

# Going my way?

**STARCRAFT**

CAMPING | *pure and simple.*

2010 AUTUMN RIDGE® AND AUTUMN RIDGE SE® | TRAVEL TRAILERS BY STARCRAFT™

# A perfect fit.

Autumn Ridge 246RKS / Sky

The 2010 Autumn Ridge is the perfect travel trailer for anyone looking for a comfortable, reliable way to experience the RV camping lifestyle. And with two series to choose from, each boasting a level of standard equipment and optional upgrades normally limited to more expensive units, it's the perfect travel trailer for anyone looking to experience a great value.

Autumn Ridge 368FBHU / Camel

## EXPANDABILITY

Featuring multiple slideout options and sleeping configurations, some Autumn Ridge models can comfortably sleep up to 10 adults.

## TRANQUILITY

A cozy sofa-dinette slideout provides plenty of room for you and your family to spread out and relax (some models).

## SIMPLICITY

With Autumn Ridge, you'll never pay for features and gadgets you'll never use. Our campers are built for camping. Nothing more, and nothing less.

# Families welcome.

Long on the features you need and short on price, Autumn Ridge travel trailers are designed to make the RV lifestyle accessible to everyone. Each model comes with a fully functional kitchen and bath, plus an open, comfortable living area. Other features include multiple slideouts, DVD/surround sound system, bathroom power vent, solid raised-panel cabinet doors and air conditioning.

Autumn Ridge SE 329BHU / Camel

With table seating for four, plus an available breakfast bar, space is never an issue with Autumn Ridge.

Autumn Ridge SE 285RBS / Cilantro

Clean up in Autumn Ridge's modern bathroom, featuring two medicine cabinets, two sinks and a glass-enclosed shower (in select models).

Autumn Ridge SE 285RBS / Cilantro

There's plenty of storage in Autumn Ridge's comfy, cozy bedroom with overhead cabinets and queen bed.

**Unloaded Vehicle Weight (UVW):** Sometimes referred to as "Dry Weight," UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories.

**Gross Vehicle Weight Rating (GVWR):** GVWR means the maximum permissible weight of the trailer, including the UVW plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC.

**Cargo Carrying Capacity (CCC):** CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC.

**Hitch Weight (HW):** The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle and the RV together before heading out on the roadways. When you tow an RV, you must drive differently than you do when driving a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Starcraft affixes a weight label to each RV which lists weight information for that vehicle. See specification chart above.

## Built right.

We built our reputation making affordable, reliable and durable campers with an Amish-inspired attention to detail. We use the highest-quality materials available, state-of-the-art production techniques and time-tested design principles. Because the last thing you need to worry about when you're camping is your camper.

### FLOOR

Because a camper is only as strong as its foundation, we use a  $\frac{5}{8}$ " tongue-and-groove plywood deck on 2" x 3" floor joists and R-7 fiberglass insulation to create one of the industry's strongest floors.

### WALLS

Our walls are built with 2" x 2" wooden studs, .024" aluminum exterior siding and R-7 fiberglass insulation, to create a strong, durable structure.

### ROOF

Moisture and aging don't stand a chance against our roof, which combines wood rafters with 4- $\frac{1}{2}$ " arched trusses,  $\frac{3}{8}$ " plywood decking, a one-piece seamless rubber membrane and R-7 fiberglass insulation.

## Built on tradition.

The Starcraft name has been around for more than 40 years—becoming one of the most dependable names in the camping industry. Today, our strong balance sheet and family-oriented business approach means we'll be around for decades to come. And you can bet our campers will continue to **come with everything you need to have a great time in the great outdoors, at a price that guarantees you will.**

### Why a Local Starcraft Dealer is Important to You

Establishing a solid relationship with your local Starcraft dealer is a key component in the enjoyment of your new Starcraft. By purchasing from a local dealer, you will have a convenient location for sales, parts and service support.

### One-year warranty

The Starcraft warranty is a manufacturer's limited warranty. Each Starcraft is warranted to the original purchaser for twelve (12) months from the original date of purchase against defects in materials and workmanship. Starcraft's limited warranty is not transferable. For a copy of the limited warranty with full terms and conditions, ask your local Starcraft dealer.
