Everything but ordinary.  
Every Safari comes with the ability to roam free.

There’s a spirit in the air. One that whispers freedom — gently urging you to break out and go exploring on your own terms. At Safari, our coaches are bred with a passion for adventure. Whether it takes you to remote mountain hideaways, winding coastal roads or simply across the Midwest to visit your kids. We’ve combined the very best in engineering and innovation to give you feature-packed coaches at some of the best values in the industry. But in the end, don’t just take our word for it. Visit a Safari dealer near you, and get a real taste of the adventure that lies ahead.

The 2004 Safari Lineage

PANTHER
ZANZIBAR
SAHARA
CHEETAH
TREK
You hear it. Maybe it started from far away at first, but now it’s getting louder, more persistent. It’s the voice that’s nudging you toward new experiences — daring you to rekindle your spirit of adventure — telling you that now’s the time to live the life you’ve always dreamed about. And for all who hear it, Safari has a motorcoach just for you.

You see, the passion for adventure is at the heart of every coach we build. You feel it in the powerful performance of our big Cummins® engine and exclusive Roadmaster chassis. You find it in dozens of high-tech features and innovations. And you experience it in the unmatched livability of our plush, stylish interiors.

Yes, these are just some of the things that make adventures in a Safari so alluring. And once you’ve heard the call, you’ll know it’s time to take a closer look.

Welcome to the 2004 Zanzibar by Safari.

There’s more to owning a Safari motorcoach than just driving. There’s also the fun and camaraderie that comes from sharing your adventures with other Safari owners. Because, like you, they know life is to enjoy. And best of all, no matter where you go, you’re part of the Safari family. So, sit back and let the good times roll.
The 2004 Zanzibar is a product of years of listening to our owners, taking their suggestions, and understanding the things that contribute to a superior motorhome experience. This year, we’ve given the exterior a sleek new look, with smooth gel coat fiberglass sidewalls and fender skirts, polished aluminum wheels, and deluxe full-body paint. The redesigned front cap features contemporary headlamps and fog lights, as well as a new windshield. Ready to turn heads? Because wherever you go, the Zanzibar is sure to make a powerful impression.

You’re not afraid to bend our ear. We’re not afraid to listen.

Cut through the densest fog on the darkest night with Zanzibar’s powerful headlights. They’re designed for maximum illumination – and safety.
Welcome to the Zanzibar’s mission control. This year, we’ve redesigned the dash to feature an attractive bird’s-eye burl instrumentation panel, black gauges with gray lettering, and gun metal bezels. All the controls are ergonomically situated within easy reach, and some of the many features include a color rear vision system with audio, a dash stereo with optional Sirius radio system, optional CB radio, and optional power sunvisors. Plus, drivers of all sizes will be comfortable behind the wheel, thanks to our adjustable brake and accelerator pedals.

- It’s easy to find the switch you need, because they’re all conveniently grouped to the left of the steering wheel.
- The air dump switch aids in leveling and helps you get the coach closer to the ground for easier entry and exit.
- The Zanzibar features ICC flasher lights, located topside.
- Heated side mirrors offer full visibility in all weather conditions.
- The rear color vision system with audio gives you sight and sound at the rear of the coach for added safety and security.
- The 2004 Zanzibar features a 3-point hydraulic leveling system that keeps your coach level, no matter what the terrain.

For your convenience, the gauges and switches are both easy to see and easy to reach.
Welcome to a whole new world of luxury. Where style and convenience combine to create a coach that anticipates your every need. And numerous optional features let you customize the interior to suit you perfectly. This year, you have your choice of four beautiful color schemes, each with exquisite color-coordinated fabrics, carpeting, and window treatments. The hardwood cabinetry comes standard in alder wood or with optional regal cherry or natural maple. Decorative lighting sets the mood just right in the living room, dining room, and bedroom. And now, the living room and bedroom slide-outs feature an attractive hardwood fascia. At mealtimes you’ll appreciate the ingenious legless dinette table with two freestanding chairs. Or, if you prefer, you have the option of a booth dinette with a wood top.

Enhance the luxury of your coach with this optional Euro recliner and ottoman in our amazing UltraLeather® covering. UltraLeather® is a plush alternative to high-quality leather, designed to stand up to all the wear and tear of life on the road.

In the front of the coach, you’ll be in the lap of luxury, thanks to the comfort of the UltraLeather® pilot and co-pilot seats. And to make them even cozier, you have the option of six-way power controls and a power footrest on the co-pilot’s seat (N/A on side entry models). Overhead, you’ll find the large 25” stereo color TV with remote control, as well as a home theater system with DVD player and a stereo VCR. You also have the exciting options of a 30” LCD flatscreen TV and a fully automatic digital satellite system.

You can conveniently check and adjust the coach’s systems, including slide-outs, climate controls and tank monitoring gauges, right here in this systems control center (SCC).
The Zanzibar’s exquisite style and beauty continue into the galley where you’ll find many distinctive touches. Beautiful ceramic tile flooring graces both the kitchen and bath, and the solid surface countertops and sinks give the coach a sleek, contemporary look. The top-notch appliances include a double-door refrigerator with ice maker, a high-output two-burner cooktop, and a spacesaver convection microwave with touch control. Or if you prefer, you may choose the excellent options of a large four-door refrigerator or a three-burner range with oven.

When it comes to washing dishes or rinsing salad greens, nothing compares to the convenience of this pull-out faucet.

Conveniently tucked out of sight, the kitchen waste basket is easily accessible. This four-drawer organizer keeps utensils neatly in their place. In addition, low-friction roller guides throughout the coach give drawers a long life of smooth performance.

The new rounded counter edge adds beauty to the kitchen and makes the countertop easier to keep clean.
In the Zanzibar, you’ll find luxury in the bedroom with a beautifully coordinated bedspread, pillows and window treatments, as well as decorative wall lights and nightstands with matching wood tops. Select floorplans include a vanity with vanity chair, and a king bed is optional on all. You’ll also enjoy relaxing with the built-in 19” stereo color TV with remote control. And for the ultimate in convenience, you have the option of a combination washer/dryer. With all these amenities, this is a coach you can truly call home.

The bathroom is as roomy as it is attractive, with many coordinated details. You’ll appreciate how easy it is to care for the solid surface countertop with integrated sink. And you’re sure to love the satin nickel finish of the towel rings and the shower door frame. You’ll find plenty of room for all your necessities in the lighted medicine cabinet, and this year we’ve added drawer space to the vanity. The one-piece fiberglass shower features a touch of Safari etched on the glass door. And a bathtub, standard on the 40213, is an option on all other models.

To help you keep the coach tidy, we’ve added this new wooden clothes hamper (N/A on 40813).
Our designers have created exquisite color combinations for your 2004 Zanzibar. Now, you get to choose the one that’s right for you.

Showing our colors.

Our designers have created exquisite color combinations for your 2004 Zanzibar. Now, you get to choose the one that’s right for you.

The Zanzibar’s solid wood raised panel cabinet doors are crafted for beauty and durability, and they feature stylish new satin nickel finished hardware.

OPTIONAL GRAPHIC DESIGN AVAILABLE ON ANY OF THE ABOVE COLOR SCHEMES.
Every detail of the Zanzibar’s state-of-the-art construction combines to give you a coach with superior comfort and reliability. We encourage you to compare its design and engineering layer by layer.

So that wherever you roam, you’ll have the peace of mind of knowing you’re in one of the safest, best-built coaches on the road today.

**THE ROOF STRUCTURE:** (top to bottom)
- Heat-reflecting, polar white aluminum surface, arched for water run-off and extra strength
- Luana backing
- Tapered bead foam two inches thick at center
- 3-inch thick aluminum I-beam superstructure filled with fiberglass insulation
- Vapor barrier
- Structure foam
- Bead foam insulation
- Padded vinyl ceiling

**WALL LAYERS OF PROTECTION:** (left to right)
- Smooth gel coat fiberglass exterior walls
- Luana paneling
- Polystyrene block insulation
- 1.5” x 1.5” tubular aluminum frames with aluminum plate backers
- Luana paneling with decorative wall covering

All layers are laminated, and entire wall assembly is vac-u-bonded.

**Roadmaster Chassis**

For superior front-to-rear balance and overall performance, you can’t beat the Roadmaster RR4S. Roadmaster chassis are customized to the exact specifications of each Safari coach model and include many distinguishing features that make them the right chassis for your luxury motorhome.

- **Cushion Air Glide suspension** provides a smoother ride with excellent handling and cornering.
- The Zanzibar’s side-mounted radiator increases cooling capacity and allows for easier engine access.
- The SmartStructure® basement truss system, combined with the raised rail chassis, provides greater strength and structural integrity while reducing weight and increasing storage capacity.
- A wider, 34” spacing between the frame rails offers greater side-to-side stability. The rails also widen in the rear of the coach to accommodate engine access.
- The full air brakes with Automatic Traction Control (ATC) and anti-lock braking system (ABS) offer superior control. The ABS system maintains traction and steering when braking on slick surfaces, while the ATC system eliminates wheel spin during acceleration.
- Adjustable brake and accelerator pedals let each driver adjust to the perfect position in seconds, at the flip of a switch. Together with the tilt-telescoping steering column, this system greatly reduces driver fatigue.
- A PAC™ exhaust brake system allows the driver to use engine exhaust braking on long downhills, saving brake wear and enhancing safety.
- Dual fuel fills provide the convenience of filling the fuel tank from either side of the coach.
- A 10,000-lb. hitch receiver gives the coach powerful towing capacity.

As part of Monaco Coach Corporation, you have access to the industry’s largest service network, with 350 facilities from coast to coast.

Safari coaches are painted in our own state-of-the-art facility using a multi-step paint process to help lengthen the life of your motorhome’s exterior. Once the coach is sanded, a sealer and base coat are applied. Graphics are then put on by hand, and the coach is spray painted, using only the highest quality paint. When this is complete, the coach is ready for the final steps in the process, the application of three layers of clear coat. This finishing touch gives your coach added protection as well as its beautiful luster and sheen.

The adjustable pedals, combined with the tilt and telescoping steering wheel, adjustable visors and mirrors, and six-way power driver’s seat, make driving comfortable for drivers of all sizes.

16 17
From coast to coast, Safari coaches are recognized by our distinctive optional wildlife murals. Each mural is hand-painted by Dame family craftsmen, and you have your choice of hundreds of designs. Or if you prefer, custom designs are also available.

1 & 2. The powerful Onan® 6.5 kW LP generator (or optional 7.5 kW QD diesel generator) is easily serviced thanks to this power slide-out tray, located in the front of the coach.

3 & 4. The batteries are conveniently located on this slide-out tray, making them easier to check and replace.

5. Every square inch of the coach is put to good use, including this handy entry step storage, perfect for muddy shoes, flashlights, first-aid kits, etc. In addition, our electric step well covers, on both side-entry and front-entry floorplans, increase the overall space and safety of the coach.
** BODY CONSTRUCTION**

**Standard Features**
- Aluminum Superstructure
- Peaked Aluminum Roof with Fiberglass Insulation
- Smooth Gel Coat Fiberglass Exterior Walls
- Front and Rear Molded Fiberglass Caps with Integrated Bumpers
- Laminated Strutwood™ Flooring with Aluminum Framing
- Down Steps and Covers
- Foam Insulated Underbody with Luan Backer
- Chrome Power Heated Remote Exterior Mirrors
- Baggage Doors with Integrated Single Handle Latches
- Wheel Mud Flaps
- Deluxe Full Body Paint Entry Step Storage

**Options**
- 3M® Film Front Mask
- Full Length Safari Mud Flap
- Mural
- Rear Ladder

**APPLIANCES AND ACCESSORIES**

**Standard Features**
- Double-Door Refrigerator with Ice Maker and Raised Panel Doors

- Omega Slide-Out Awnings (Available Only on Driver’s Side Slide-Out with Window)

**CHASSIS/ENGINE/ SUSPENSION**

**Standard Features**
- Roadmaster RB54-Series Chassis (Raised Rail, 4 Air Bags, Side Radiators on Cummins® ISL 370 HP Diesel Engine with Allison® 3000 MH 6-Speed Transmission and Electronic Shifter, Torque: 1,200 lbs./ft. Max Net at 1,300 RPM,,Cabin Displacement: 540°/8.8L)
- 160 Amp Alternator
- Rear Axle Ratio: 4.30:1
- Dual Fuel Fill
- Radiial Tires: 275/70R22.5
- Polished Aluminum Wheels
- Four Air Bag Suspension with Four Gas Shocks
- Anti-Lock Braking System with Full Air Brakes (Oneway)
- Automatic Traction Control
- Pac Exhaust Brake
- Auto Slack Adjusters
- Fuel and Water Separator
- Fuel Filter
- Side Mount Radiator
- Rears: Air Intake Engine Block Heater
- Air Cleaner Restriction Indicator
- Hydraulic Leveling System
- 10,000 lb. Hitch Receiver* with Six-Point Connector

* Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed load exceeds 1,000 lbs.
With the Zanzibar, there's a real feeling of freedom when it comes to floorplans. That's because you have your choice of 12 of them, plus plenty of options, too. So, whether you like a king-size bed or a queen, a legless dinette with freestanding chairs or a booth dinette, you're sure to find a floorplan to suit you. That's because the Zanzibar lets you live the way you want, with the space to match.
Over 1,800 combinations to map out your dream adventure.

As a Safari owner, you’re entitled to join us throughout the year for rallies designed just for you. You’ll meet freedom-loving folks from across the country, all celebrating the adventure of the open road. In addition, you’ll enjoy sharing travel information and tips about your coach in our Safari Adventures magazine, published six times per year. And at www.safarimotorcoaches.com, you’ll find a world of information online, right at your fingertips.

Safari’s “Women’s Only” seminars provide the opportunity for us to get the feminine perspective, which helps us continue designing great motorcoaches.

When you purchase a coach from Safari, you become part of an industry-leading family of companies called the Monaco Coach Corporation. What does that mean for you? It means you have access to a wide array of benefits only we can offer. To begin with, your coach is built by a level of expertise that could only be achieved through the synergy and combined experience of all our companies. Like, for example, such exclusive innovations as the Roadmaster chassis — designed specifically for each individual model of our diesel coaches.

You also get the benefit of our White Glove and factory delivery processes, for added peace of mind; and your dealer will be happy to tell you about such innovative programs as our Extended Care service agreements and new Certified Pre-Owned program, guaranteeing a factory seal of approval for qualified pre-owned vehicles. Of course, once you’re on the road, you’ll have access to our nationwide network of more than 350 service facilities, meaning wherever you travel, you’re never far from a friend.

Depending on your model, your coach is built by a level of expertise that could only be achieved through the synergy and combined experience of all our companies. Like, for example, such exclusive innovations as the Roadmaster chassis — designed specifically for each individual model of our diesel coaches.

You also get the benefit of our White Glove and factory delivery processes, for added peace of mind; and your dealer will be happy to tell you about such innovative programs as our Extended Care service agreements and new Certified Pre-Owned program, guaranteeing a factory seal of approval for qualified pre-owned vehicles. Of course, once you’re on the road, you’ll have access to our nationwide network of more than 350 service facilities, meaning wherever you travel, you’re never far from a friend.

Ready to roll? In a 2004 Safari, the strength of our entire family is behind you every mile of the way.

Service Facilities Nationwide
350 and growing

No matter where you roam, the Safari Family Advantage travels with you.

WARRANTIES
12 MONTH/24,000 MILE basic limited warranty
5 YEAR/50,000 MILE limited warranty on aluminum or steel frame structure of sidewall, roof, front and rear cap
3 YEAR/36,000 MILE limited warranty on Roadmaster chassis
