MAX ENDURA

Take Your Fun to the Max

ENDURAMA

GALLEY • MODEL 6361

GALLEY CONVENIENCE...
 Our wide-open galley offers all the comforts of your kitchen at home. 3-burner high performance range; 2-door, 2-way refrigerator and large convection microwave, you will be able to prepare any of your family's favorite meals.

SOFA AND COCKPIT • MODEL 6361

20" LCD TV

ENTERTAINMENT...
 New for 2006, Gulf Stream introduces the cabover swivel 20" LCD television. The swivel action allows the television to be pointed towards the living area for viewing and then securely stored out of the way during travel or to accommodate for more cabover sleeping area.

BATHROOM • MODEL 6361

FUNCTIONAL BATH...
 The Bathroom in this one of a kind motorhome is efficiently designed to cut down on floorspace used yet provides enough room to move about and prepare for the long day of fun ahead of you. Shower stall includes sky light to provide natural light and added headroom.

DINETTE • MODEL 6361

SPACIOUS LIVING...
 The living area of the Endurama™ Toy Mover supplies more quality living features than any other towable or motorized unit of it's kind. All furniture features Gulf Stream Comfort Plus construction and easy to clean upholstery. The dinette delivers plentiful room to converse, play cards, or dine while parked or while on the road. The dinette also converts into a secondary sleeping area to compliment the Cabover sleeping.

LIVING QUARTERS • MODEL 6370

ENDURAMAX

WHO SAID YOU CAN'T TAKE IT WITH YOU?

With the EnduraMax you can! This incredible unit features a large rear entry garage that is 7' 4" tall 8' 5" wide and over 11 feet deep making it one of the largest in the industry.

The electronic lift gate gives you 30 percent more surface area than the nearest competitor allowing you to pull your bike, 4-wheeler or Golf Cart straight onto the lift making your loading experience safe and hassle free.

The EnduraMax gives you plenty of overhead storage with two rows of cabinets lining the garage, as well as fluorescent lighting, air vents at the baseboard, and roof access with an interior ladder and escape hatch.

Enjoy the outdoors without the bugs with the pull down screen

- 1,600 LB RATED LIFT GATE
- SAFETY SENSORS ON GATE
- SPRAY LINED GATE UNDERSIDE

VISIBILITY AND MANEUVERABILITY

Negotiating a tricky curve in the campground or on a major city street there will be no reason to worry while you're in the Chevrolet Kodiak. With a 54 degree turning radius, giant mirrors, large windshield and sloped hood this vehicle drives more like a light duty truck. Sloped hood allows the driver to see just a mere 13 feet in front of them, doubling their field of vision versus the competition's 26 feet.

Gulf Stream Exclusive Features & Benefits

SOLID HARDWOOD CABINETRY

OPTIONAL HARD ROCK MAPLE

PRE-DRILLED HARDWOOD CONSTRUCTION

Our residential style cabinets are constructed of solid hardwood doors and fronts that are pre-drilled and screwed then they are stained and top coated with a furniture grade finish that provides long lasting beauty and durability as well as adding strength and quietness to your motorhome.

COMPETITOR'S CABINETRY

Other companies use wrapped cabinet fronts prone to peeling, fading and tearing. The softer composite wood used does not hold screws as well as hardwood resulting in loss of strength and squeaking. Discoloration will degrade the beauty and lower the value of the motorhome.

TUFFTRUSS 6000 lbs.

SUPER STRENGTH TRUSS SYSTEM

The super strength truss system is unmatched in the class C industry. The structural subfloor foundation begins by welding a network of integrated steel trusses to the chassis rail. Specifically designed to distribute and transfer the tremendous forces from the coach to the chassis rail these trusses are individually tested to withstand 6,000 pounds each.

When the chassis is stretched, Gulf Stream stands alone in the industry by using a full 8" C channel extension versus the traditional 4" or less. This practice adds to the strength of the foundation and offers peace of mind that towing is safe on an extension that is true to the chassis.

GALVANIZED STEEL STORAGE COMPARTMENTS

Seamless, carpeted, galvanized steel storage compartments safely cradle your valuables. Rust protective foam and foam sealed for extra life and a quiet ride.

Dual metal H-Ducted air conditioning system with foil bubble wrapped insulation for improved climate control.

8" C CHANNEL EXTENSION

Unlike traditional plywood and foam seating Comfort Plus Seating features the strength of steel and the comfort of a sprung dinette cushion.

SEVEN FOOT CEILING

The Gulf Stream Class C has nearly 7' interior ceilings providing a true residential look and feel.
