AUGUSTA B+ SO MUCH MORE...

With the versatile, value-packed 2011 Augusta B+, it's all about selection. For starters, select from three floorplans in lengths of 25, 28 and 29 feet, designed for maximum livability. Choose among four stylish interior décor packages, including a Deluxe Package, and four exterior color themes, three of which are optional full-body paint. A Ford chassis with a Triton® V-10 gasoline engine, or Chevy chassis with a Vortec® V-8? It's up to you. Selecting Augusta was easy; deciding where to take it for your first adventure. ¹Towing capacity is limited by GCWR; your vehicle's towing capacity is the difference between the GCWR and the actual vehicle weight, including all water, fuel, passengers and cargo. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 1,000 lbs. Consult your owner's manual for further towing information.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated. Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Holiday Rambler provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Holiday Rambler dealer for unit availability and further information. The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications
