SUNSEEKER
A DIVISION OF FOREST RIVER
1. All Sunseekers feature heated/enclosed holding tanks and utility station. Your tanks stay warm with forced furnace heat and your dump area remains free from road debris.

2. The Sunseekers offers an optional back-up camera with 7” color monitor. Putting your monitor in the rear-view mirror allows you to keep your eyes on the road ahead. The separate monitor also allows you to use your radio or GPS while still driving.

3. All Sunseekers feature a 7” touch-screen radio. The radio offers AM/FM, CD and DVD playback, USB, Aux, weatherband and Bluetooth standard. The radio also offers the option of an iPod connector and in-dash GPS.

4. Select Sunseeker floorplans now offer a 32” outside TV. This 12 volt HD TV also comes with an outside DVD/CD player.
The 2860DS is a perfect choice for entertaining. The spacious interior is highlighted by a "social" seating area and a private bedroom. It also features an outside kitchen. The kitchen offers a refrigerator, sink, 26" 12 volt HD TV, storage and a portable exterior grill with LP quick connect.

Available on all floorplans, the optional front entertainment center features a 40" HDTV and ample storage.

2860DS WITH STANDARD EXTERIOR KITCHEN
1 & 2 The 3170S floor plan offers our innovative “Kids Zone”. The bottom bunk doubles as a sofa making it the perfect area for kids to hang out. Featuring a 19” 12v TV, DVD player and connection for gaming systems, your kids will have no trouble being entertained on those rainy afternoons.

3 Available in the 3050S and 3010DS, Sunseeker offers an optional 12.3 ft³ four door refrigerator with ice maker. This Class C first will truly make your RV kitchen feel like home away from home.
**SUNSEEKER CONSTRUCTION**

**MULTI-LAYERED LAMINATED ROOF SYSTEM**
1. CROWNED FIBERGLASS ROOF
2. LUAN DECKING
3. BLOCK FOAM INSULATION
