Outback LOFT

The Loft is the first sport utility travel trailer to feature a bonus room that expands UP from the roof. With a touch of a button, you raise the roof on the second story and create a spacious living area with screened windows on all four sides, sofa sleeper, L-shaped lounge and entertainment center with LCD TV. The Loft upper level is easily accessed by an interior staircase. The Loft by Outback takes toy hauler living to a whole new level.

Staircase forward of the toy garage leads up to the Loft bonus room and makes for easy access.

The 7-1/2' x 7-1/2' Loft bonus room is comfortably equipped and spacious. Ceiling height is 6'4".

20-inch LCD TV in the bonus room folds flat for storage.

Large rear toy garage doubles as a bedroom. Queen bed folds down from the rear wall.
