The Preferred Choice Across The Nation.

Year after year Coachmen ranks at or near the top of Class C mini motorhome sales from coast to coast. That's because no other brand can match Coachmen's combination of innovative floorplans and unparalleled quality.

Coachmen is the leader in selection and value with floorplans and features to suit just about anyone's needs. All Coachmen mini motorhomes provide the utmost in livability features and design. We revolutionized the industry by introducing the first wide-body Class C in 1991.

Of course many other brands have scurried to copy us, but why settle for an imitation when you can have the original?

From the economical Catalina Sport to the value-packed Leprechaun, we're confident that you can't find a better mini motorhome for the price. Let us tell you why.

Look Alike? Look Alike.

As you step into a Catalina Sport and Leprechaun, your first impression is of pleasing beauty and soothing comfort.

Our designers work diligently to insure lasting appeal, because at Coachmen we believe that beauty should be "more than skin-deep."

◆ Coachmen selects only upholstery fabrics that are wear-rated as "Heavy Duty." This means that Coachmen fabrics have been tested for durability beyond 15,000 double rubs (in and out action) to simulate heavy usage. A chair in the average American home is typically subjected to only 3,000 double rubs per year....

◆ Beneath its heavy-duty fabrics, Coachmen uses high-density foam in its furniture and cushions to protect against premature compression and breakdown.

◆ Coachmen uses only man-made, continuous nylon filament, semi-trackless carpeting that is Teflon treated for easy cleaning.

For long term wear, the carpet padding is equally important. Coachmen uses a

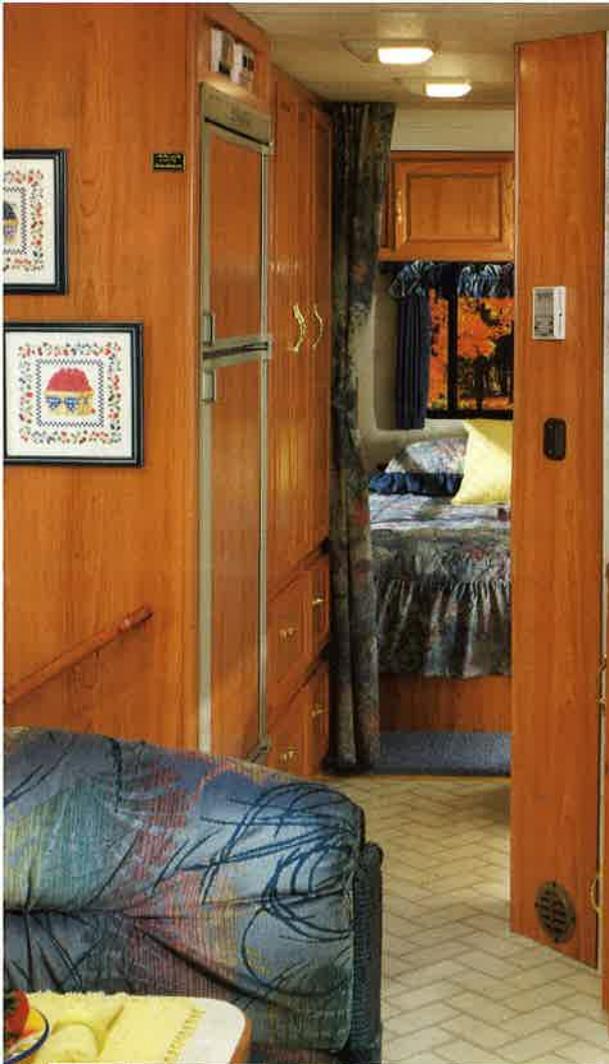

ABOVE: Golden Cherry cabinetry and Newporte Blue decor combine for pleasant surroundings in the 305 MB Leprechaun.

3/8" pad that is 70% denser than the industry norm, with an 80 lb. ILD (Indentation Load Deflection) versus the 33 lb. ILD most commonly used.

◆ All interior soft goods are treated for fire retardancy.

◆ Cabinet doors feature Golden Cherry hardwood frames. Unlike other brands that use a glued MDF construction, Coachmen's cabinet fronts are solidly screwed and secured to reinforced sidewalls.

ABOVE: Beauty, comfort, storage and convenience, Coachmen bedrooms have it all. Shown in Newporte Blue.

ABOVE: The Leprechaun 312 QB is great for just about any type of travel or event you enjoy. Shown with the optional entertainment center and Aqua Mist decor.

Features Galore!

▲ ABOVE: Golden Cherry cabinetry accents the eye-pleasing interior of the 240 WB Catalina Sport. Pictured in Copper Canyon.

◀ Water system operation and winterizing is quick and easy with Coachmen's innovative power fill system panel.

▲ Relax outdoors with the optional entertainment center, with speakers and TV jack.

▲ Leprechaun's "no mess" termination is convenient and easy to use.

▲ Your hose stores in the convenient swiveling boom, allowing you to leave the hose connected to your system. With the boom you can easily position the hose with a minimum of handling.

▲ The handy shower fixture allows for easy cleanup.

** One sleeping position is eliminated with optional front entertainment center

GVWR (Gross Vehicle Weight Rating): The Maximum permissible weight of the unit, including the UVW plus all fluids, cargo, optional equipment and accessories. For safety and product performance, do not exceed the GVWR.

CW (Curb Weight): The weight of the unit without factory or dealer installed options, plus allowance for the weight of full fuel capacity. The "payload capacity" for all other fluids, cargo, occupants, optional equipment and accessories can be determined by subtracting the CW from the GVWR.

GAWR (Gross Axle Weight Rating): The total weight each front/rear axle, suspension and tire system is designed to carry. When loading the unit, care should be taken to balance cargo weight in consideration of the GAWRs.

GCWR (Gross Combined Weight Rating): The maximum total weight of the loaded unit, plus a tow vehicle. This includes the weight of both the unit and tow vehicle, fuel for each, all other fluids, cargo, occupants, optional equipment and accessories.

Wider Widths: Numerous Coachmen floorplans feature the "wide body" design concept, which gives you significantly enhanced interior living space and innovative floorplans.

In making your purchase decision, you should be aware that a few states restrict access on some or all state roads to 96" in width, though special road usage permits are generally available. Vehicles up to 102" in width are permitted on all federal highways, and in the vast majority of states. You may wish to confirm the road usage laws in the states of interest to you before making your purchase decision. If width is of concern to you, we invite you to consider the broad array of other Coachmen models offered in the standard 96" width.

IMPORTANT NOTE: All capacities are approximate, and all dimensions are nominal. Coachmen motorhomes are designed to allow for a wide variety of uses, extended trips with two people or short trips with multiple people. Accordingly, each unit allows ample room for sleeping, seating, fluids and cargo. While the customer is the beneficiary of this design, the customer also bears the responsibility to select the proper combination of passengers, cargo, load, and tow vehicle without exceeding the chassis weight capabilities.

Seat belts should always be worn for passenger safety. Seat belts are provided at most locations to allow convenience in selecting which seat to occupy. However, it is not intended that all seating positions equipped with a seat belt may be occupied while the vehicle is in motion, without regard to other weight factors.

All Coachmen motorhomes are designed to ensure that the number of passengers allowed while the vehicle is in motion will always at least equal the stated sleeping capacity. Though extra seat belts may be provided, for your safety and the proper operation of your vehicle, limit your passengers to the number allowed by the Net Carrying Capacity of your vehicle.

All information contained in this brochure is believed to be accurate at the time of publication. However, during the model year, it may be necessary to make revisions and Coachmen reserves the right to make all such changes without notice, including changes in prices, colors, materials, equipment and specifications, as well as the addition of new models and the discontinuance of models shown in this brochure. Therefore, please consult with your Coachmen dealer and confirm the existence of any materials, design or specifications that are material to your purchase decision.

Catalina & Leprechaun Standards & Options

Standard Features

CATALINA & LEPRECHAUN INTERIOR APPOINTMENTS

- ◆ Golden Cherry Cabinets
- ◆ Residential Metal Drawer Glides
- ◆ Linoleum in Kitchen & Bath
- ◆ Night Shades - Coach (Leprechaun)
- ◆ Mini Blinds - Coach (Catalina)
- ◆ Mini Blinds - Bedroom
- ◆ Radius Slider Windows
- ◆ Radius Jalousie Windows-bedroom (Except 195RK, 220RK)
- ◆ Jack Knife Sofa (Catalina 195RK, 220RK, 285QB, 303 BH & Leprechaun)
- ◆ Side Dinette (Catalina)
- ◆ Dinette Back With Storage (Leprechaun)
- ◆ Reclining Pilot & Passenger Seats (Catalina & Leprechaun)

INTERIOR EQUIPMENT

- ◆ AM/FM Cassette with Four Speakers
- ◆ TV Antenna and Rotor Package
- ◆ LP Leak Detector
- ◆ Smoke Detector
- ◆ Carbon Monoxide Detector
- ◆ Fire Extinguisher

- ◆ Microwave Ready
- ◆ 3-Burner (High Output) Range Top w/Pots & Pans Drawer (Catalina)
- ◆ 3 Burner Range w/Oven (Leprechaun)
- ◆ Power, Lighted Range Hood
- ◆ Flush Mount, Double Door Refrigerator
- ◆ Refrigerator Light
- ◆ Freezer Shelf
- ◆ Silverware Tray
- ◆ Trash Can (Leprechaun)
- ◆ Monitor Panel
- ◆ Double Stainless Steel Sink

SLEEPING

- ◆ Queen Bed (Leprechaun & Catalina 285QB)
- ◆ Corner Double Bed (210CB, 240WB)
- ◆ Cabover Bunk
- ◆ Bunk Beds (303BH)
- ◆ Deluxe Innerspring Mattress 312 Coil (Except 195RK, 220RK)
- ◆ Bedspread & Pillow Shams (Except 195RK, 220RK)
- ◆ Privacy Drape - Lower Cab
- ◆ Privacy Drape - Bedroom (Except 195RK, 220RK)
- ◆ Privacy Drape - Cab Over (Leprechaun)

ELECTRICAL/HEATING/AC

- ◆ 30 Amp. Power Cord
- ◆ 110/12-Volt Power Converter (Catalina)
- ◆ 40 Amp. Power Converter (Leprechaun)
- ◆ GFI Circuit
- ◆ Battery Disconnect (Leprechaun)
- ◆ Outside Receptacle
- ◆ Patio Light
- ◆ 18,000 BTU E.I. Furnace (195RK)
- ◆ 20,000 BTU E.I. Furnace (210CB, 220RK)
- ◆ 31,000 BTU E.I. Furnace (Leprechaun & 240WB, 285QB, 303BH)
- ◆ Wall Mounted Thermostat
- ◆ Prewired for Roof Air Conditioner (Leprechaun)
- ◆ Ducting for Air Conditioner (Leprechaun)
- ◆ Cable TV Jack (Leprechaun)

BATH AND WATER

- ◆ Power Bath Vent
- ◆ 6-Gallon EI Water Heater
- ◆ One-Piece ABS Tub Surround (Leprechaun)
- ◆ Pump Switch at Termination (Leprechaun)
- ◆ Demand Water Pump
- ◆ Lavatory Sink
- ◆ Medicine Cabinet
- ◆ Closet Rod - Shower (Leprechaun)

AUTOMOTIVE/EXTERIOR

- ◆ Automotive Undercoating
- ◆ 35 Gallon Fuel Tank (195RK)
- ◆ 55-Gallon Fuel Tank
- ◆ Deluxe Chassis Package
- ◆ Cruise Control
- ◆ Tilt Wheel
- ◆ Power Windows and Locks
- ◆ Dash Air Conditioning
- ◆ Painted Mirrors with Convex (Catalina)
- ◆ Chrome Front Bumper
- ◆ Radial Tires
- ◆ Full Metal Wheel Covers
- ◆ Laminated Roof, Floor & Sidewalls
- ◆ Crowned Rubber Roof
- ◆ Luggage Rack and Ladder
- ◆ Aluminum Running Boards
- ◆ Single Entrance Step
- ◆ Rubber Entry Step Tread
- ◆ Dead Bolt Lock Entrance Door
- ◆ Exterior Mirror Upgrade (Leprechaun)

Optional Features

CATALINA

- ◆ Residential Dinette w/2 Chairs (285QB, 303BH)
- ◆ Jack Knife Sofa (210CB, 240WB) (Includes Pedestal Table)
- ◆ Privacy Drape - Cab Over
- ◆ Deluxe AM/FM Cassette Stereo
- ◆ Cable TV Jack
- ◆ Twin Bed w/Wardrobe (285QB)
- ◆ 3-Burner (High Output) Range w/Oven
- ◆ Residential Size Microwave Oven - 1.3 Cu.Ft.
- ◆ One Piece ABS Tub Surround
- ◆ Fantastic Three-Speed Roof Vent
- ◆ Front Cab Overhead Window
- ◆ 13,500 BTU Roof A/C
- ◆ 3.6 KW LP Vapor Generator (Includes Generator Prep) (Available w/Diesel Engine Option Only)
- ◆ 4.0 KW Gas Generator (Includes Generator Prep) (Not Available with Diesel Chassis Option)
- ◆ Emergency Start Switch
- ◆ Generator Ready
- ◆ Battery Disconnect
- ◆ Power Entrance Step - Single
- ◆ Spare Tire Kit
- ◆ Exterior Mirror Upgrade - Ford Only
- ◆ Air Assist Suspension - Ford Only
- ◆ Towing Hitch
- ◆ Awning (Not Available on Wide-Body Units Shipped to Canada)
- ◆ Diesel Chassis - 7.3 L Engine - Ford (Except 195RK, 303BH)

Features Galore!

▲ The overhead entertainment center is a very popular option in the Leprechaun.

▲ Attractive and integrated exterior mirrors are standard.

▲ You'll love the Leprechaun's optional exterior storage drawer! Enormous, felt-lined trays on steel rollers glide out at the touch of your finger tips. Another innovation from Coachmen!

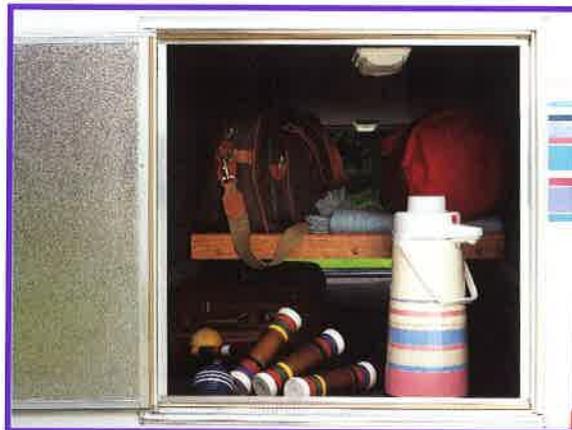

The optional ▶ microwave oven boasts a huge 1.3 cu. ft. interior space, making preparation of large dishes a breeze.

▲ Step wells feature rubber step treads, and a rare class C option: An electric entrance step with a dash warning light.

▲ Our spacious refrigerators feature a convenient interior light, and a handy freezer shelf.

◀ This massive "warehouse" rear pass through storage compartment is standard on all Leprechauns and features a handy sliding platform to transfer cargo from side to side.

QUALITY COUNTS THE MOST.

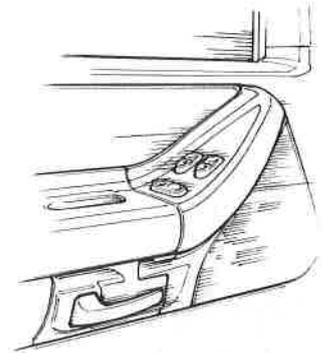

We will not build a motorhome with a flat roof! All roofs are vacubond laminated with a crown for controlled water run-off and additional strength. The roofs are covered with seamless, industrial grade rubber. All roof seams are sealed with butyl rubber based sealants that expand and contract with the climate to help prevent leaks.

Every motorhome is tested for leaks in a simulated rain storm created by a rain test lab within the manufacturing plant.

Wood framing around windows assures a tight, non-flexing attachment for all windows.

Two year structural warranty, along with the industry's leading full one-year Coachmen Buckstopper Warranty assures peace of mind.

We replaced all the trim parts with internal sealants to create a clean, easy to maintain chassis to upfit attachment.

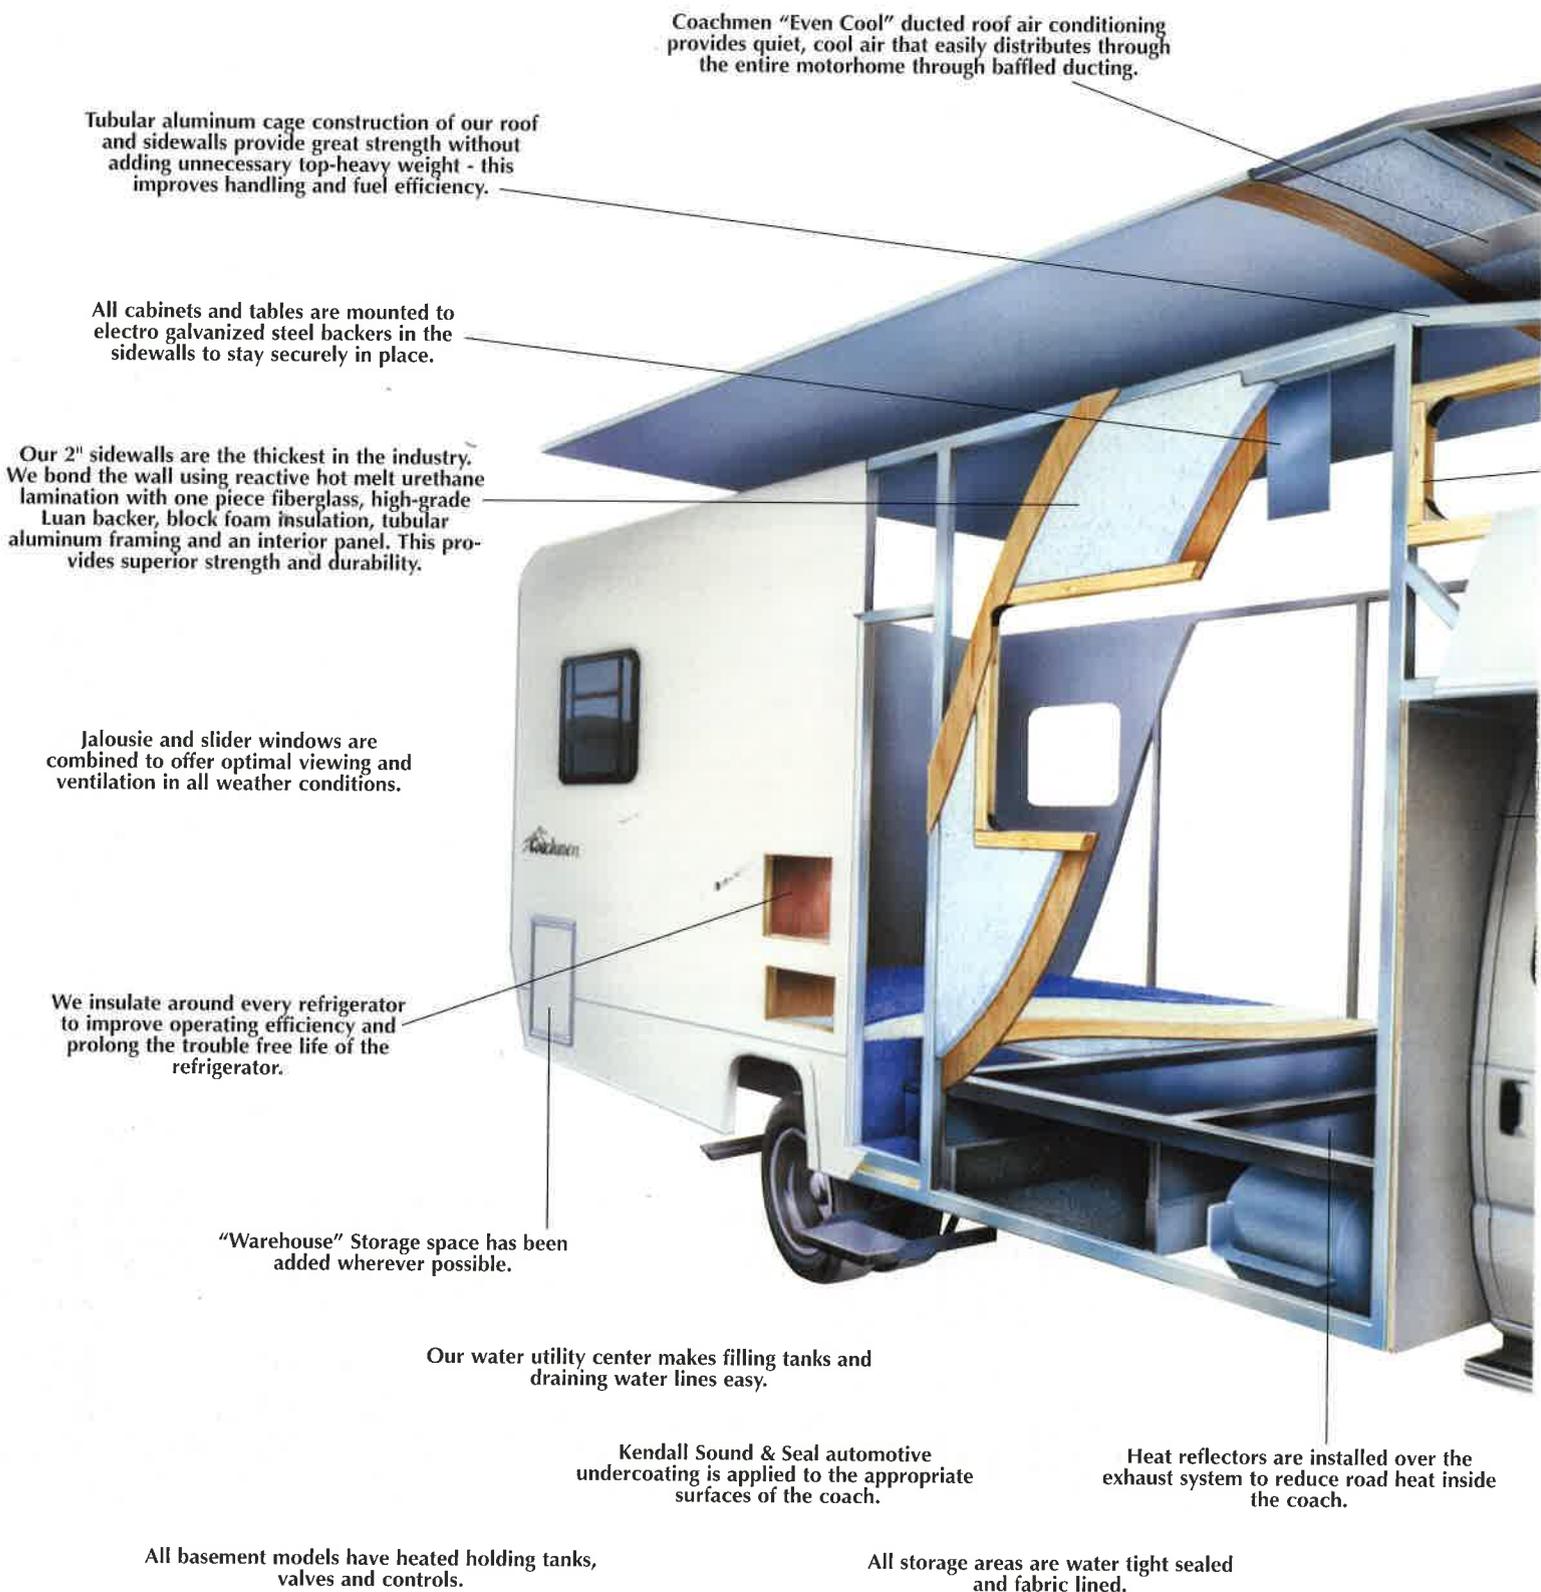

Power windows and door locks are standard features on Coachmen Class C's.

Aerodynamic mirrors adjust easily and match the up to date look of our motorhome.

Catalina & Leprechaun Class C Motorhomes

WHAT YOU CAN'T SEE US

Advanced Engineering

Up-Front Design For Long Term Comfort.

Founded in 1964, Coachmen is one of the oldest, continuous producing manufacturers of recreational vehicles. A secret of our success is our commitment to the continuous improvement of our products.

We have learned that quality must be designed and built in to the products, up front. Combining experience and technology, we are able to prevent many problems before they arise, through proper analysis and testing.

Design & Analysis

Unlike most companies, Coachmen uses computerized technology for much more than simple drafting applications.

Coachmen uses computers to see that everything fits—up front—so we can minimize gimp, trims and other “cover-up” techniques seen so often in other brands.

Computer weight testing is performed on every new model. Before a floorplan is approved, we know the approximate weights, including dry and loaded, front and rear axle weights and even side-to-side weights which affect drivability. After a model is built, the computer analysis is manually verified.

Leak Prevention

Due to the complexity of the product, compounded by road vibration, water leaks can be a problem. Coachmen's quest is to eliminate this frustrating and potentially damaging problem.

Extra care is taken to prevent exterior leaks. Every outside seam at the roof, floor and sidewalls—is wrapped, sealed and secured. All roof and sidewall

openings receive framing reinforcement, and are sealed.

Finally, every unit is tested for leaks in a high-pressure rain chamber, designed to simulate a driving rain, not just a spring shower.

Performance Testing

Coachmen subjects its new models to a myriad of tests, before introduction to the customer. Rigorous road tests, sometimes up to 15,000 simulated miles, are performed on actual production units, to verify computer modeling. Studies are made of structural integrity, stress analysis, cabinetry durability, weight loading, vibration analysis and handling.

There can be little doubt that Coachmen has superior quality—by design.

Coachmen Earns Ford's QVM Designation

In 1992, Coachmen was honored as the first recreational vehicle manufacturer to earn Ford Motor Company's Motor Home Quality Program Award. That distinction was based on Ford's thorough inspection of Coachmen's

management and manufacturing processes.

Coachmen RV Company is now designated as a Ford Qualified Vehicle Modifier (QVM). The QVM designation is only given to companies that meet the demanding requirements of Ford's Qualified Vehicle Modifier Program.

Buyer's Checklist

To help you make an informed purchase decision you'll enjoy for many years to come, refer to this list of Coachmen features. Please compare us to the competition!

- ✓Steel-framed floor
- ✓Full-dimension frame extensions
- ✓Automotive undercoating
- ✓2" Vacuum-Bonded floor
- ✓R-8 insulation factor
- ✓2" Vacuum-Bonded walls
- ✓Welded aluminum "Cage"
- ✓2-1/2" crowned and laminated roof
- ✓Industrial grade rubber roof
- ✓Reliable weight factors
- ✓Slider and jalousie windows
- ✓Finished and sealed exterior storage compartments
- ✓Name-brand appliances
- ✓55-gallon fuel tank (Ford's)
- ✓Clamp ring windows in framed openings
- ✓Heavy-duty upholstery
- ✓Luxury padded cab door panels
- ✓Furniture with steel frames
- ✓Linoleum in kitchen and bath
- ✓Semi-trackless carpet
- ✓312-Coil Innerspring Mattress
- ✓All interior soft goods treated for fire retardancy
- ✓Bed-Lift Storage system
- ✓Mini blind window treatments (Catalina)
- ✓"Even Cool" ducted air conditioning option (Leprechaun)
- ✓Sturdy screwed & glued cabinet construction
- ✓Residential drawer glides
- ✓Power windows & door locks
- ✓Basements with steel "bridge truss" design
- ✓Enclosed and heated tanks & "NO MESS" termination system (basement models)
- ✓Water-heater by-pass system
- ✓Extensive safety equipment
- ✓Two-Year Structural Warranty

A Warranty To Count On.

Buckstopper Warranty

We work very hard to see that our products out-perform your expectations. But, should something go wrong with the workmanship or materials during the warranty period, we will fix it. As the saying goes, the buck stops here.

Your Owner's Registration Card and our famous Buckstopper Warranty are your passport to worry-free travel. Throughout the United States and Canada, our network of over 300 independent dealers stands ready to provide you with courteous, dependable service.

Two-Year Structural Warranty

We are very confident about our products, for reasons explained in this brochure. Our owners share in our confidence, with Coachmen's exclusive TWO-YEAR LIMITED STRUCTURAL WARRANTY. Only with Coachmen do you receive extended peace of mind and warranty coverage for your floor, ceiling assembly and any laminated structural components.

Transferable Warranty

Your Buckstopper Warranty may be transferred to a subsequent owner for a small registration fee, if you sell your coach during the term of your one-year Buckstopper Warranty. This feature greatly enhances the resale value of your Coachmen product. (Sorry, the Extended Limited Structural Warranty may not be transferred.)

When making your purchase decision, you should select a company you can count on, with a warranty you can depend on. ***Nobody protects you better than Coachmen...for the long haul!***

See your Coachmen dealer for complete details on our generous warranty program.

Friends & Fun For Life.

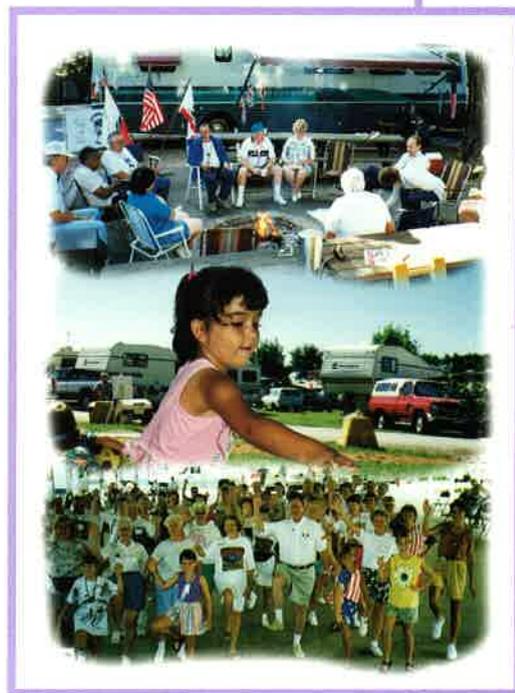

Your purchase of a Coachmen recreational vehicle qualifies you for a **free, one-year membership** in the International Coachmen Caravan, the nation's largest manufacturer sponsored RV club. Consisting of over 20,000 member families, the Coachmen Caravan was formed in 1966 to help our owners enjoy RV ownership to the fullest.

With Coachmen, unlimited opportunities exist for you and your family to form lifelong friendships; improve and share your unique talents, skills and crafts; be active in running your club; and exchange ideas, information and helpful hints—all these, plus the many benefits outlined below, are uniquely yours through the International Coachmen Caravan.

Incredible Membership Benefits

In addition to automatically expanding your circle of friends, your Caravan membership brings you a multitude of benefits:

- Free \$5,000 Accidental Death and Dismemberment Insurance policy, with additional policies available for \$5 a year.
- Emergency road service and RV insurance at low rates.
- Free trip-planning service.
- 10% Discounts at over 3,500 campgrounds in the U.S. and Canada.
- Free annual Campground Directory.
- Hassle-free group travel to popular destinations.
- Free lost-key return service.
- Organized campouts, meetings and parties.
- Free subscription to COACHMEN CAPERS, the club's quarterly magazine.
- Annual International Rally Week.
- A Coachmen Caravan MasterCard with no annual fee and low interest.

- Free I.D. card, Caravan key ring, vehicle decals and I.D. numbers.
- Discounts on club clothing, accessories, film developing and selected RV publications.

The Company

Coachmen: Leader To The Great Outdoors.

Coachmen Recreational Vehicle Company has manufacturing facilities in Middlebury, Indiana, Fitzgerald, Georgia, and Grants Pass, Oregon, and occupies over 600,000 square feet on nearly 120 acres. The Coachmen name is one of the most recognized names in our industry, and our products provide recreational enjoyment throughout North America and Europe.

From our beginning in 1964, we have been, "Dedicated to the Enrichment of Your Life." You will find proof of this dedication in our innovative and user-friendly products and our smorgasbord of customer benefits and services.

We are driven by a deep concern for your safety, comfort, pride of ownership and pleasure—in short, **your satisfaction.**

Coachmen knows what it takes to make an RV great. Join us! We'll lead the way to the great outdoors.

Come visit us at our Oregon facility (above left), our Georgia facility (above right), or our Complex in Indiana (top) where you can relax at our Visitor's Center (above center) and enjoy guided tours of the assembly plants.

Meet Pete The Coachmen Dalmatian.

Pete, the Dalmatian, has been a vital part of Coachmen since 1964, when he joined our newly formed company as watchdog, playmate and friend. Pete became our official mascot when we learned that, coincidentally, the Dalmatian is the official "coach dog." Since then, Pete has guided Coachmen and America to the best in products, quality and customer satisfaction. Follow Pete to the Great Outdoors.
