

2005 LUXURY SPORT UTILITY TRAVEL TRAILERS & FIFTH WHEELS

RAPTOR

OWN THE ROAD!

KEY
PERFORMANCE

ALL THE CHOICE FEATURES YOU HAVE BEEN WAITING FOR AT RAPTOR'S AFFORDABLE

Shown here, the 3612 DS Double Slide Raptor Fifth Wheel offers many luxury features for your comfort and carefree living. You'll find that Raptor's spacious kitchen, surrounded by our solid-wood, raised-panel Endura™ cabinetry, will fill your every meal-time need from simple snacks to entertaining the crowd. The dinette and hide-a-bed sofa are residentially styled to create an atmosphere of comfort and warmth. In addition to the luxury bedroom suite (see right photo), there's a full-queen loft with its own entertainment center and cabinets.

With Raptor, you are home.

PRICE — LUXURY ON THE MOVE!

LIVING WITH A GARAGE NOT IN ONE.

Keystone RV Company, the nation's largest manufacturer of travel trailers and fifth wheels, created Key Performance as a new company with a simple, clear vision:
To Build the Most Innovative, Functional, Comfortable and Eye-Popping Sport Utility Vehicles on the Market Today.

We are proud that every Raptor floor plan is the result of actual feedback from experienced toy hauler users and others who enjoy active, adventurous life styles. We then develop new products around their many ideas.

We learned from you, the toy hauling enthusiast, that you want to live in comfort and style, not in a dressed-up garage for your toys or other cargo. And, you are looking for performance. These ideas created our Battle Cry, "LIVING WITH A GARAGE, NOT IN ONE."

We invite you to experience the next evolution in Luxury Sport Utility Trailers... we proudly present the 2005 Raptor.

Step into Raptor's Single-Level Master Suite, found in all Bed-Slide fifth wheels. A welcome retreat after a day on the trails, it features a full queen bed. The roomy dresser, a separate closet for your riding gear and the matching vanity create a complete wall of storage. The neo-angle shower includes a skylight for extra light and headroom.

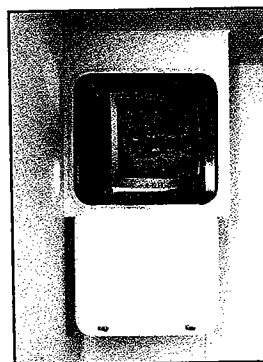

RAPTOR SHELTERS AND PROTECTS YOU AND YOUR TOYS.

GARAGE ON THE GO

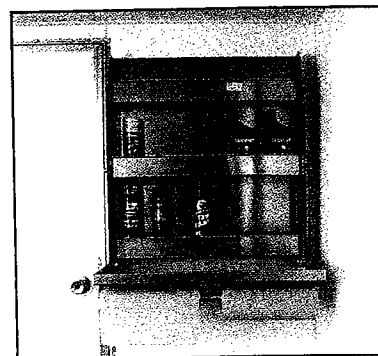

Raptor Offers Floor Plans with Or Without a Separated Cargo Area. You Can Choose the Style You Want. Every Raptor Cargo Area Features the Following:

- Huge 94-Inch Wide Door Opening
- 98-Inch Interior Width
- 1-Inch Thick Plywood Floor
- Screened Ventilation Doors
- Dovetail Floor for Better Ramp Angle
- Abundant Overhead Lighting
- Air-Conditioning in Garage

Watch TV while you care for your toys. The swivel mount gives you access from anywhere in the garage.

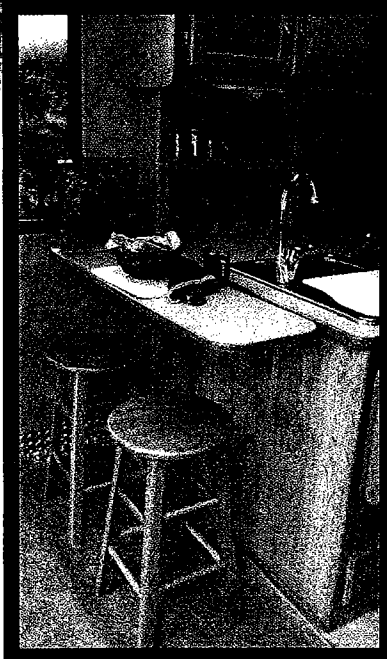

Raptor's convenient work center to the right of the garage door. Note the outlet, towel rack, and sturdy metal shelving with a folding counter.

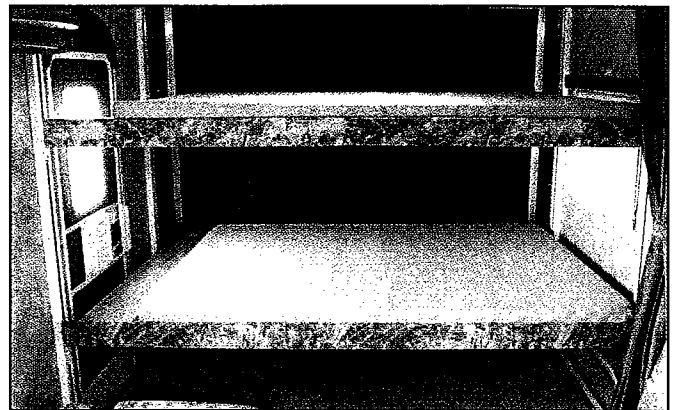

The Raptor Travel Trailer (shown here, model 3018 TT in Coastal Mist color scheme) gives you huge bay windows on both sides of your living room and a deluxe kitchen with the most countertop space found in any SUT, a breakfast bar with a spice rack, and a skylight. You'll appreciate many other features, such as a walk-in front bedroom, a flip-up sofa and dinette with an indoor/outdoor table, and sleeping for up to 10 with dual electric beds at the rear of your Raptor. (below right)

AS SHOWN ABOVE, even our floor plans with an open cargo area offer you an inviting, warm, and residential feeling. You don't have to give up the comforts of home. Remember our "Battle Cry":

**LIVING WITH A GARAGE
NOT ONE**

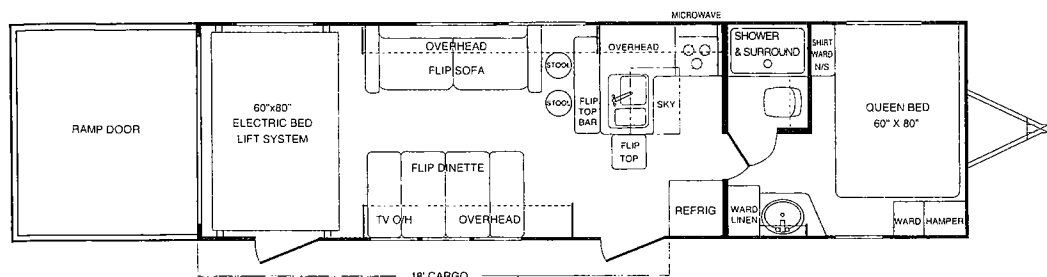

Your breakfast bar comes complete with stools and a view.

Dual full-queen electric bed lift system sets up with the push of a button.

PACKED WITH MORE STANDARD FEATURES THAN ANY OTHER SPORT UTILITY

KEY PERFORMANCE

3612DS WIDE-BODY FIFTH WHEEL

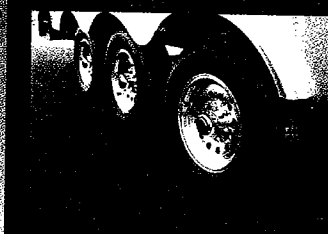

FOR FLOOR PLAN SPECIFICATIONS, SEE BACK PAGE

2005 LUXURY SPORT UTILITY TRAVEL TRAILERS & FIFTH WHEELS

Look how easy it is to operate your ultra-light ramp door. Notice there are no exterior cables or springs to get in your way. The hinges include grease-zerks for easy lubrication. Your Raptor ramp door is rated for 2,500 lbs. with 1,000 lbs. per wheel contact.

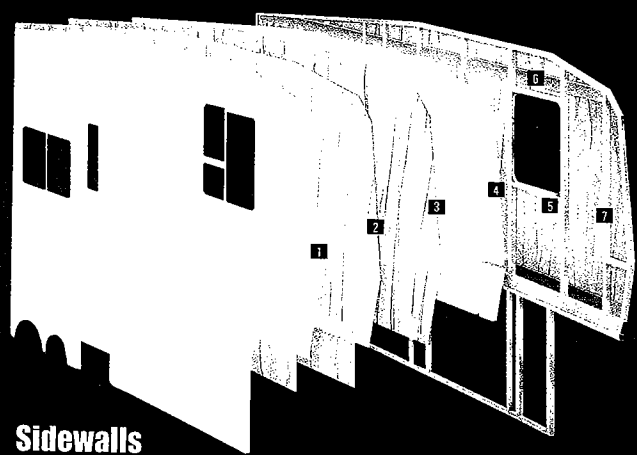

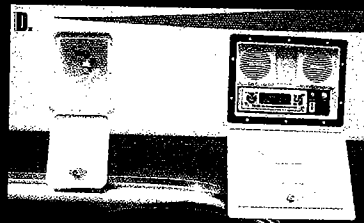

Clockwise from left: A. Triple EZ-to-Lube Alko axles are standard with aluminum rims on every Raptor. B. Underframe slideout storage, great for outdoor-use items. C. Huge unobstructed, felt-lined pass-through storage. Also included, a wet boot storage tray. D. Party all night with your outdoor entertainment center complete with marine-grade detachable-face CD player with speakers and cable TV hook-up. Or, just listen to music while you attach your 1300 psi power sprayer to the provided faucet and clean up your toys. (Also attaches to standard garden hose). E. The Onan 5.5 Marquis Gold™ generator is noise-rated for use after hours and comes with an automatic transfer switch.

RAPTOR

CONSTRUCTION

Welded 2-inch aluminum framing is at the heart of Raptor's 5-layer sidewall construction, engineered to make your Raptor strong and durable while creating an SUT that is easier to tow. Previously found only at a much higher price point, Raptor's structural integrity assures you of strength, superior insulation, and durability for many years to come.

Sidewalls

1. Gel-Coated Filon Fiberglass
2. 1/8" Luan Wood Backer
3. Second Layer 1/8" Luan Wood Backer w/Staggered Seams
4. Solid Block EPS (Expanded Polystyrene) Insulation
5. Radius Window Corner Blocks
6. Metal Backing Strips (EGS - Electro-Galvanized Sheet)
7. 2" Welded Aluminum Sidewall Studs

INSULATION FACTORS

Walls - R-9 • Roof - R-10 • Floor - R-17

All R factors are estimated from composite ratings
