

THE NEW SOLIS

Versatility for every season and family.

The Solis® is purpose-built for families and active adventurers, with pop-top sleeping, multifunctional design that optimizes comfort and storage, and thoughtful new upgrades inside and out. It's the ultimate entry point into the camper van lifestyle.

What's NEW on the Solis

- **Driver's-side running board** to make entry easier, especially at tight fuel stops.
- **New exterior stripe graphics** create a fresh, modern style.
- **WinnSleep® mattress upgrade** provides enhanced support and comfort in camp.
- **Exterior drop-down table** now comes standard (59P/59PX) for versatile campsite functionality.
- **Industry-exclusive exterior freeze-resistant water fill** designed for cold-weather flexibility, allowing you to fill your tank without opening the rear doors.

Core Solis Features

- **Compact Ram ProMaster® chassis** with a 3.6L gas engine and front wheel drive for nimble handling and proven reliability.
- **Flexible layouts with sleeping for up to four** including multifunctional dinettes, and available pop-top lofts.
- **Complete galley** including a 2-burner range top, stainless-steel sink, and 12V compressor refrigerator for real cooking on the road.
- **Wet bath with cassette toilet** doubles as a gear rinse station, keeping the interior clean and functional.
- **Standard 190W solar panel and optional generator upgrade** to support off-grid power for climate control, cooking, and daily essentials. (Available on all floorplans)
- **20-gallon fresh water tank with Truma Combi® Eco heating** provides hot water and all-season comfort.
