STARCRAFT®

2005 CENTENNIAL® SERIES

Pursue Your Passions

3606 shown with white interior and Misty Blue fabrics.

Centennial, Starcraft's premier series of folding camping trailers, offers some pretty amazing standard features, including convenient floor lighting, a full-size, one-piece entrance door, a 3 cubic-foot refrigerator/freezer with interior controls, residential height counters and tabletops, plus laminated raised cabinet doors.

Whether open or closed, the sofa, galley and sink all remain in the 'up' ready-to-use position, which offers immediate access to all storage areas on the road, and less set up time at the campsite.

Where you head in your Centennial isn't that important. What really matters is the adventure, the exploration, the renewal, the escape. *Escape* for a couple of days with your spouse, *reconnect* with your kids, *learn* something new. Starcraft's

Centennial will take you as far as the confines of your imagination allow.

So, follow your path to adventure. Pursue your passions. Experience the pleasures of camping with Centennial folding camping trailers by Starcraft!
