

SPRINGDALE

2005

It's a Way of Life...

Introduce the 2005 Springdale 280 fifth wheel interior, offering richness and style heard of in an RV at this moderate price. The new look created with curved dinette seats, a curved dinetto, and the unobscured panoramic view through the 40x/2-inch picture window.

The 280 Springdale is a winner when it comes to interior cabinet space. And, for those aspiring gourmet chefs, the ample countertop space is a welcome feature. Also in the kitchen — matching appliances, the residential 60/40 deep bowl sink, and upgraded linoleum flooring, all attuned to the latest interior design trends.
