WINNEBAGO

From Everyday to Getaway.

The new Winnebago® Elora™ / Resa™ helps you make more memories, spend more time together, and turn everyday opportunities into unforgettable experiences.

Smart Space + Modern Design

- **Convertible floorplan that sleeps up to four and seats six**, featuring a flexible dinette and lounge area that adapts to your needs—loungue, dine, sleep, or haul gear.
- **Narrow-body construction** delivers an easy, automotive-style driving experience while maximizing interior living space.
- **Open, airy interiors with expansive windows** create a bright, connected living area with room to move and unwind.

Built-In Comfort + Everyday Functionality

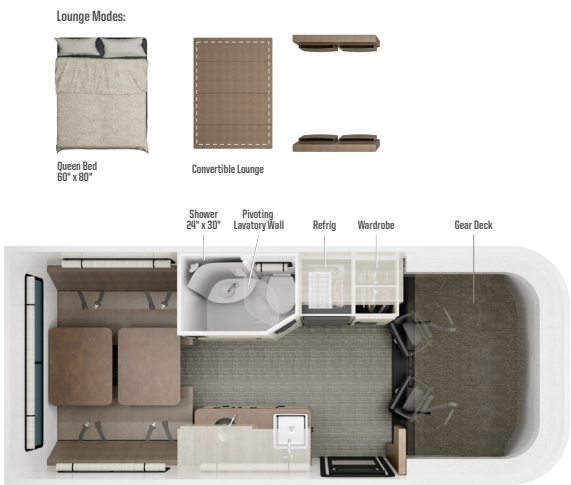

- **Residential-inspired sleeping options** include a convertible queen bed, full-size WinnSleep® power lift bed, and flip-up sofas for flexible lounging and sleeping arrangements.
- **Modular rear gear storage area** adapts easily to accommodate bikes, boards, luggage, and other adventure essentials.
- **Optimized storage solutions** include an over-the-cab gear deck, deep galley storage, and an integrated appliance and power stack for easy access and everyday organization.
- **Space-efficient wet-dry bath** with a pivoting wall and cassette toilet maximizes functionality without compromising comfort or usability.

Easy Driving Meets Effortless Living

- **At only 20 feet long** with a narrow-body design, the Winnebago Elora / Resa make driving, parking, and setting up feel refreshingly simple.
- **Chassis-fueled heating** supports extended travel without relying on LP for heat.
- **Integrated Winnebago Power systems** with EcoFlow® architecture and lithium capability simplify energy management.
- **Off-grid readiness** with standard solar power, lithium, optional hybrid generator, and automotive alternator charging help keep you powered wherever the road leads.
