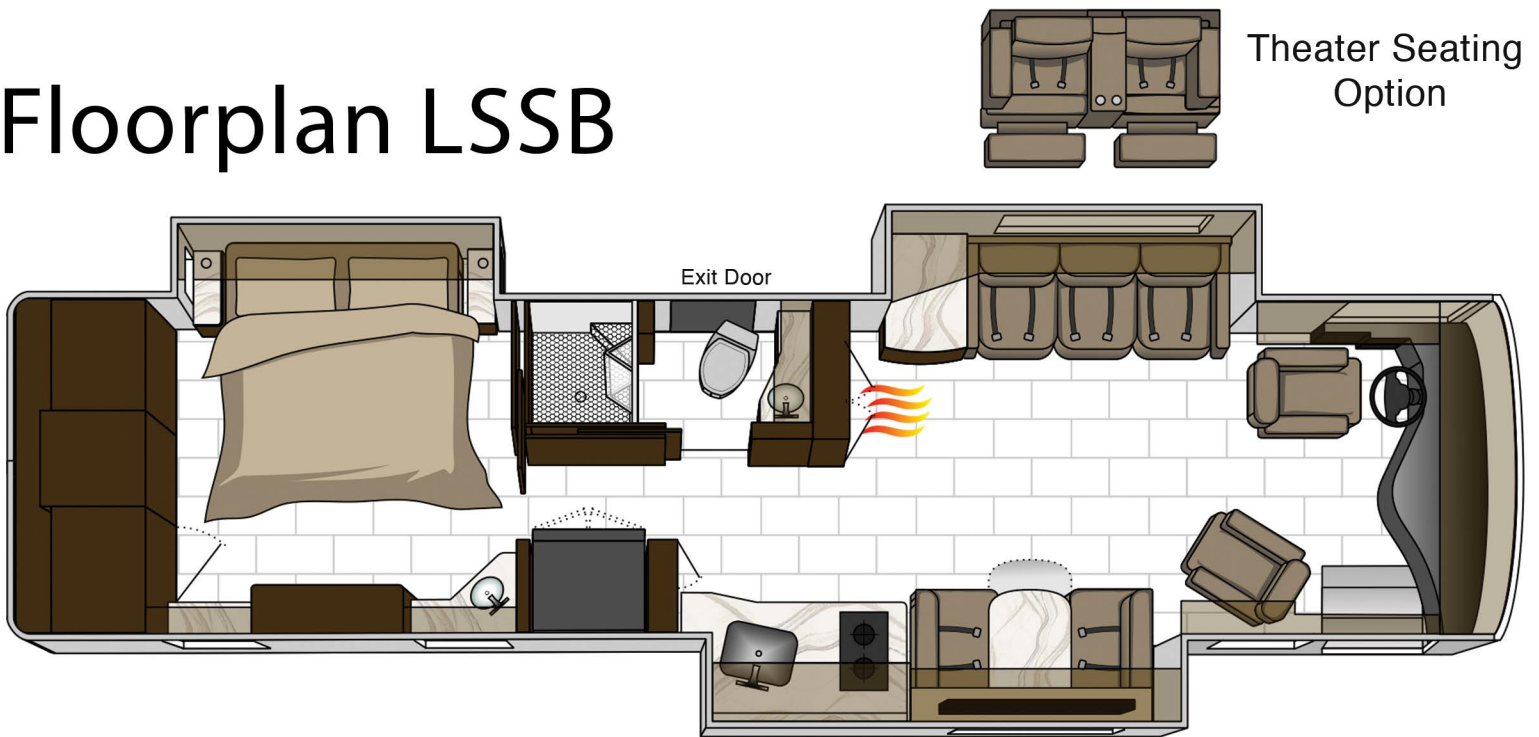

Spartan's Advanced Protection System® (APS), is the industry's first comprehensive set of RV-specific safety features designed to provide additional protection, security and value to coach buyers so you can focus on the road ahead.
